childhood

singer

The future star was born in Tottenham - North London. She has a desire to sing from the childhood. It is known that the first public performance for the future stars of British pop music was the song "Desire" when the girl impressed with her beautiful voice.

Desire – желание

Impressed - впечатлительный

She did not believe in her success. Besides, her figure was far from ideal (until 2008 artist weight was 134 kg), and she didn't have wealthy sponsors. But Adele decided to go for an audition at London's famous school of performing arts and technology where she learned music from the best teachers in Britain.

Besides – кроме того
Wealthy - состоятельный

SUCCESS AND RECOGNITION

«Hometown Glory» singer's first single, was released in October 2007 and was released a very limited edition. But a year later the song itself won a nomination for a Grammy Award.

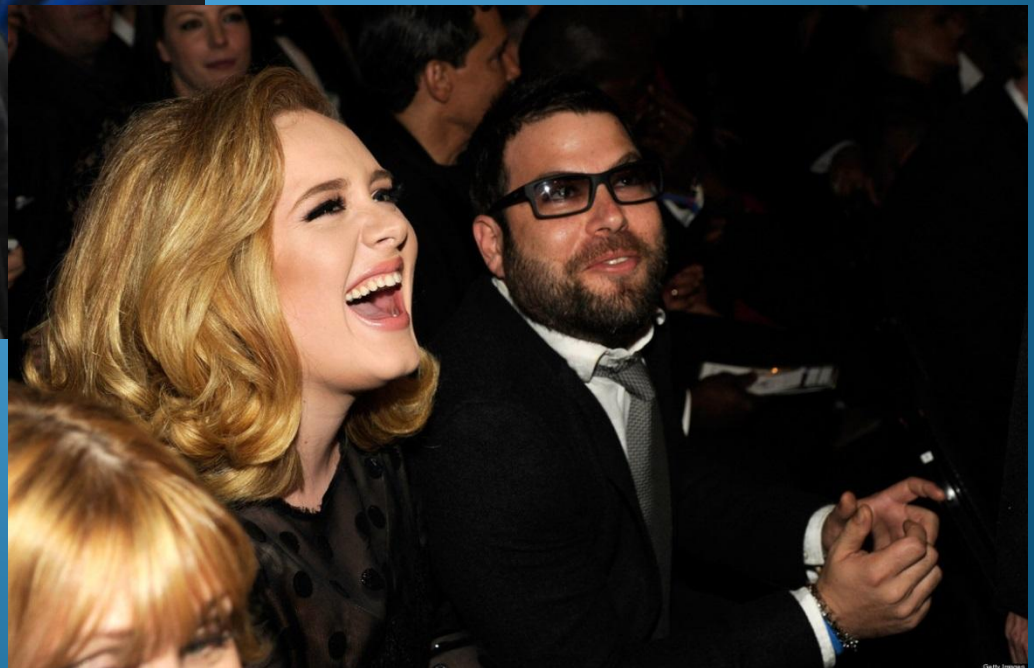

Success came soon after the release of her first album "19". It brought Adele worldwide fame. A week after its release, the album topped the British national chart. After such a triumph was followed by the tour of the USA and Canada.

PERSONAL LIFE Adel

In the same 2011 Adel met true love. Chosen Artist Simon - owner of a large investment holding. In October 2012 the couple had a son.

Adele CURRENTLY

Now Adele is working on her third studio album. And now the winner of the "Oscar", "Grammy" and many other awards continues to give us her wonderful works.
