

# LAND OF THE CURIOUS

# LUT UNIVERSITY

Welcome to the Land of the Curious

Otto Moilanen

Project Manager | LUT University Group

+358504778313

”

Clean energy, water and air are life-giving resources for which we at LUT University seek new solutions with our expertise in technology and business.

We help society and businesses in their sustainable renewal. Our international community consists of 6500 members. Our campuses are in Lappeenranta and Lahti, Finland.

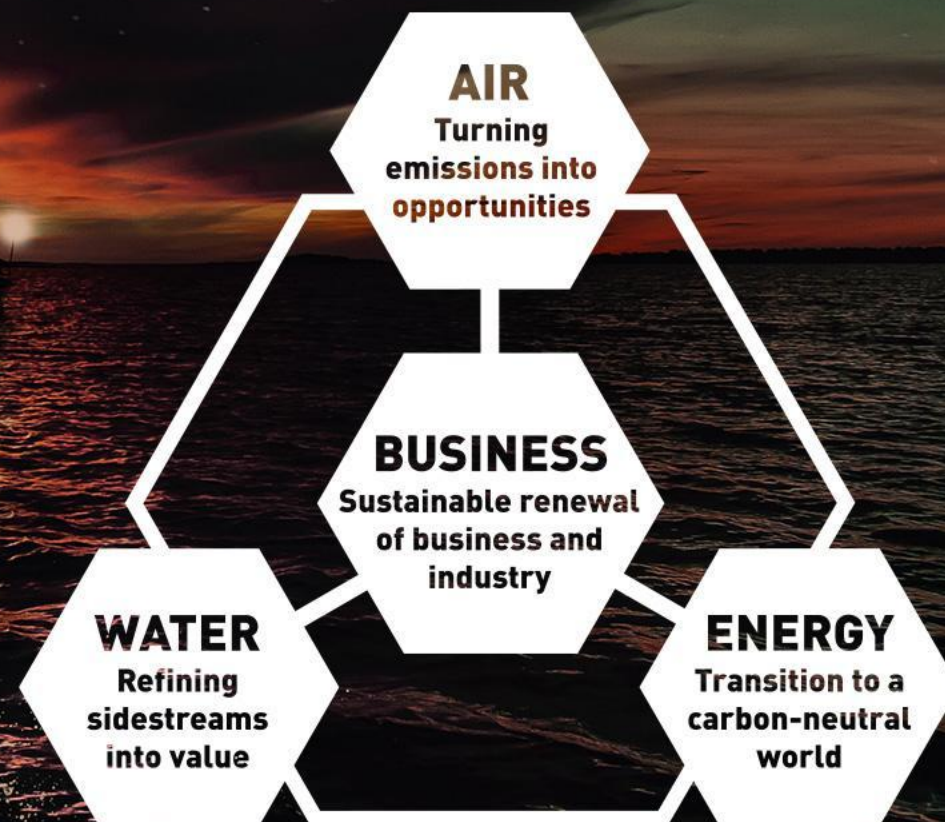

” We have the **courage** to succeed,  
**passion** for innovation through science  
and a **will** to build well-being.

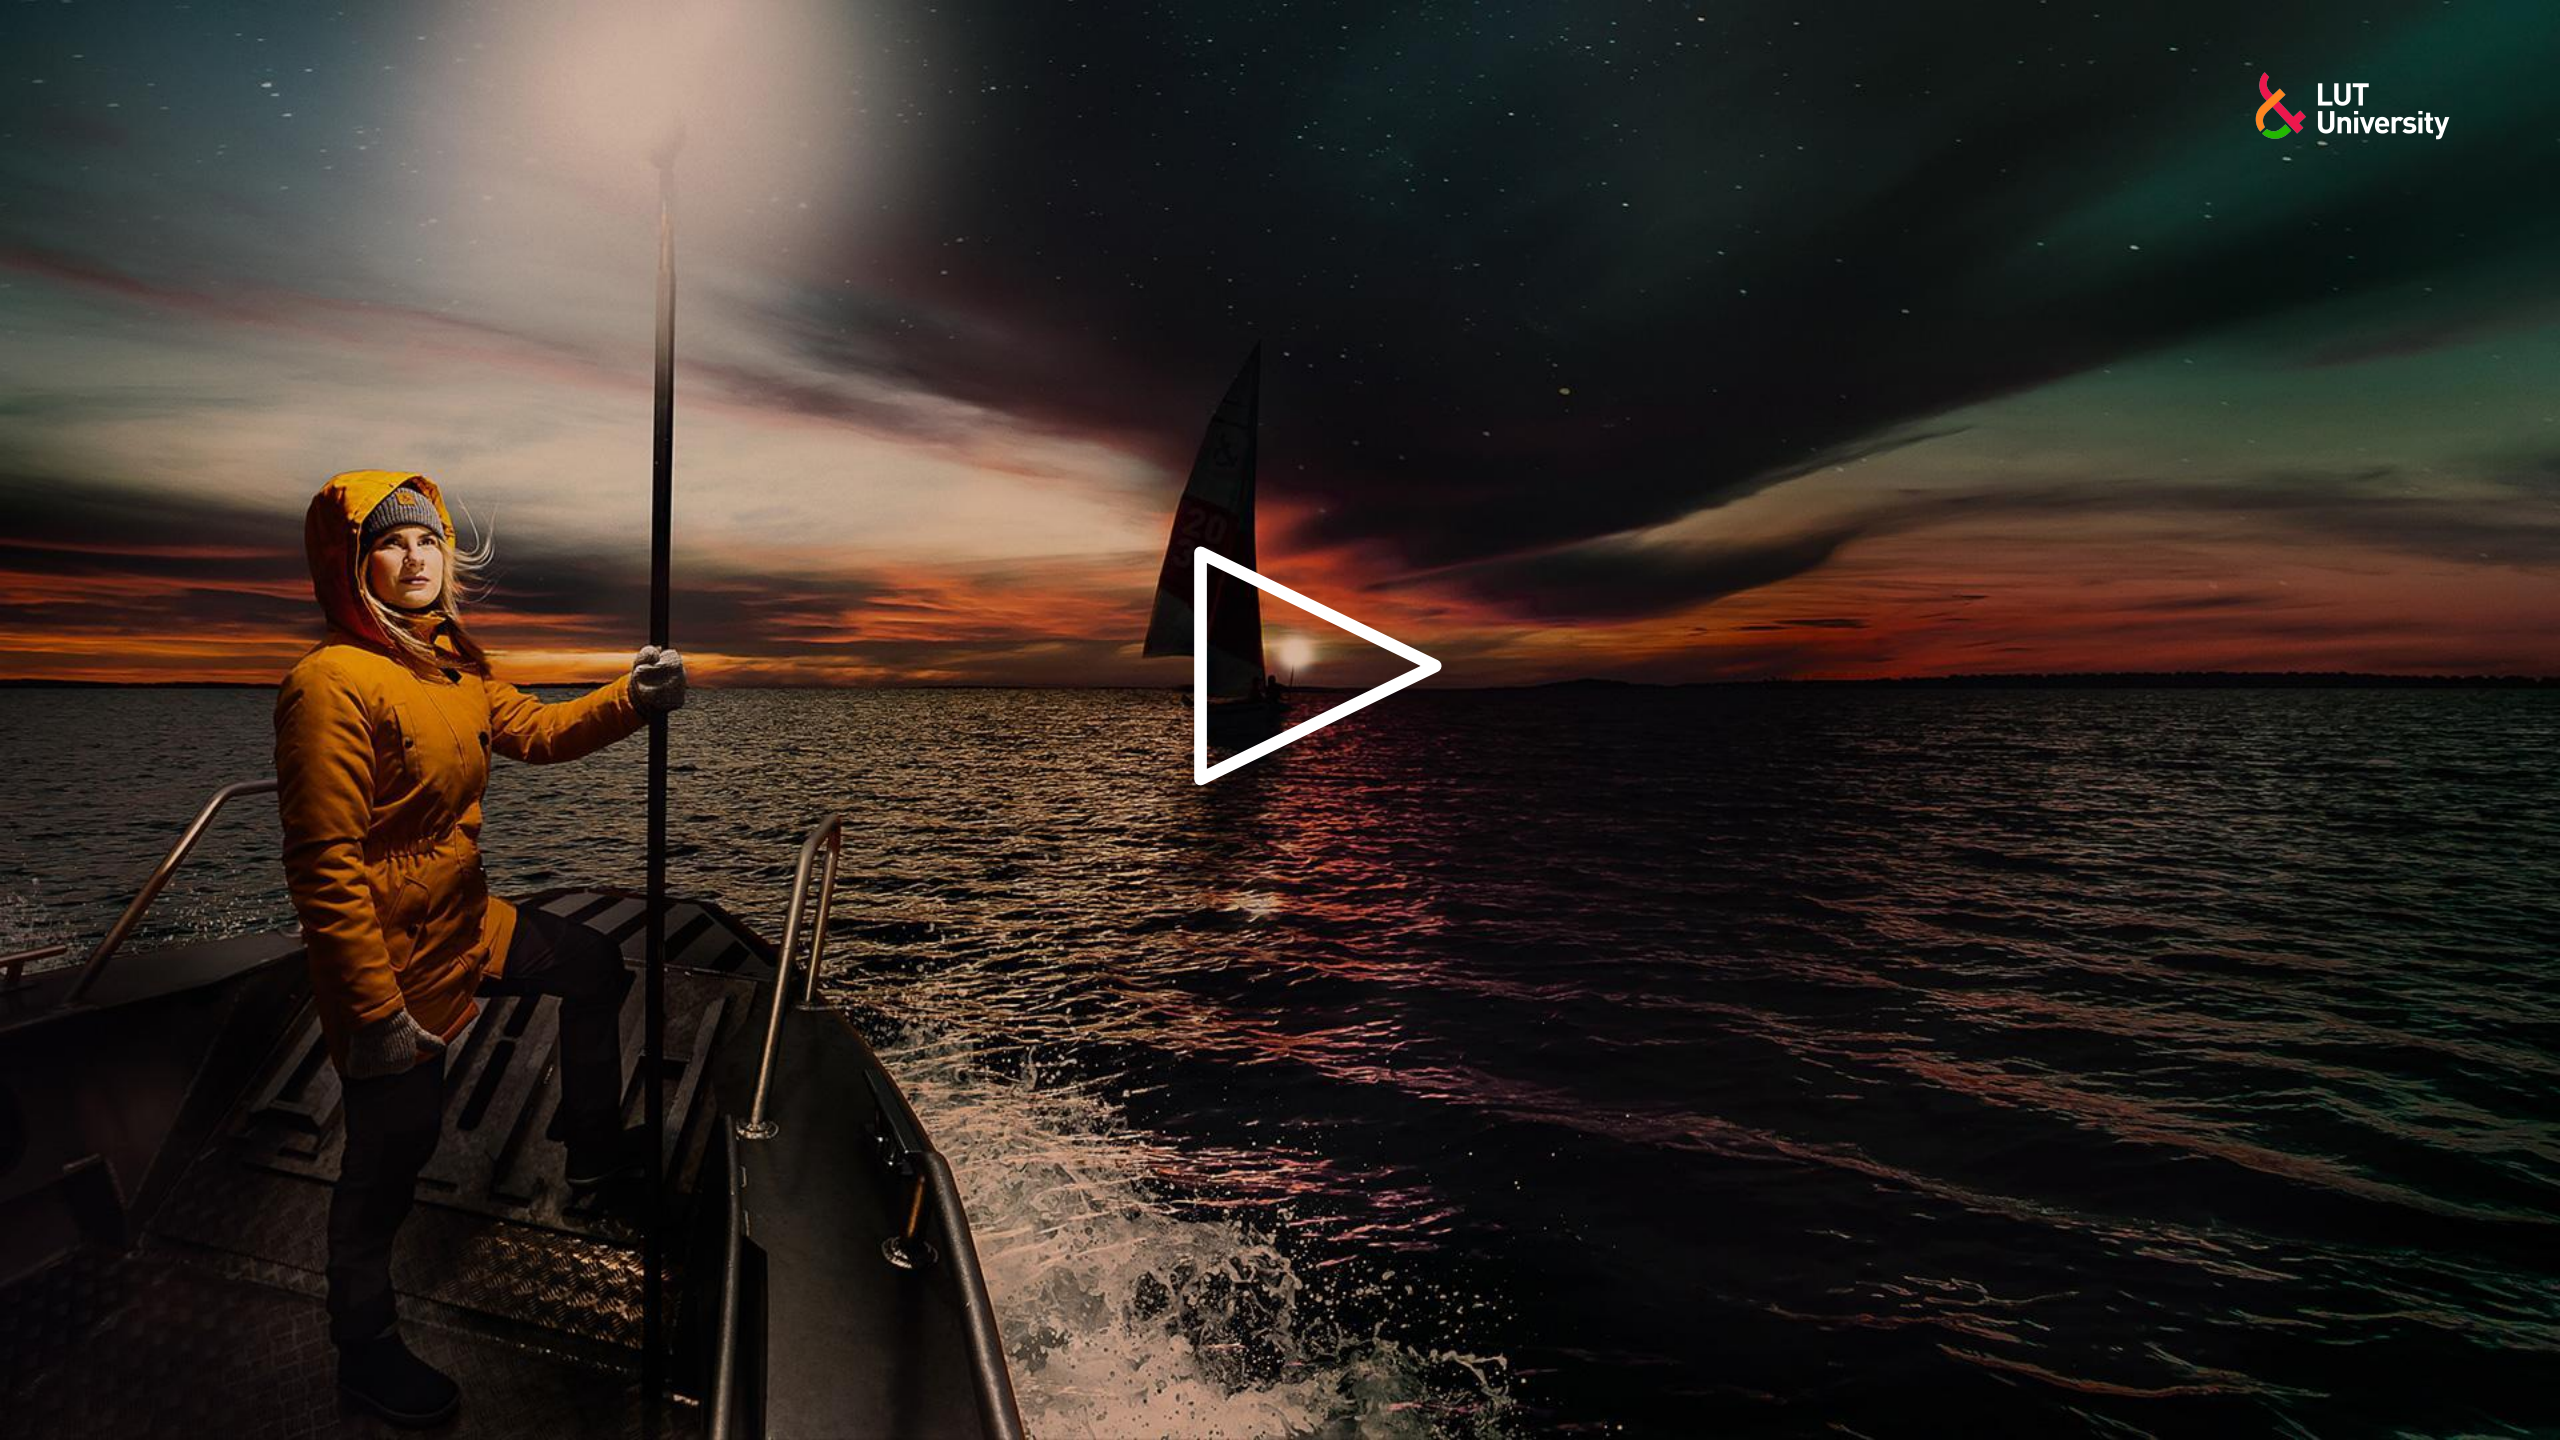

LUT UNIVERSITY STRATEGY 2030

# TRAILBLAZERS

Science with a Purpose

# SYSTEM EARTH
