History

- ▶ The Volga region Academy of sports and tourism is a unique example of an educational institution of sports and tourism profile existing in the modern history of Russia. In fact, we have experienced three of birth: 1974. In 1986, it was decided to transfer our University to Naberezhnye Chelny - the city where the Kama truck factory was built. Then the Institute, which received the status of the Academy during this period, significantly expanded its range of educational programs, fulfilling the task of training specialists in the Humanities. It is here, in addition to sports and tourism training areas, opened pedagogical and psychological specialties. The third stage in the history of the University began with the victory of Russia in the bid campaign for the XXVII World summer student games.
