

ECOLOGY

The work performed by the pupils of the 8th class.

HERE ARE THE PROBLEMS WITH THE
ECOLOGY IN OUR VILLAGE

MANY PEOPLE LEAVE THEIR CARS ON LAWNS

Now our correspondent shows a car standing on the lawn.

I don't care at all to
Park wherever they
want

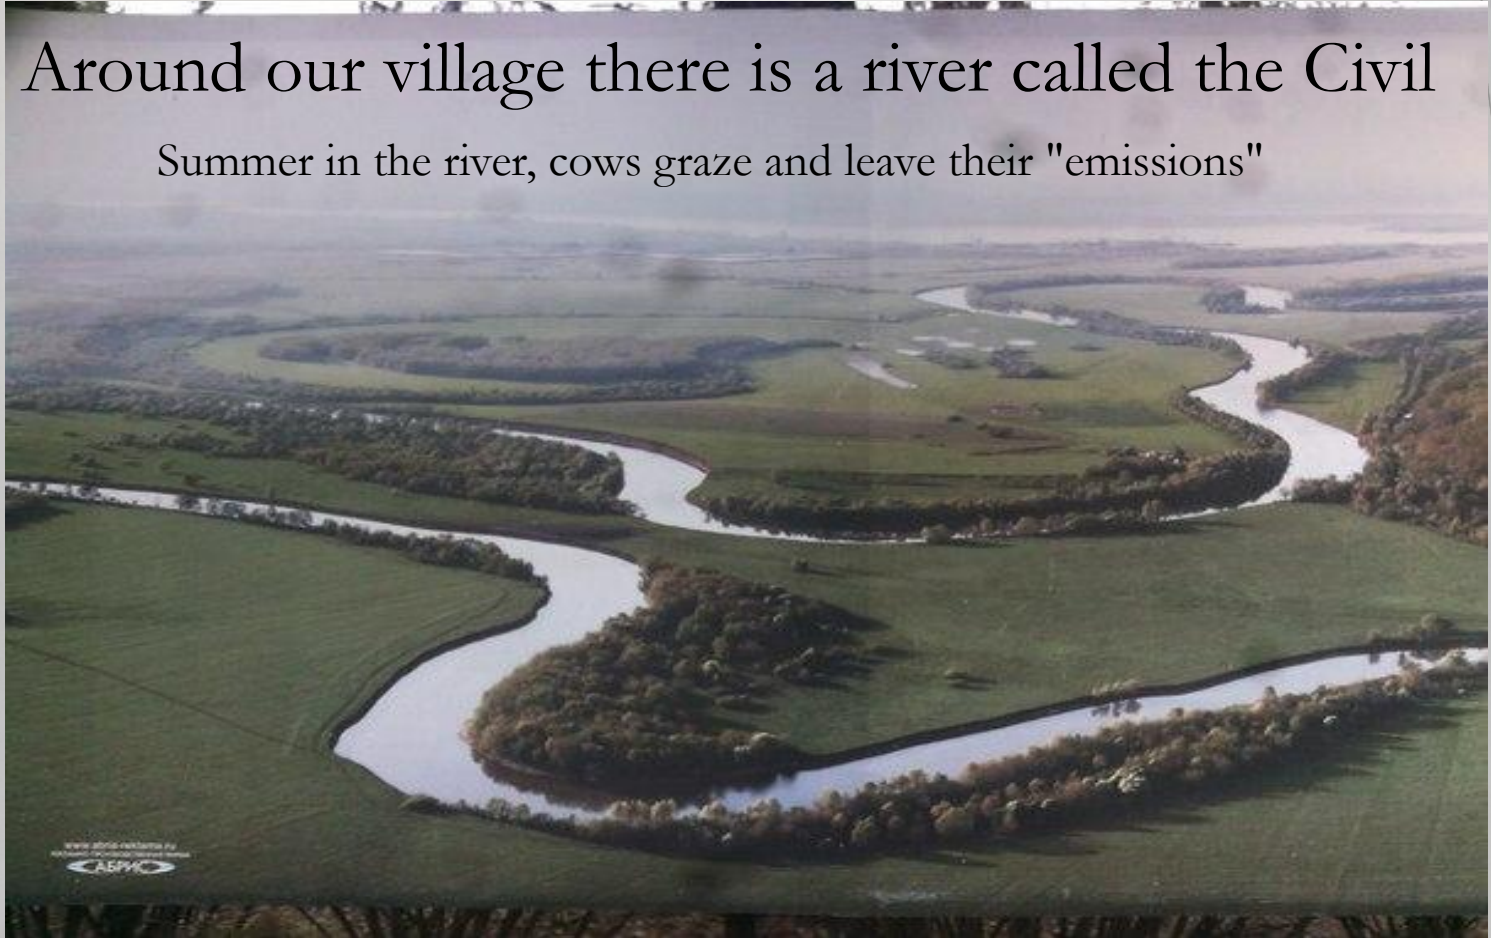

THE MSTA VISITED THE PLACE OF DISCHARGE

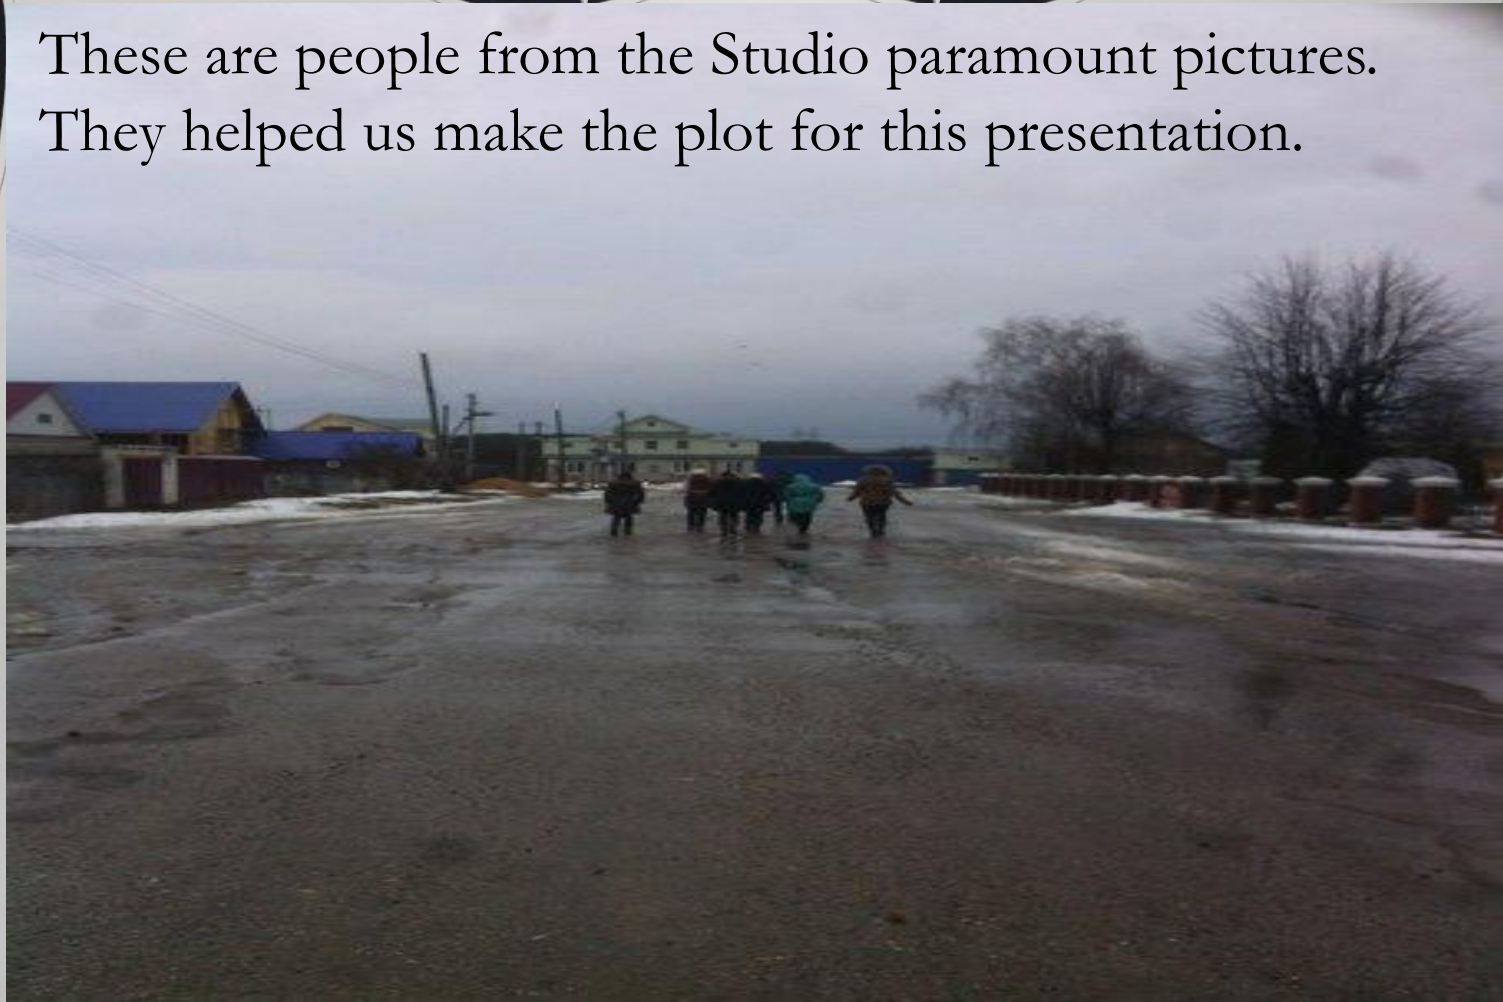

- ❖ Now our correspondent shows you the location of waste disposal.
- ❖ Such landfills in the village of three pieces.
- ❖ In our village there is a former brewery which is located next to the school.

Around our village there is a river called the Civil

Summer in the river, cows graze and leave their "emissions"

These are people from the Studio paramount pictures.
They helped us make the plot for this presentation.
