# Where does the name 'Easter' come from?

Easter comes from the Anglo-Saxon name for the month of April, which means "opening" in the Anglo-Saxon language and since Pascha was most often celebrated in Eostremonath (April), the English Christians began calling it "Easter".

# EASTER TIME

**Easter usually comes in the month of April. However, Easter can fall as early as March 22 or as late as April 25. Easter is called a moveable feast because the date of Easter changes every year. # The Traditional Egg Gift

- **The first eggs given at Easter were birds' eggs. These eggs were painted in bright colors to give them further meaning as a gift.**
- **As chocolate became more wide spread in the 20th Century, a chocolate version of the traditional painted egg was developed. The size of the chocolate egg has grown over the years and is now more likely to be the size of an ostrich egg rather than a small bird's egg.**

# Easter Egg Hunt

**Small chocolate eggs are hidden for the children to find on the traditional Easter Egg Hunt. In recent years this game has been linked to the Easter Bunny, which only arrived in England relatively recently.**
