Background

Countdown 31st Olympic Games began in May 2007, when an application to host this sporting event filed 8 participating cities such as Chicago, Madrid and Tokyo. Among them was, and Rio de Janeiro. As fate would have in such a way that in the difficult struggle with Madrid the right to host the Olympic Games won the Brazilian city. Thus, the next summer Olympics in 2016 for the first time in its history, will be held in South America. Hence, the victory of the Brazilian proposal was a triumph, and the whole continent!

It is decided that the competition will start on August 5 and will end on the 21st.

August 5 at the famous Maracana football stadium will open the XXXI Summer Olympic Games, it is planned that in the competitions in various sports will feature more than 12,000 athletes from 205 countries.

Two weeks should hold contests on dozens of sports that will take place both indoors and on the beaches, stadiums, and even on the high seas. Almost all the competitions will be held in the city of Rio de Janeiro, which is divided into 4 zones sport.

Maracana

In addition to the stadium, which will be held the opening ceremony and closing ceremonies, as well as the soccer finals of the area includes the Sambadrome on Sapucaí, Ginásio do Maracanãzinho and João Havelange Olympic Stadium. The first two facilities will be competitions in archery and volleyball respectively, while the second - a rugby-7 and athletics.

Barr

It is the most extensive area. It accounts for just 15 sites, 13 of which are indoor facilities. Particular attention will be riveted to the Rio Olympic Arena. It will be the main event in sports and gymnastics. Another important object - riocentro, divided into 6 pavilions. The first room is designed for basketball, and the last - weightlifting. The attention of most TV studios will be aimed specifically at Barry.

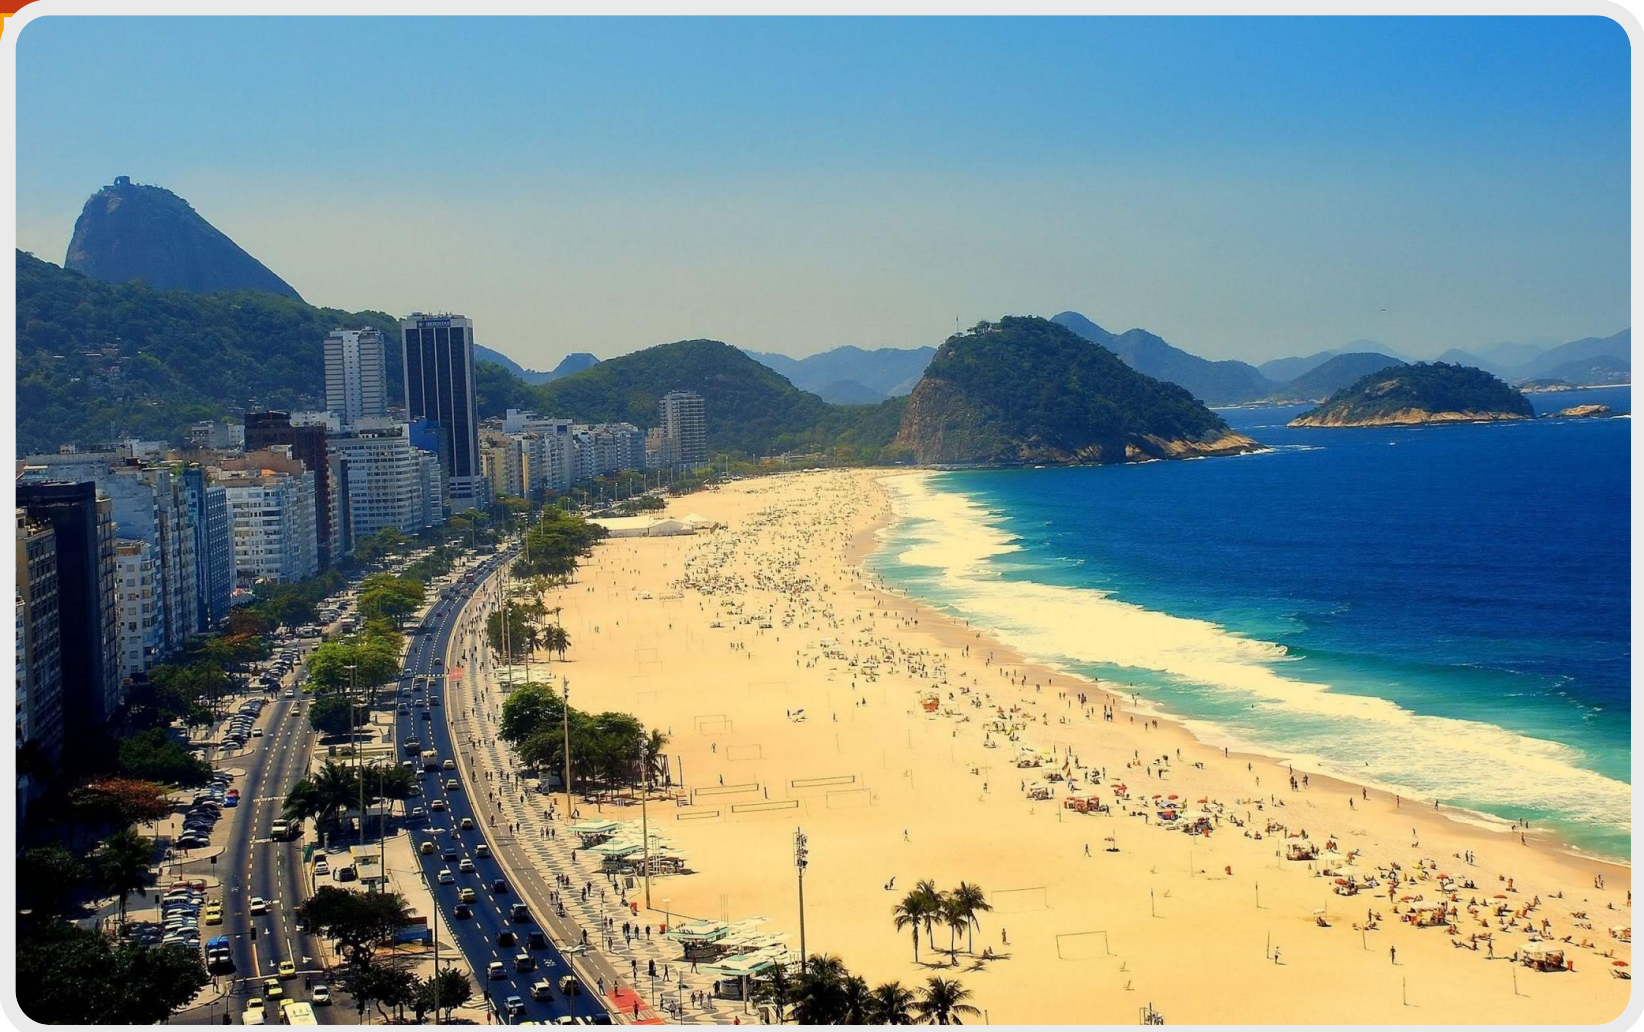

Deodoro

Horseback riding, fencing, shooting, cycling, modern pentathlon, and even rowing and canoeing - that's what awaits the audience all over the world in seven sports complexes of the area. Among all the clusters allocated Deodoro variety of sports facilities, where the National Equestrian Center is adjacent to the Olympic slalom stadium for rowing. However, the Olympic Games in Rio de Janeiro in 2016 and spread to other cities in Brazil. The reason for that - long soccer tournament, which is impossible to carry out within the boundaries of the city, albeit a very large one. Therefore, the qualifying rounds of football can be seen at the local stadium of cities such as Sao Paulo, Brasilia, Salvador and Belo Horizonte.

Copacabana

One of the most famous and beautiful beaches - Copacabana - competition will be held on such water sports: swimming; rowing; sailing; triathlon.

What is new in the upcoming Olympics

- ▶ New sports added subjects such as beach soccer, golf, street basketball and rugby-7. If the first two types of long-arises in the Olympic disciplines, the last two will be an intriguing discovery for viewers around the world.

60 thousand volunteers

Volunteer movement becomes each time more and more popular. Volunteers will not only assist the organizers of the competition in sports facilities, but also help foreign guests Rio de Janeiro find their way in the city. Their experience not be in vain, it is useful in winter, when will the Youth Olympic Games in 2016 in the Norwegian city of Lillehammer.

Sustainability Know-how the future of sport event - grand solar power City Tower, capable, by the assurance of developers, provide energy not only the Olympic venues, and urban infrastructure. The station was established in the form of a giant silver plane, which crashes down from the top of a man-made waterfall. In addition, it is planned that the medals will be cast from precious metals melted parts of electrical appliances.

- Unique movement to the place of the Summer Olympic Games 2016 has not turned into one big traffic jam, the organizers promise to make a reality of a special high-speed buses that will ply between a large infrastructure of Olympic facilities. Unique vehicles, in particular, the need to link remote areas of the western and northern areas of Rio de Janeiro.

Symbols and mascots

At this Olympics there will be two mascot - Tom and Vinicius, presented in the form of two funny creatures: the yellow - prosimian pulupopugay and polutsvetok - poluderevo. They embodied the image of the entire Brazil, with its variety of colors, the rich flora and fauna.

The symbol of the selected figure depicting three holding hands dancing men, forming a kind of dance. They are done in a yellow, blue and green colors, which symbolize the ocean, the forest and the sun.

Price of the celebration

Organizers promise to release tickets for democratic prices. Thus, the official website of the 2016 Summer Olympic Games has announced the cost of some tickets. The cheapest will cost no more than US \$ 17.4, which equals 40 local realities. These tickets are intended for viewing qualifying match of team sports. Most also available tickets for sports show in Maracanã will not exceed \$ 87. Another thing - the price of the opening ceremony. The most expensive tickets will cost at least \$ 2,000. The Brazilian currency is about 4.6 thousand. Summary of surprise and set new standards of quality - a matter of honor any Olympics. So it was in Beijing, and London, and, it is hoped, will be in Rio de Janeiro. To prepare an unforgettable sports show, Brazil had a few years, were remembered as the corruption scandals and organizational victories. But you have got Hispanics to outdo the last Summer Olympics - summer 2016 show!
