A. There are some very important things to remember while you choose children's clothes. Clothes must be safe for kids. Besides, the little children must be comfortable in their clothes. The weather also dictates the choice of clothes for children — cottons in the summer and woollens in the winter and colder weather.

B. In England, boys and girls enjoy wearing comfortable clothes like T-shirts, jeans and sportswear, when they are relaxing at home or playing with their friends outside. Girls like wearing tunics over leggings or a skirt and a top. They choose smart bright things. Some children like clothes with the pictures of their favourite cartoon characters or TV shows.

C. Many American schools have strict rules about school clothes. Boys should wear a light-coloured shirt, not very bright tie in the school's colours and dark trousers or shorts. Many schools also have a jacket as part of the uniform. Girls should wear a light-coloured blouse and a darker-coloured skirt or a dress. Some girls' uniforms also have trousers, a jacket or a tie.

D. Some pupils at an Essex primary school want to have ties in their school uniform. They say that they want to wear ties because they help them to look like adults. Some of them go to school wearing green and yellow ties. But not all the pupils wear ties. There are pupils who don't like wearing not only ties but also school uniforms.

Planning Holidays

Everyone needs at least one holiday a year. Different people take holidays for various purposes. Some go hunting, others prefer to climb mountains.

A lot of people have holidays relative to sports activities, such as hiking, cycling, horse-back riding, rowing and canoeing, as well as scuba diving or even bungee jumping. Others choose a resort or a spa. A good idea is to go somewhere abroad to see another country.

When you begin thinking and dreaming about the sun and the sea you are ready for a holiday. It's good to go somewhere quiet where the climate is pleasant. For the first couple

of days you should rest and sleep as much as you can. Eat local food. Try to learn local customs and traditions. A little sightseeing is a good thing. Always have a dictionary of the local language and pick up a few words. It's not a bad idea to get to know the place as well as you can. Be sure to take the necessary clothes and dress according to the climate. Remember that the sun is good for some people and very bad for others. Protective oils and creams are necessary for a holiday. Don't forget about your camera and take pictures. They will help to remember the most enjoyable moments!
