Dear Emily,

Thank you for your letter. It was great to hear about your new house!

As for my new school, it's very big! It has three computer rooms and wonderful sports facilities. Actually, it seems a nice place and I enjoy studying there. The kids in my class are very friendly. I've already made some new friends and we often meet after classes. I've got only one new subject this year. It's Economics and I'm beginning to think that it's not difficult, after all!

By the way, what music styles do you enjoy? Have you got any favourite bands? Would you like to go to their concert? As for me, I prefer Radiohead. They are cool

I'd better go now. Mum wants me to help with the housework. Keep in touch!

Lots of love,

Ann
