- 8. The Earth is our home. Don't pollute it.

The protection of the environment is an important issue nowadays.

How do people influence nature?

Trees are cut down,  
animals are disturbed,  
air, water and land are polluted.

It seems to be

a real disaster!

So, what must we do to save our planet?

To make the Earth a better place we should save water and electricity, recycle plastic and glass bottles, paper and cartons.

**We are told not to throw away litter and not to damage nature.**

**Besides, Greenpeace and WWF ask children and grown-ups to take the problem seriously and plant trees, feed birds and help animals.**

3) Match the symbols with the names of the problems and with their descriptions. (reading for detail)
