Dear student,

Thank you for your letter! Sorry, I didn't write for a long time. I was busy with my work.

Well, now I prepare (готовлю) the plan of New Year's party. I want to know some information about children. Can you help me? I want to have an interesting party! Well, what games do you like to play at the party? What do you like most (больше всего): to dance, to play or to sing at the party? Do you want to write a letter to Santa? What present do you want for a New Year?

I am sorry, I am hungry, I am going to eat now!

All the best,

Miss Kristy
