

Project

My favourite time of the year.

Winter

In winter you can play snowballs, ride on the hill, skate and ride skiing.

Spring

**In the spring you can ride
a bike.**

Summer

In the summer you can ride a bike, swim in the lake or river and come up with a lot of interesting.

Autumn

In autumn you can walk.

**Most of all I like winter
because things can go ice
skating, skiing on the hill and
playing snowballs.**
