Cinema

*You made it a production
Everybody in their spots
Lights, camera, action
The main characters
You and I, me and you*

*So we let it roll
Play, stop, rewind, stop
Each scene getting more intense
With music to match
Costumes on deck*

*I forgot my lines
You had the script
We even had to improvise
Made sure we were facing the camera
Facing each other*

*Each day I thought
"Can this be real?"
But as each day passed
I knew it wasn't
It was only a movie
But*

I could watch you for a lifetime, you're my favorite movie.
