Настоящее совершенное время

Слайды подготовлены ст. преподавателем кафедры иностранных языков Штро Ольгой Геннадьевной

Present Perfect

- Обозначает действие, которое закончено к настоящему моменту и имеет результат
- А также обозначает действие, которое имеет начало в прошлом, продолжается до сих пор и при этом отчетливо прослеживается связь прошлого и настоящего

Формула образования Present Perfect

- Have/has + Participle II
- I/you/we/they have finished the work
- He/she/it has finished the work

Participle II

- У стандартных глаголов это форма образуется как и форма Past Simple
- У нестандартных глаголов эта форма особая (третья форма в таблице нестандартных глаголов)

Participle II (у стандарти глаголов)

- Work worked
- Like liked
- Play played
- Study studied
- Stop stopped
- End ended
- Visit visited

Употребление обстоятельств времени

- Already
- Just
- Ever
- Never
- Yet
- Long
- Since (that time)
- Recently
- Always и т.д.

Positive sentences
(утвердительные
предложения)

- We have just prepared this material.
- I have already taken that task.
- They have known him since childhood.

Negative sentences (отрицательные предложения)

- He hasn't (has not) been to London long.
- We haven't (have not) prepared this material yet.
- I haven't taken that task yet.
- They haven't known him since childhood.

Interrogative sentences (вопросительные предложения)

- General question (общий вопрос)
 Has he been to London
 recently?
- Special question (специальный вопрос) What have we just prepared? (ко второстепенному члену) Who has already taken that task? (к подлежащему)

Сопоставление Present Simple и Present Perfect

- Present Simple
