**Today, I would like to compare and contrast these two photos. (the photos which are presented here)**

**Let me start with the first picture. It shows a boy with a big dog. They are sitting on the beach.**

**In the second picture there is an old man holding his cat. The cat is fluffy.**

**No doubt that both pictures have something in common.**

**Firstly, in these two pictures we can see a pet.**

**Secondly, in both pictures a person is hugging his pet.**

***Местоположение***

***Пол***

***Сезон***

***Количество людей***

***Идентичное действие***

***Возраст***

**However, these two pictures differ too.**

**On the left we see a little boy , while on the right there is an adult .**

**Moreover, the pet in the first picture is a dog, meanwhile there is a cat in the second.**

**As for me, I would like to** have a cat because cats are more graceful and tender animals.

**Besides,** you don't have to walk it and it is easier to take care of it.

**In conclusion, I want to say  
that pets make our life brighter  
and better.**

**That's all I wanted to say.**

- give a brief description of the photos (action, location)
- say what the pictures have in common
- say in what way the pictures are different
- say which of the disasters presented in the photos is more scary
- explain why
