ПРОРЫВНЫЕ СТАРТАПЫ

Система следит за поведением человека в сети, чтобы узнать, кто пытается ее взломать.

The screenshot displays the Exabeam website interface. At the top left is the Exabeam logo, and at the top right is a "Get AI" link. A navigation menu includes "Why Exabeam", "Product", "Federal", "Library", "Partners", "About", and "Blog". Below the navigation is a dashboard with a dark left sidebar and a light right panel. The sidebar has time filters: "1 week" (selected), "1 month", "3 months", and "1 year". The main content area features the headline "BLOW THEIR COVER" and the text "Catch insider threats and imposters that elude other security products." with a "Learn about our platform" button. The right panel shows a data visualization with six categories: REASONS (10), EVENTS (5), ASSETS (6), LOCATIONS (10), ACCOUNTS (5), and SECURITY (6). The background image shows a woman in a white sweater looking out a window.

Облачный сервис, который помогает компаниям управлять своими компьютерными сетями.

Облачный сервис, который помогает командам исследователей и ученых сотрудничать и обмениваться информацией, даже если они работают в разных отраслях.

Фандрайзинговая платформа для организаций

The screenshot shows the homepage of the Classy website. At the top left is the 'Classy' logo. To its right is a navigation menu with links for 'Tour', 'Customers', 'Our Story', 'Resources', and 'Blog'. Further right are a search icon, a 'Login' link, and a 'Request a Demo' button. The main visual is a photograph of a smiling woman in a blue sari holding two small goats. Overlaid on this image is the text 'The #1 online and mobile fundraising platform.' in a large, white, sans-serif font. Below this headline is a smaller line of text: 'Trusted by 3,000+ of the world's top nonprofits & social enterprises.' At the bottom center of the image is a prominent orange button with the text 'START A CAMPAIGN'. In the bottom right corner, there is a small 'LEARN MORE' link.

The image shows a screenshot of the Clari website homepage. The background is a dark blue gradient with faint, abstract patterns. At the top left is the 'clari' logo. To its right is a navigation menu with links for 'PRODUCT', 'CUSTOMERS', 'RESOURCES', 'COMPANY', and 'BLOG'. Further right are two buttons: a green 'LOGIN' button and a blue 'REQUEST A DEMO' button. The main headline is 'CLOSE MORE DEALS, PREDICTABLY.' in large, bold, white capital letters. Below this is a sub-headline: 'Clari gives you accurate forecasting and helps your sales team focus on the right opportunities to close more business, faster.' In the center, there is a blue button with the text 'REQUEST A DEMO'. Below the button is a play button icon inside a blue circle. At the bottom, the text 'Learn more in 2 minutes' is displayed.

Opsclarity дает подробный мониторинг инфраструктуры, включая приложения, которые используют контейнеры и облако. Сервис помогает выявить зависимость между состоянием приложений и общим состоянием инфраструктуры, собрать метрику и выявить проблемные области.

The screenshot displays the Opsclarity dashboard interface. At the top left is the Opsclarity logo. The main area features a dependency graph with nodes for various services: Spark (Master, Worker, Coordinator), Memcached-Proc, Elb-Elasticsearch, Hadoop-Procs, Hbase-Procs, PyHogues, Zookeeper, and Spark-Master. A central text overlay reads: "See Inside Your Modern Applications & Data Infrastructure" followed by "Artificial Intelligence based monitoring for your dynamic apps and data frameworks". Below this is a "WATCH VIDEO" button. The right sidebar contains a "Log Filter" section and a list of service health warnings, including "Spark-Coord Service Health Warning", "Kafka-Broker Service Health Warning", "Spark-Executor Min Fetch Rate (Three GeneralMX gauge)", "Kafka-Broker Bytes Out Rate (Three GeneralMX counter)", and "Hbase-Web-App Service Health Critical". The bottom of the dashboard shows a time-series graph for the region "us-west-2" on "Mon 6 Jun 2016", with a time period of 1 hour. The graph shows data points for various services over time, with a peak around 8:40.

Prevedere обеспечивает мгновенный доступ ко всем открытым данным о мировой экономике, производственной деятельности, потребительском поведении и погодных условиях, что позволяет лучше прогнозировать производительность бизнеса.

Global Data Cloud

Access millions of economic, environmental, and consumer behavior data – updated daily and ready for analysis.

The world's data at your fingertips

Over 70% of the time spent on a typical Big Data project is gathering data. This daunting task prevents companies from turning timely insights into action. Prevedere's Global Big Data provides instant access to millions of data points on the global economy, manufacturing activity, consumer behavior and even weather data. You can now search our vast data warehouse just like you search the web. Download the any data series for immediate use in your analytics application or utilize our Excel plugin to import directly into your spreadsheets

Lattice обрабатывает данные — тексты и рисунки — и приводит их к структурированному виду, который используется в классических базах данных.

The image shows a landing page for Lattice. The background is a photograph of a calm sea under a blue and green sky. In the top left corner, the Lattice logo (a grid of squares) and the word "LATTICE" are visible. In the top right corner, the words "TECHNOLOGY", "TEAM", and "C" are partially visible. The main headline is "UNLOCK THE VALUE OF DARK DATA" in large, bold, black capital letters. Below the headline is a thin horizontal line. Underneath the line, there is a paragraph of text: "Dark data is unstructured data such as text and images. Lattice turns dark data into structured data with *human-caliber quality at machine-caliber scale.*" At the bottom center, there is a teal rounded rectangular button with the text "We Are Hiring!" in white.

Pendo помогает собирать данные об использовании продукта и влиять на его работу с помощью внутренних сообщений.

The image shows a screenshot of the Pendo website and a preview of its dashboard. The website has a red header with navigation links: Product, Solutions, Downloads, Use Cases, Help Center, Blog, Log In, and GET. The main content area is red with the Pendo logo and the headline "UNDERSTAND & GUIDE YOUR USERS". Below the headline is a sub-headline: "Pendo extends your product to capture all user behavior, gather feedback, and provide contextual help." The dashboard preview shows a sidebar with a menu (Dashboard, Analytics, Pages, Features, Visitors, Accounts, Funnels) and a main content area with the following data:

NPS Q1 RESULTS		ACCOUNTS			
NPS SCORE	RESPONSE RATE	TOTAL	YTD	LAST 7 DAYS	LAST 30 DAYS

AVI Networks предлагает предприятиям новые способы использования их инфраструктуры с применением сбалансированной нагрузки на нее.

The image shows a screenshot of the AVI Networks Customer Portal. At the top, the AVI Networks logo is on the left, and navigation links for SOLUTIONS, PRODUCT, CUSTOMERS, PARTNERS, RESOURCES, and COMPANY are in the center. A 'CUSTOMER PORTAL' label is in the top right corner, and a 'DOW' button is partially visible. The main content area displays a dashboard with a 'Virtual Service (12)' section containing various service cards like AWS-VS, Anomaly-VS, and OpenStack-VS. Overlaid on the dashboard is the text 'Cloud-like Flexibility with 70% TCO Savings for Load Balancing' in large white font. Below this, a list of features is shown: Load Balancing | Autoscaling | App Insights | Service Discovery | Micro-segmentation. In the bottom right corner, there is a blue Gartner 'Cool Vendor 2016' badge with a '+ READ MORE' link below it.
