

Education in Great Britain

A large Union Jack flag is shown waving against a clear blue sky. The flag is the central focus of the image, with its red, white, and blue stripes and cross pattern clearly visible. The text 'Education in Great Britain' is overlaid on the flag in a bold, white, serif font with a black outline and a drop shadow effect.

The advantages of studying in the UK

EDUCATION SYSTEM IN GREAT BRITAIN

Nursery education

Secondary education

GCSE exams

“A” level exams

University and College of education

Nursery schools or playgroups

Many British children attend a nursery school from the age of 3, but it is not compulsory.

In nursery schools they learn some elementary things such as numbers, colours, and letters.

Apart from that, babies play, have lunch and sleep there.

PRIMARY SCHOOLS

INFANT SCHOOL
(5-7)

JUNIOR SCHOOL
(7-11)

Secondary School

At the age of 11 children enter the secondary school.

They study English, Maths, Science, Design and technology, Information and Communication Technology (ICT), History, Geography, Art, Music, Physical education and foreign languages.

Examinations

All students must
take two very
important
examinations:

 GCSE

 A-level

University of Cambridge
International Examinations
International General Certificate of
Secondary Education (IGCSE)

HIGHER EDUCATION

Higher education begins at 18 and usually lasts three or four years.

Students go to universities, polytechnics or colleges of higher education.

Universities and Colleges in Great Britain

- Education in Great Britain, considered one of the best in the world. Superb Colleges and Universities, where the choice of courses is almost unlimited. From Mathematics to Medicine.
- There are over 90 universities in GB.

Oxford and Cambridge

- Oxford is the home of the oldest university of England. Cambridge is the home of Britain's second oldest university.

The End.

Thank you for attention!
