

Пересечение поверхности плоскостью

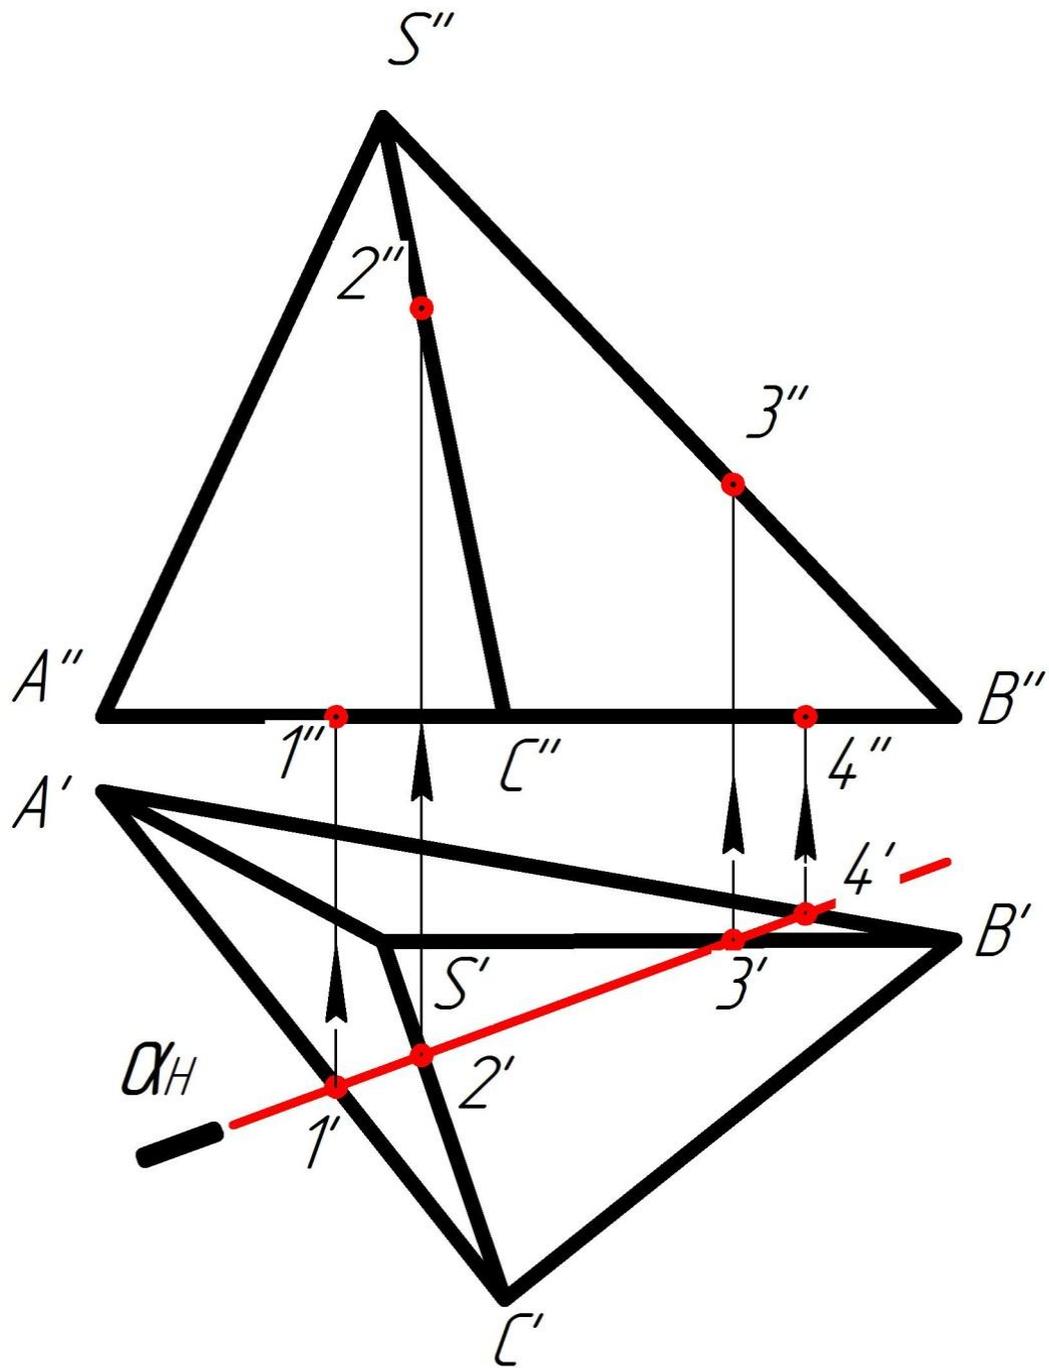

**Построить линию
пересечения
поверхности
проецирующей
плоскостью**

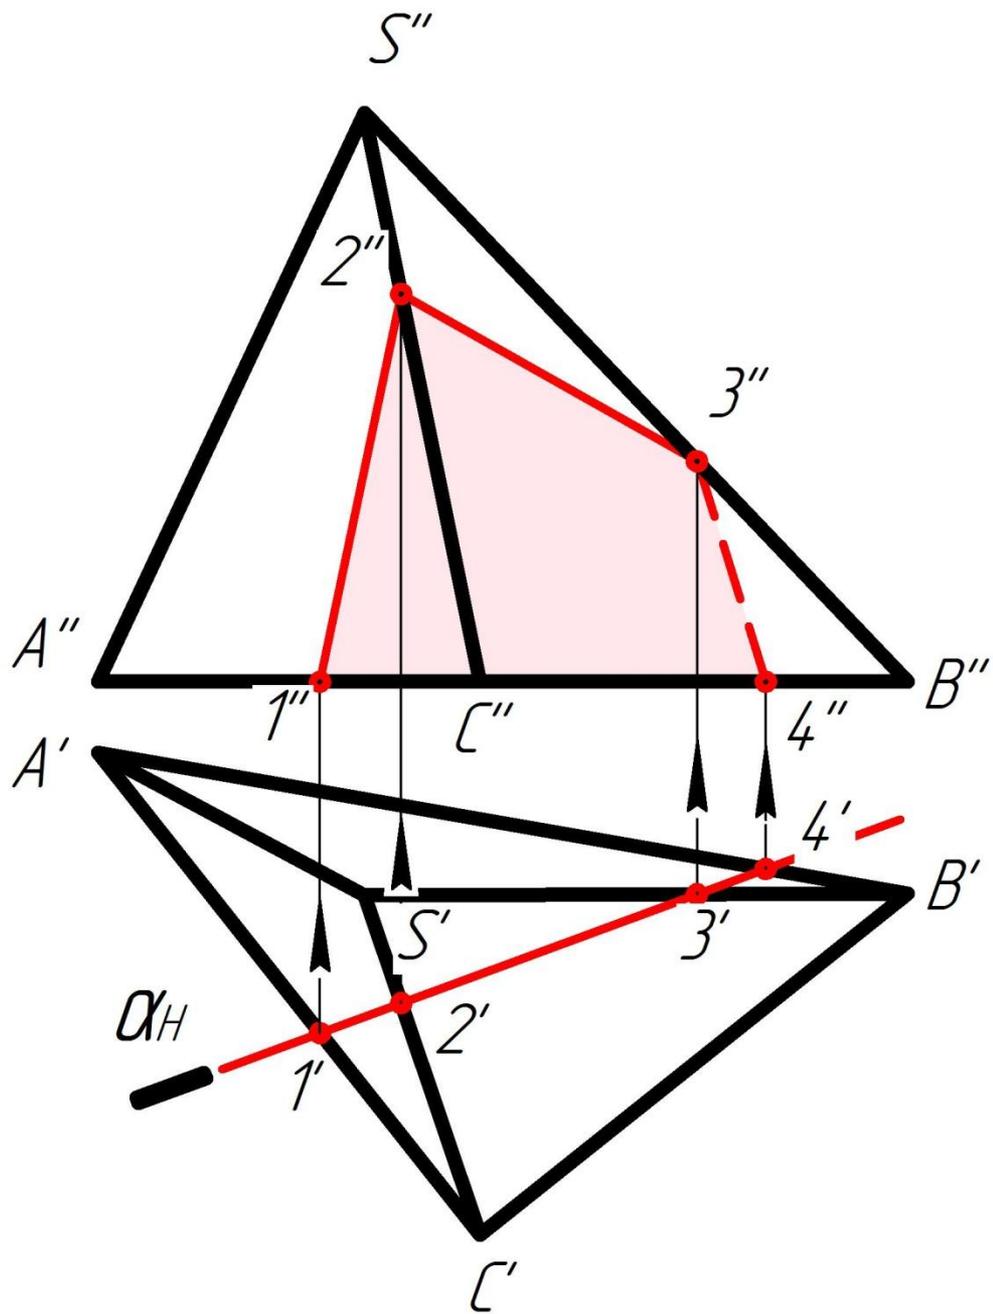

**Решить в конспекте
следующие задачи**

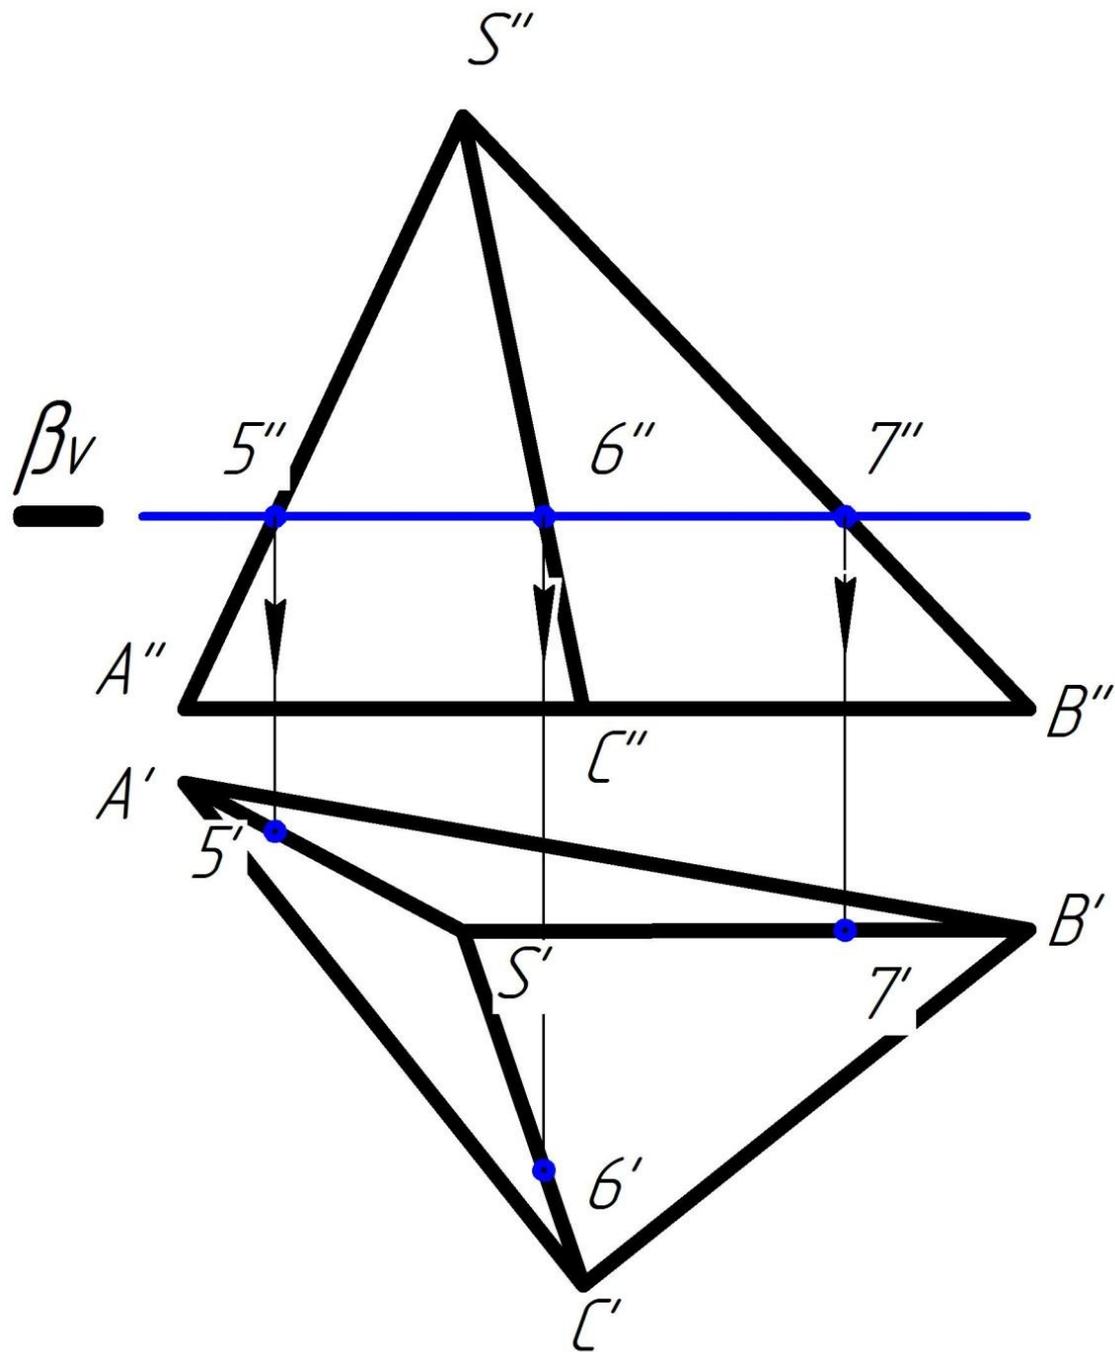

β_V

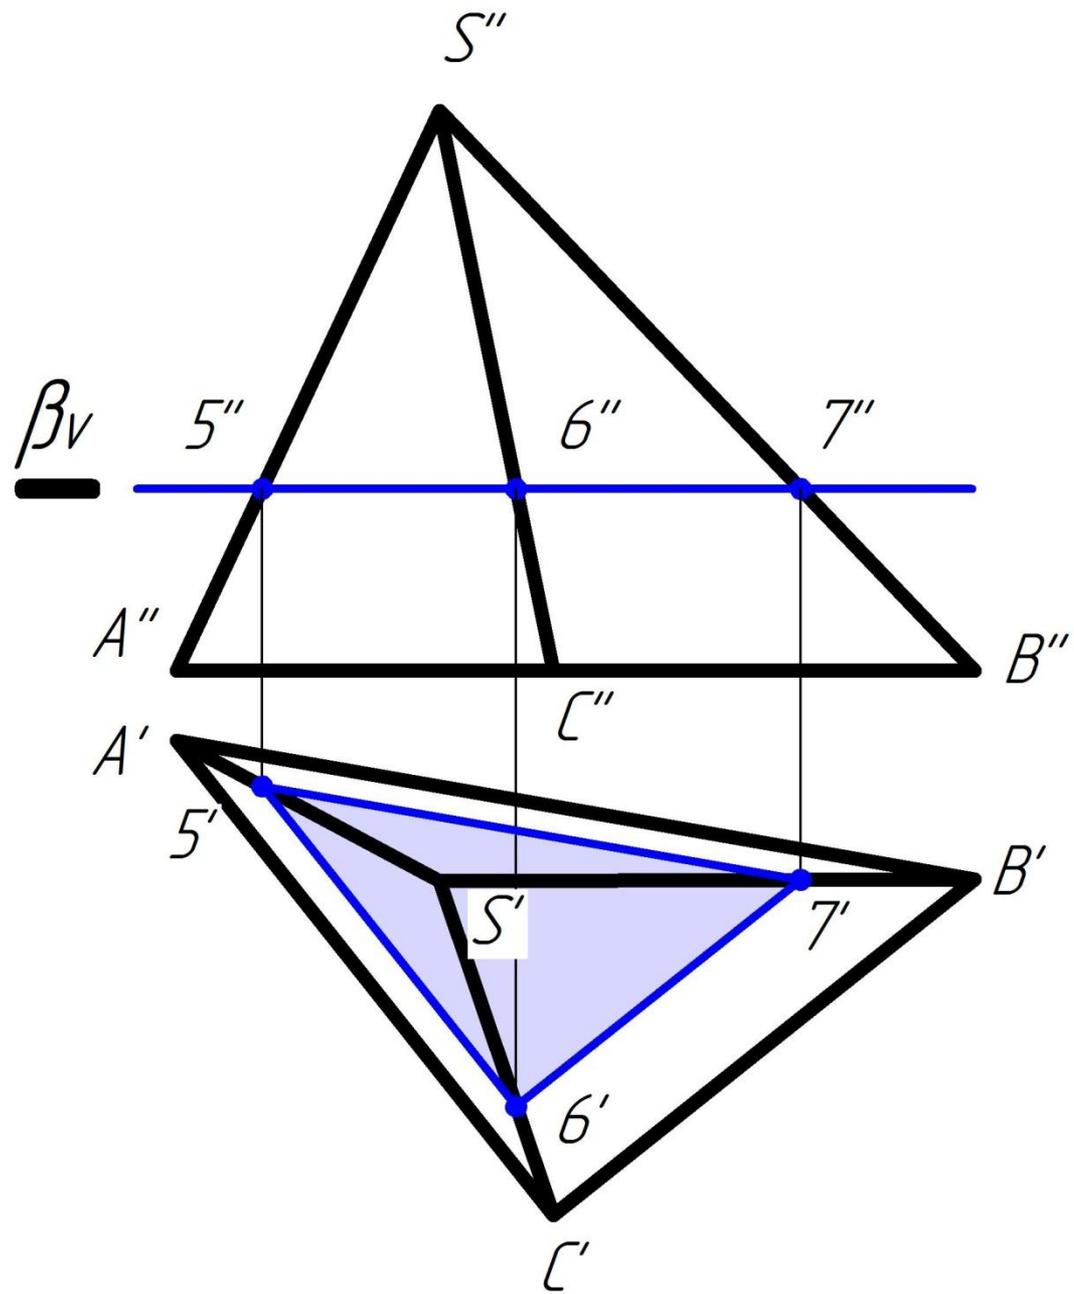

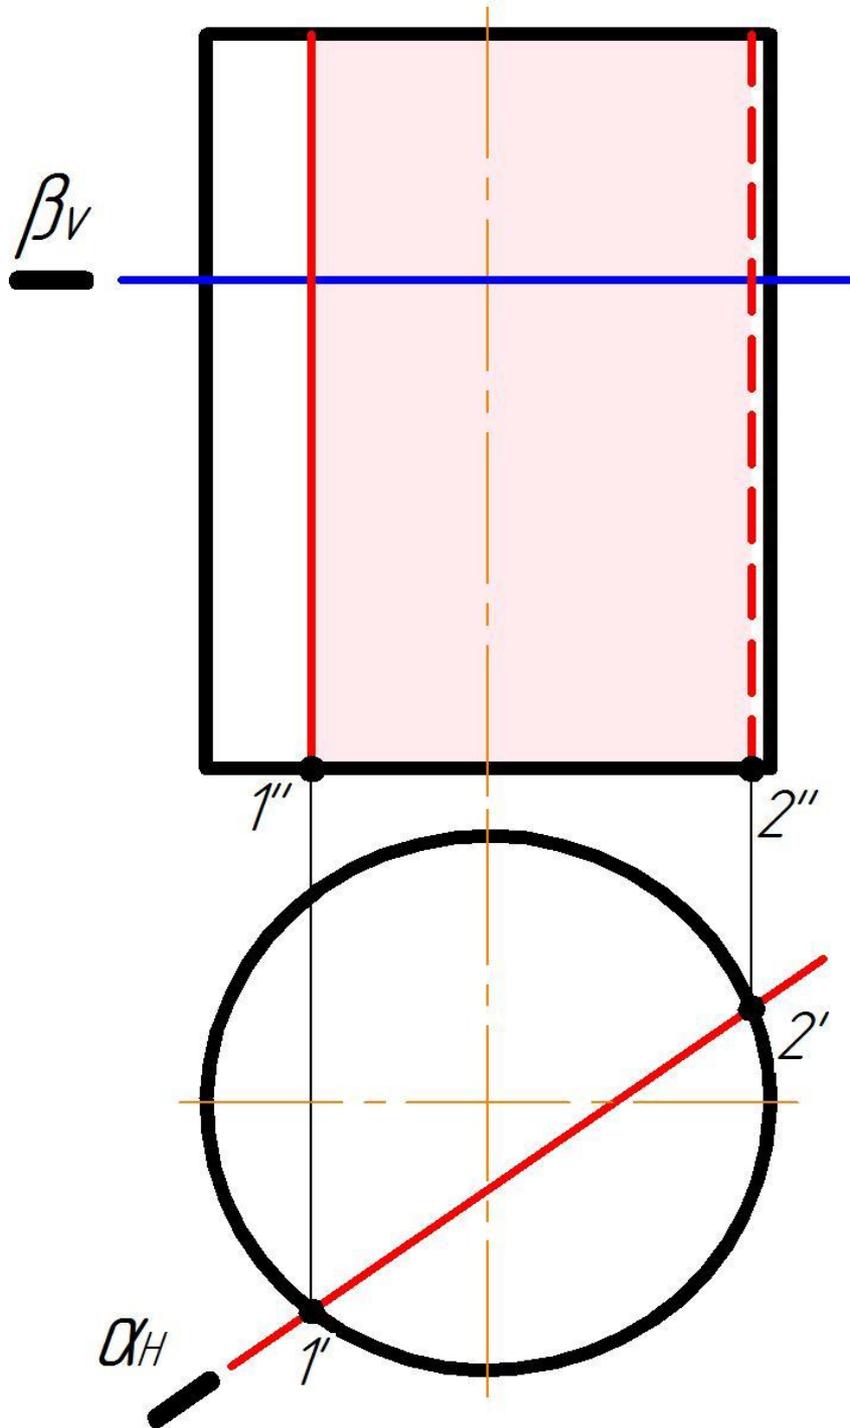

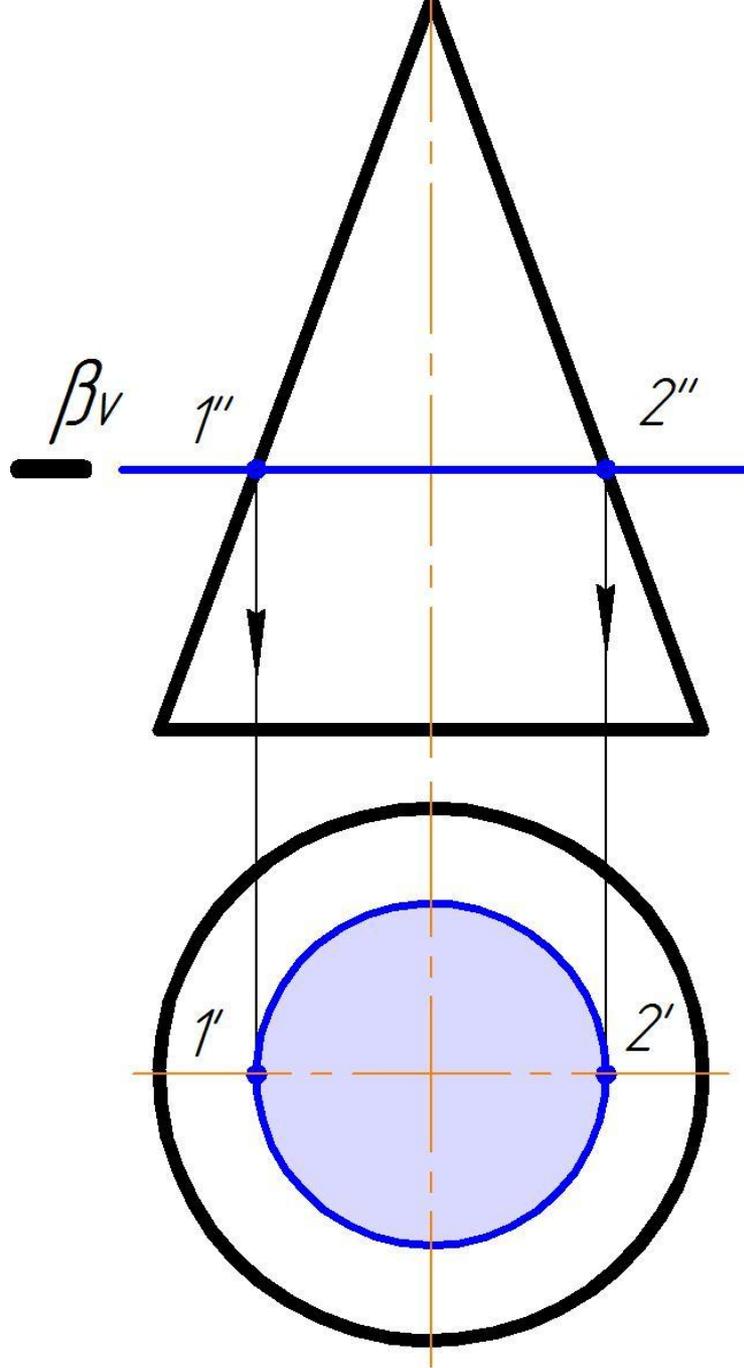

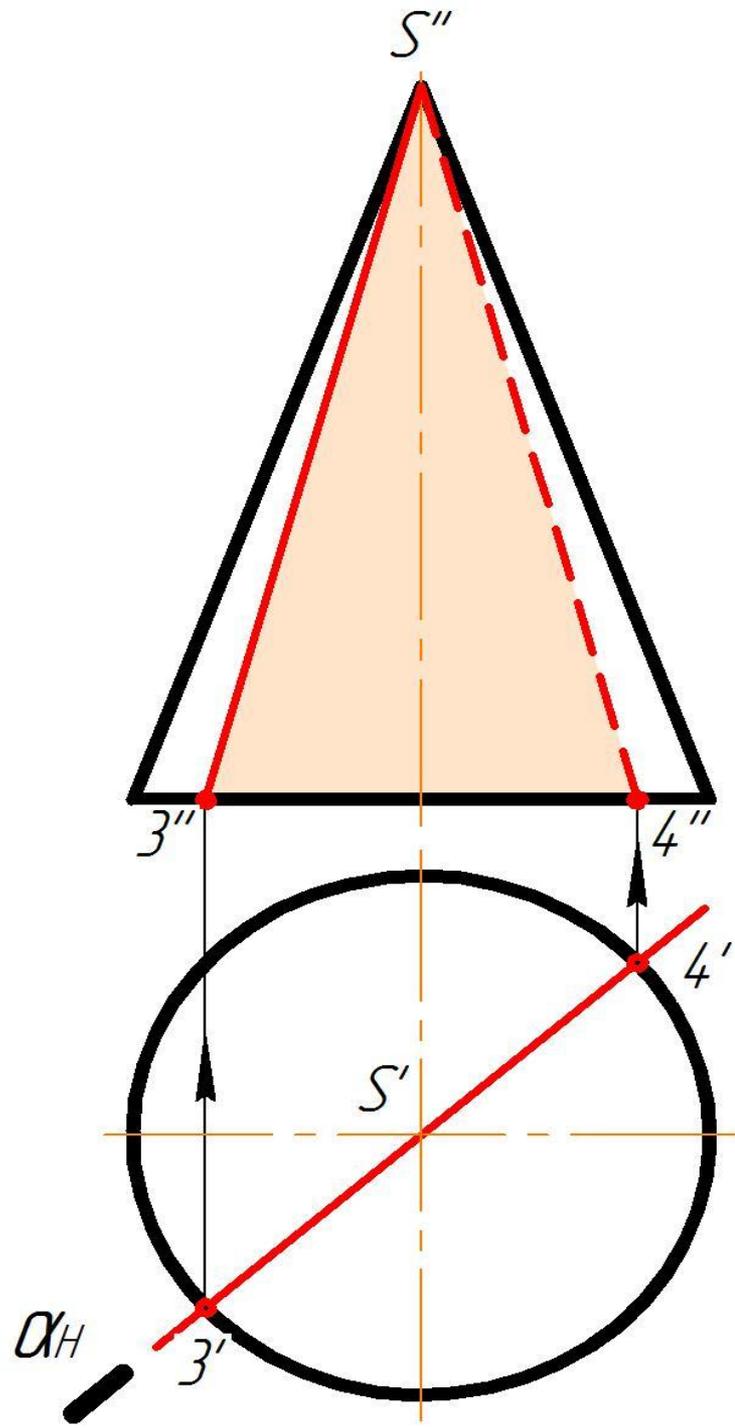

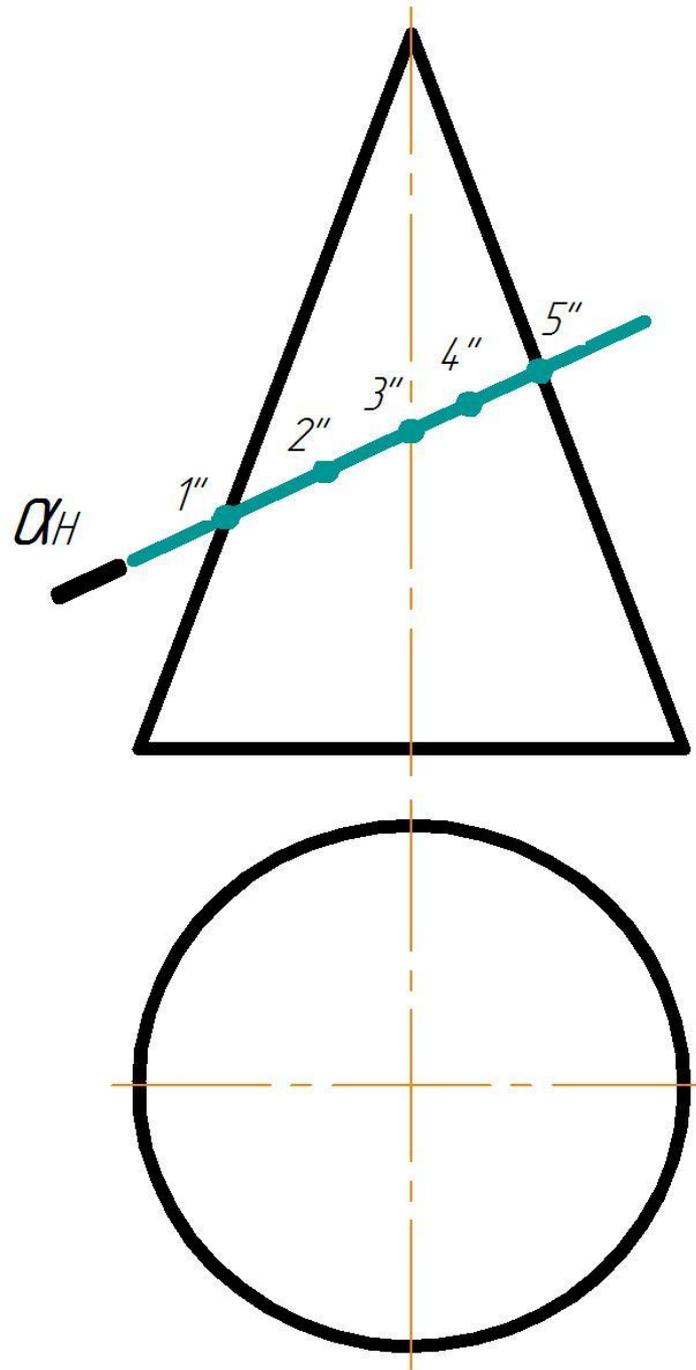

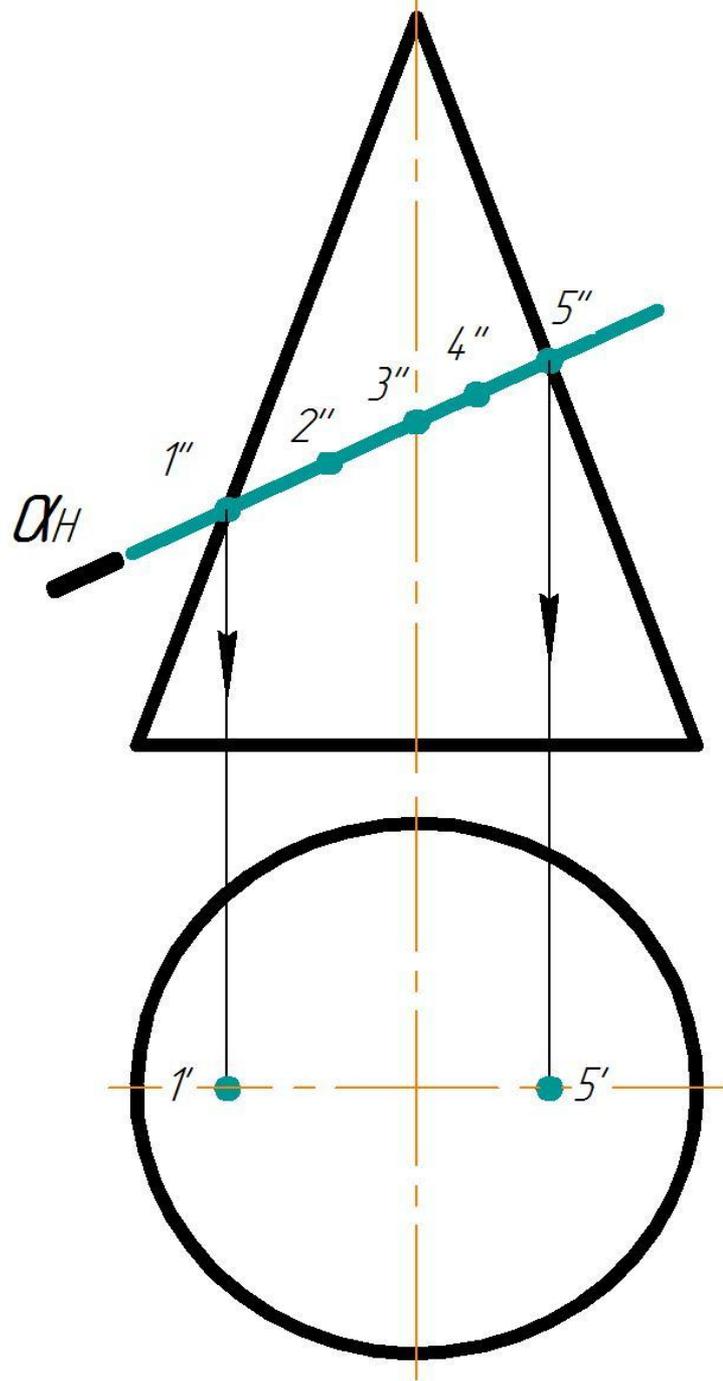

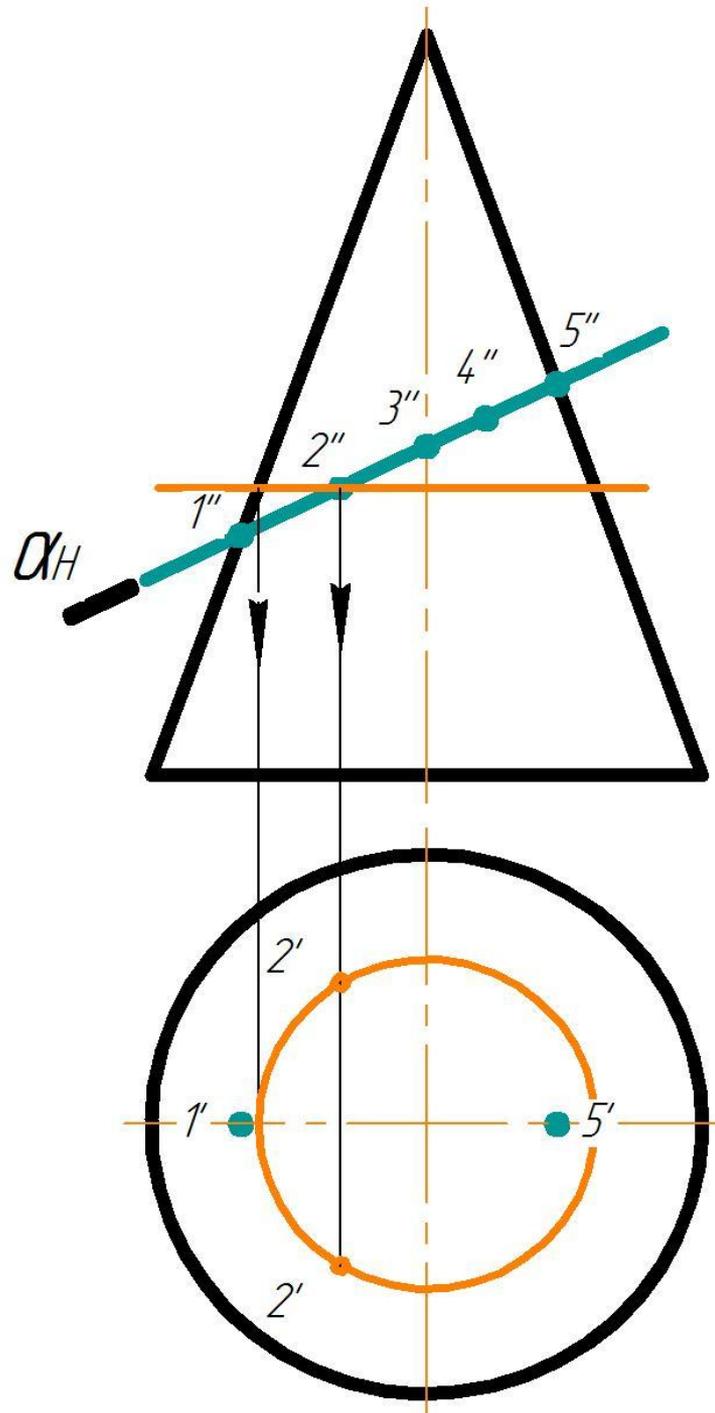

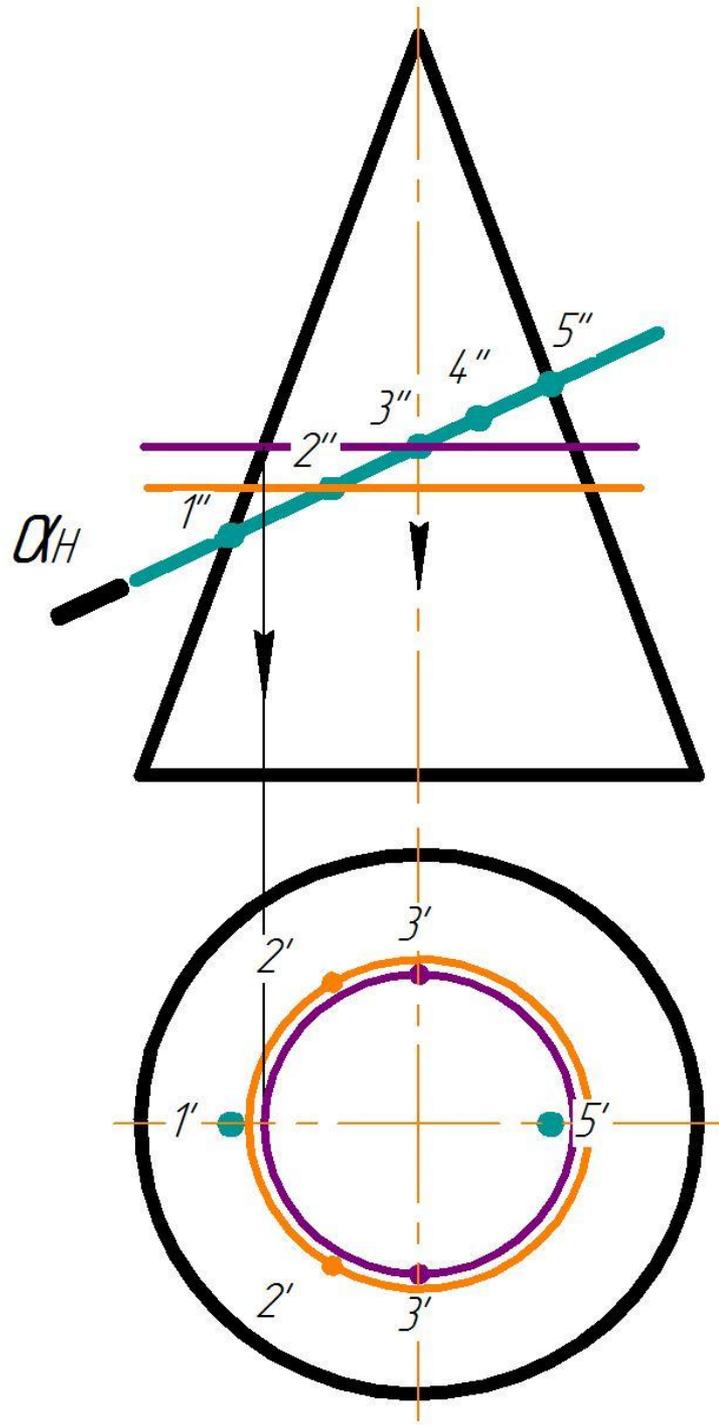

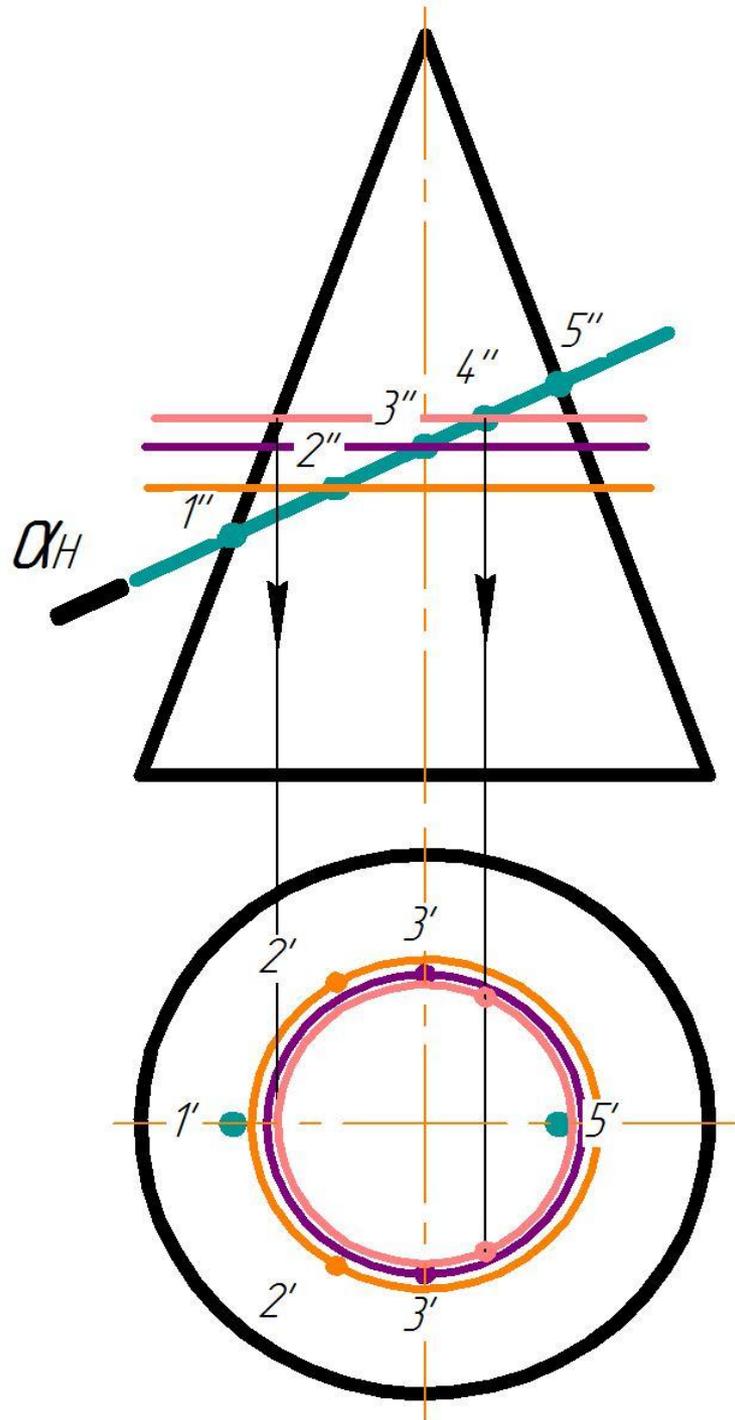

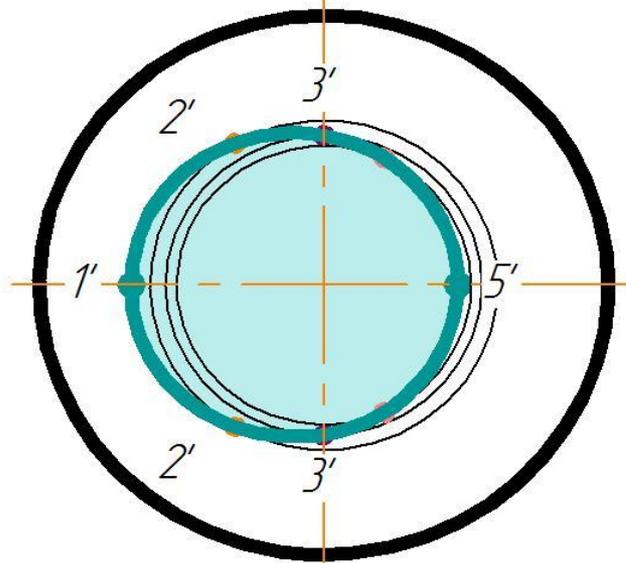

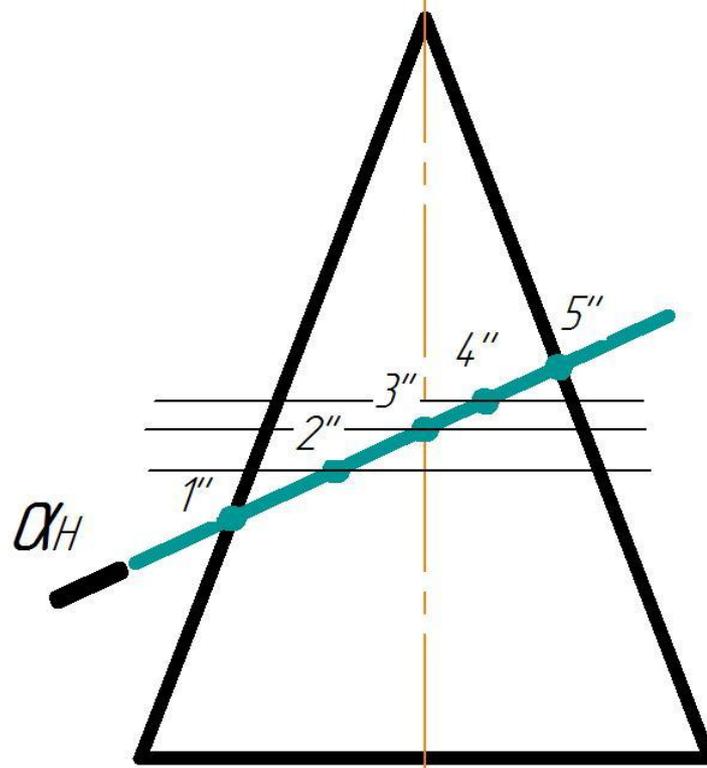

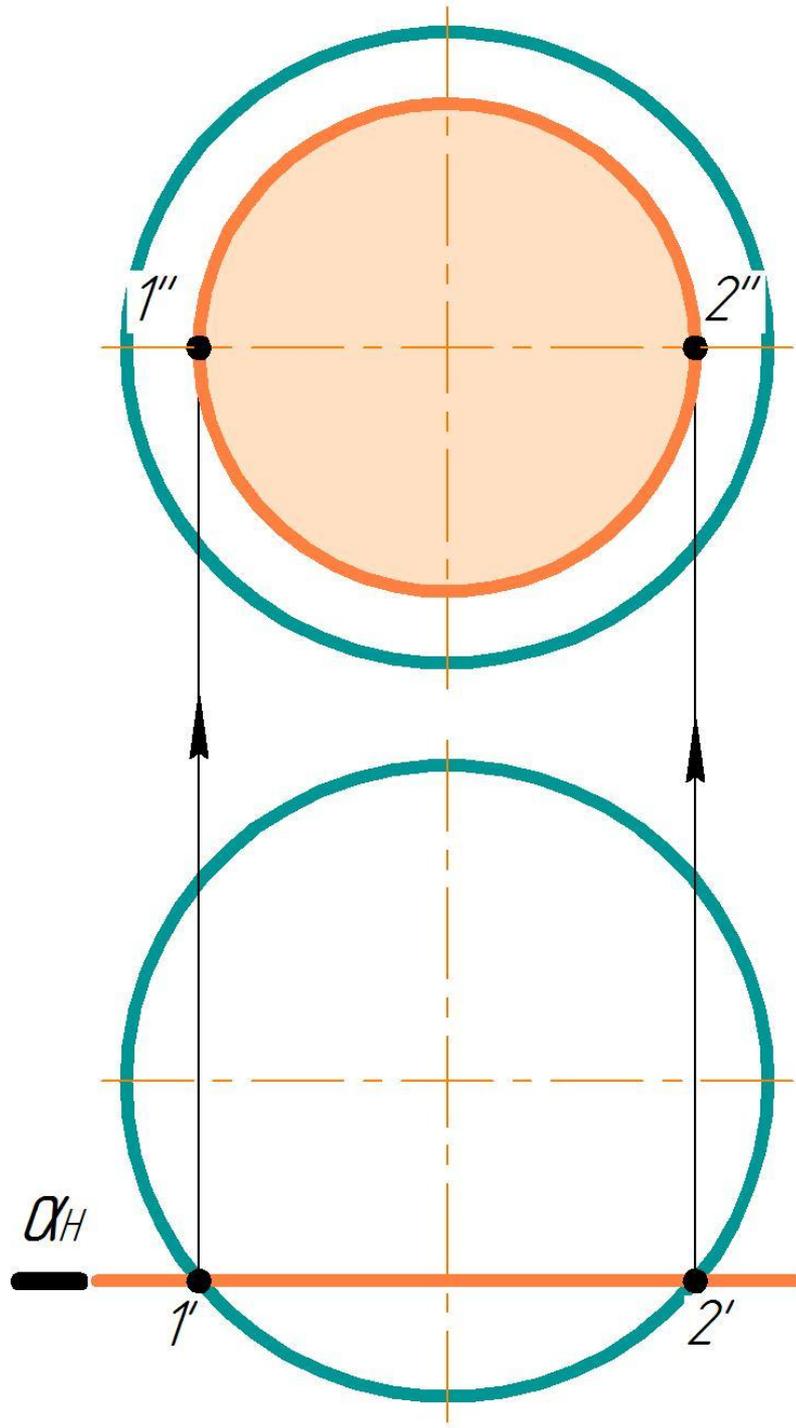

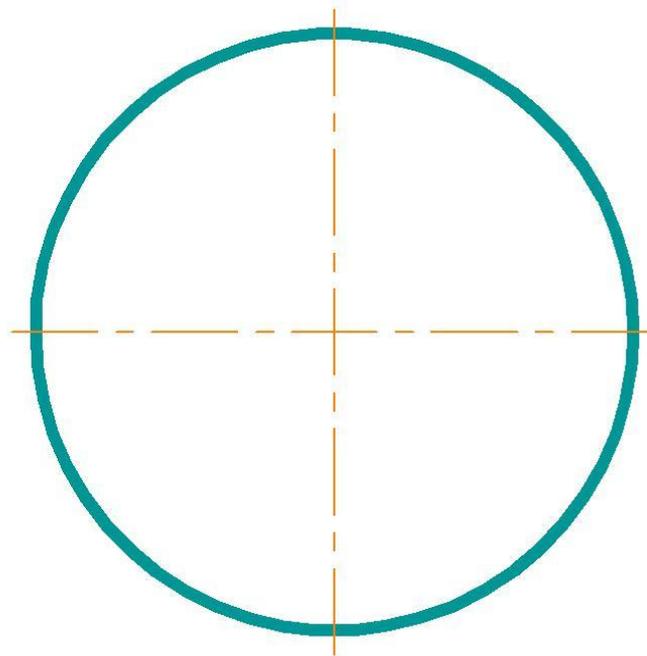

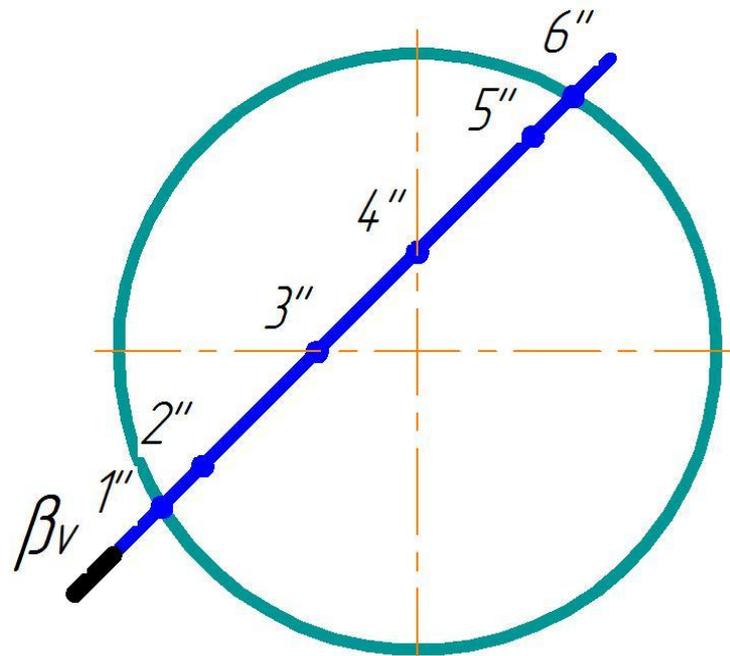

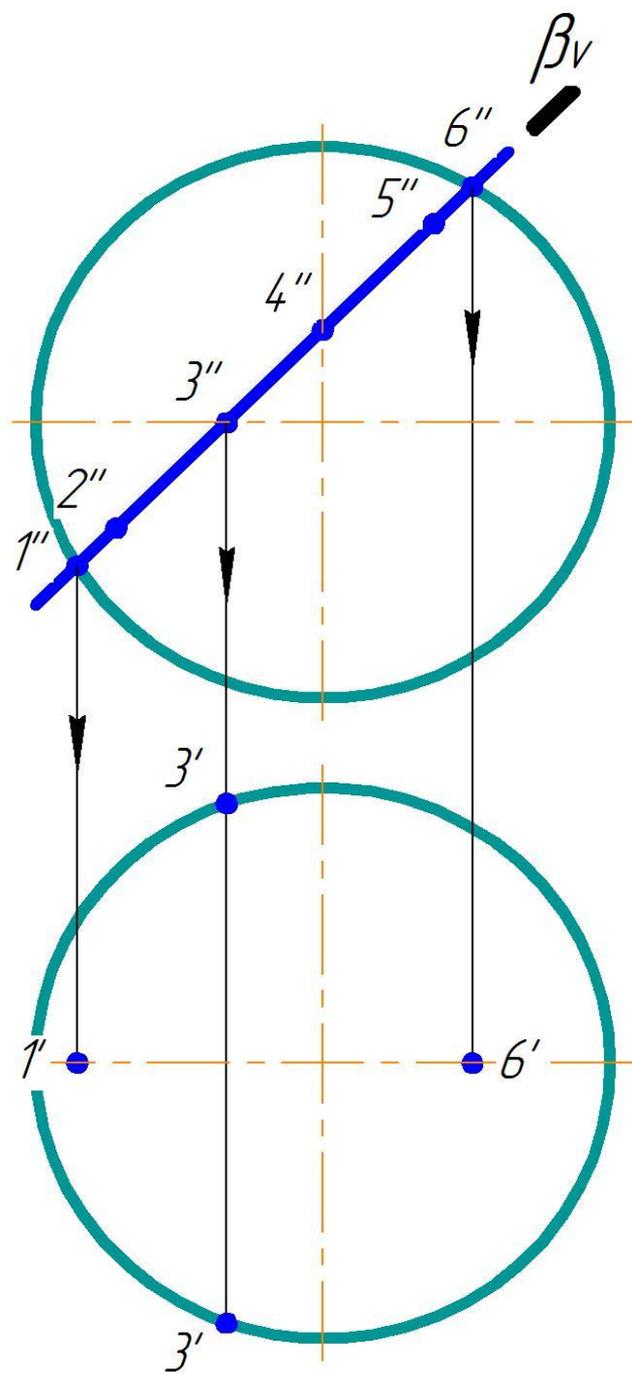

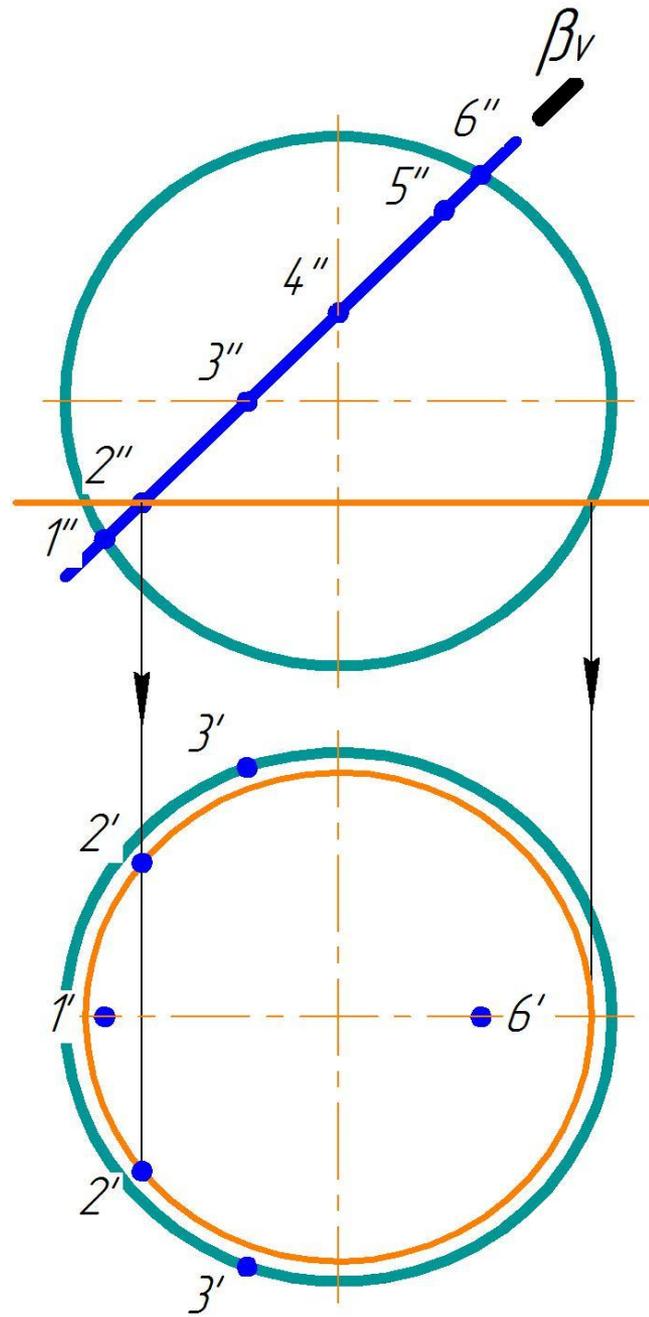

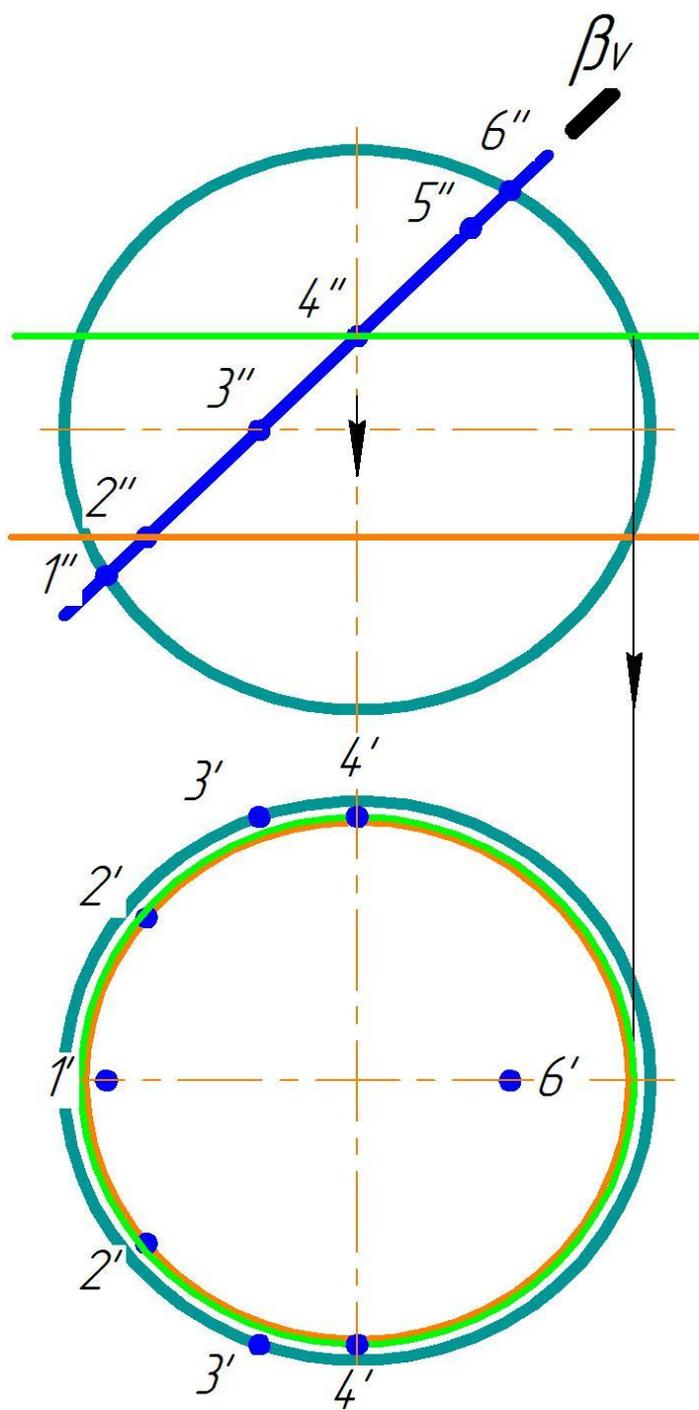

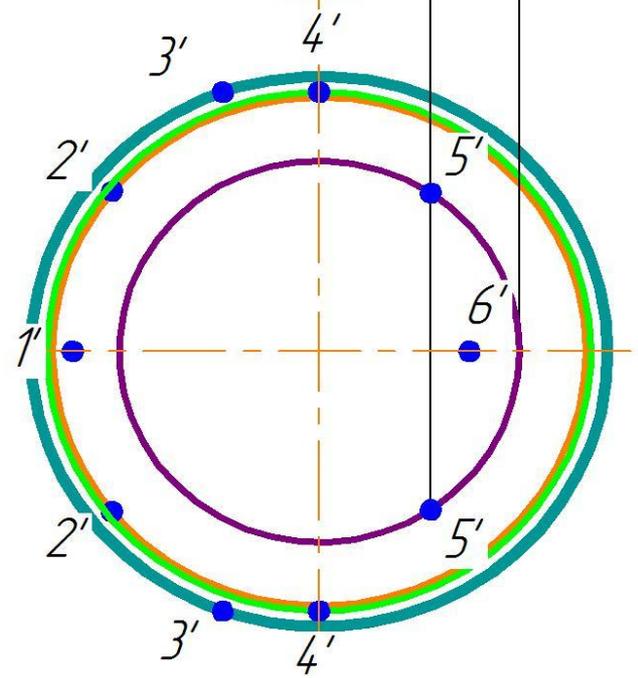

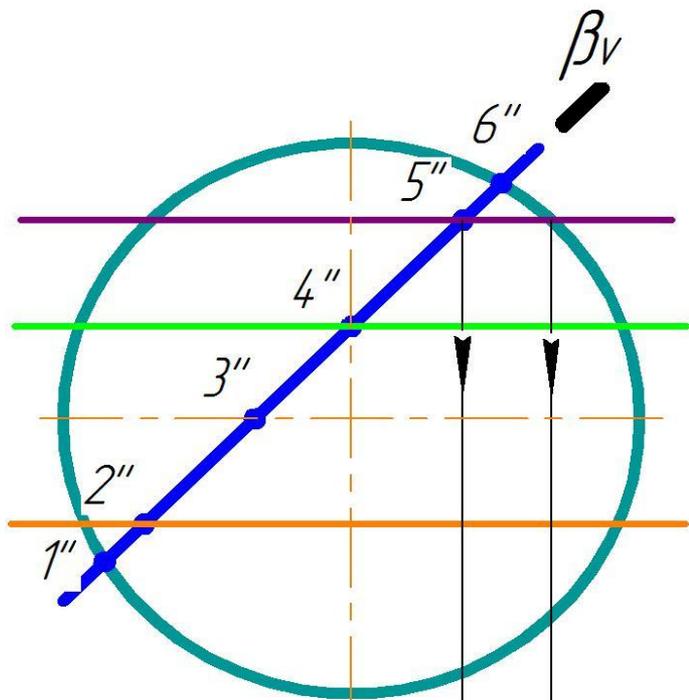

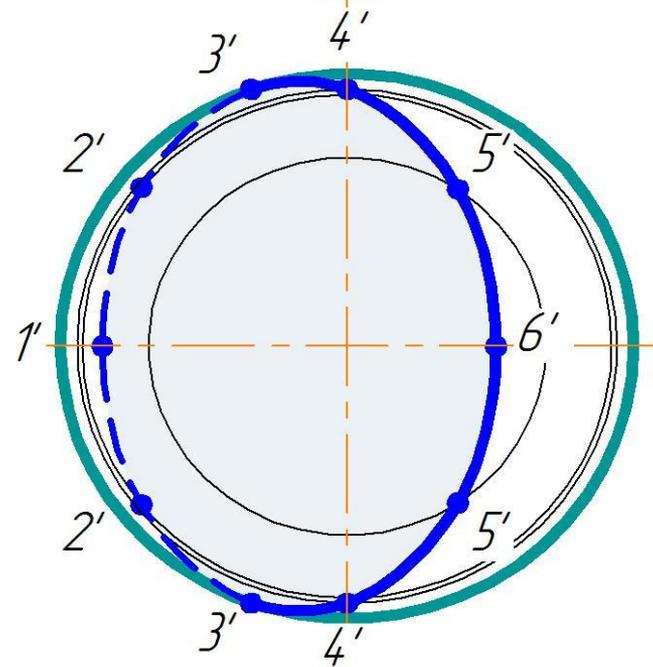

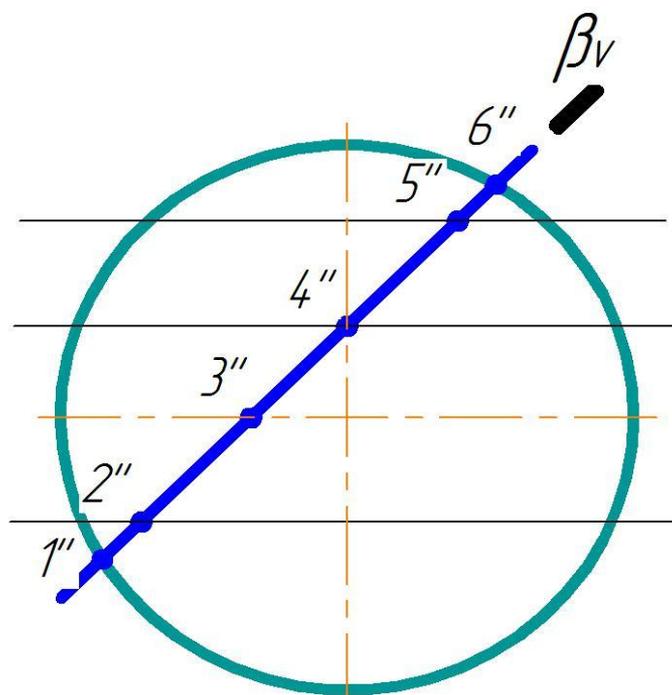

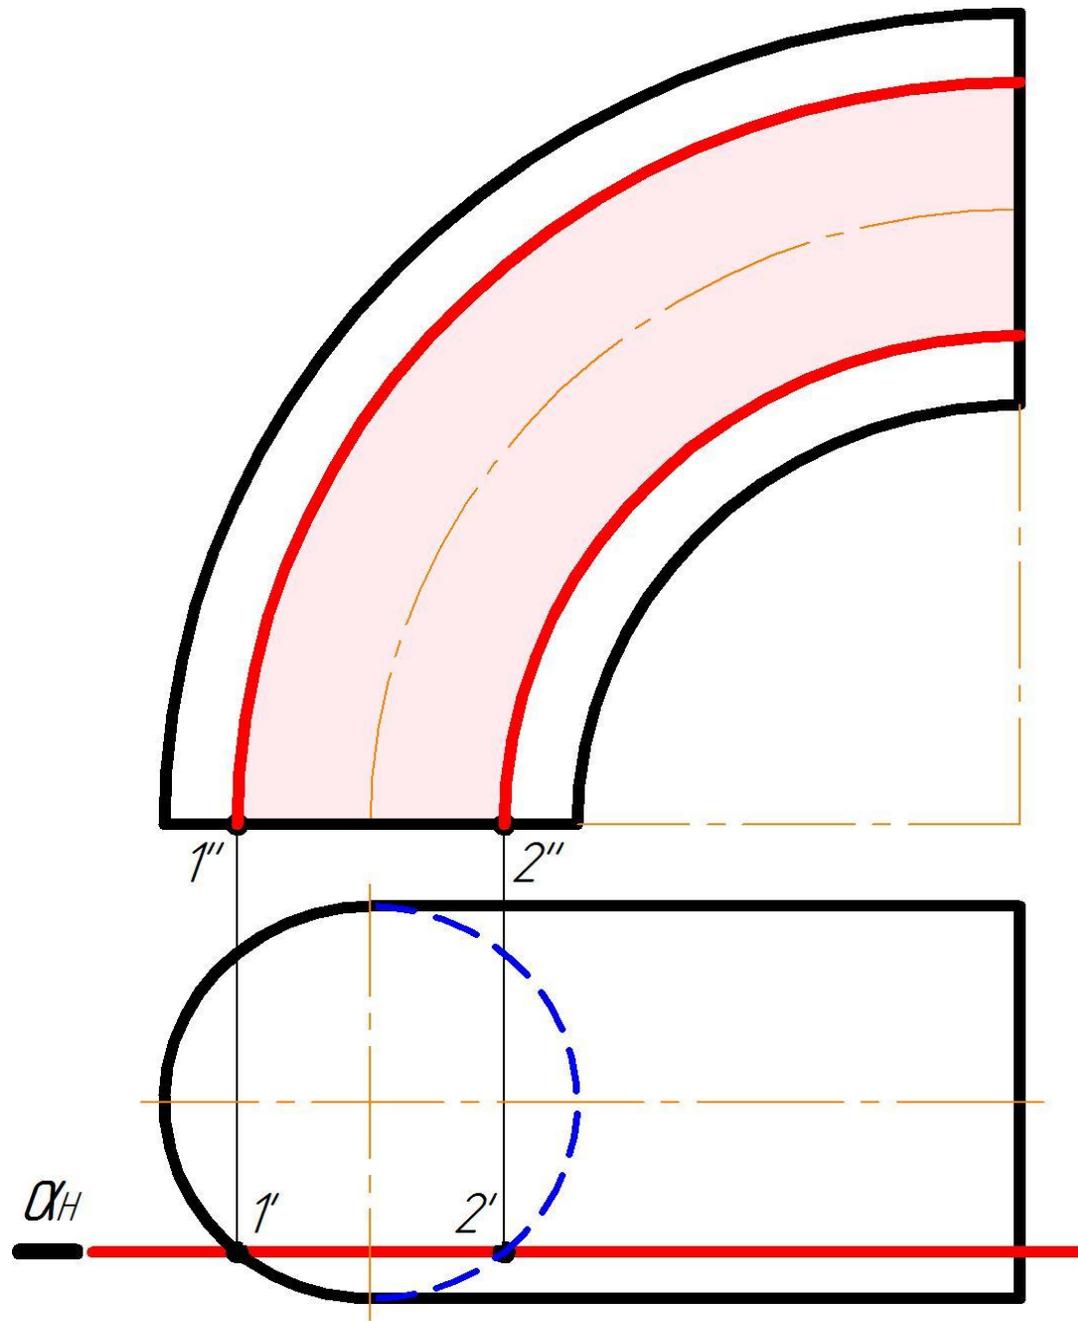

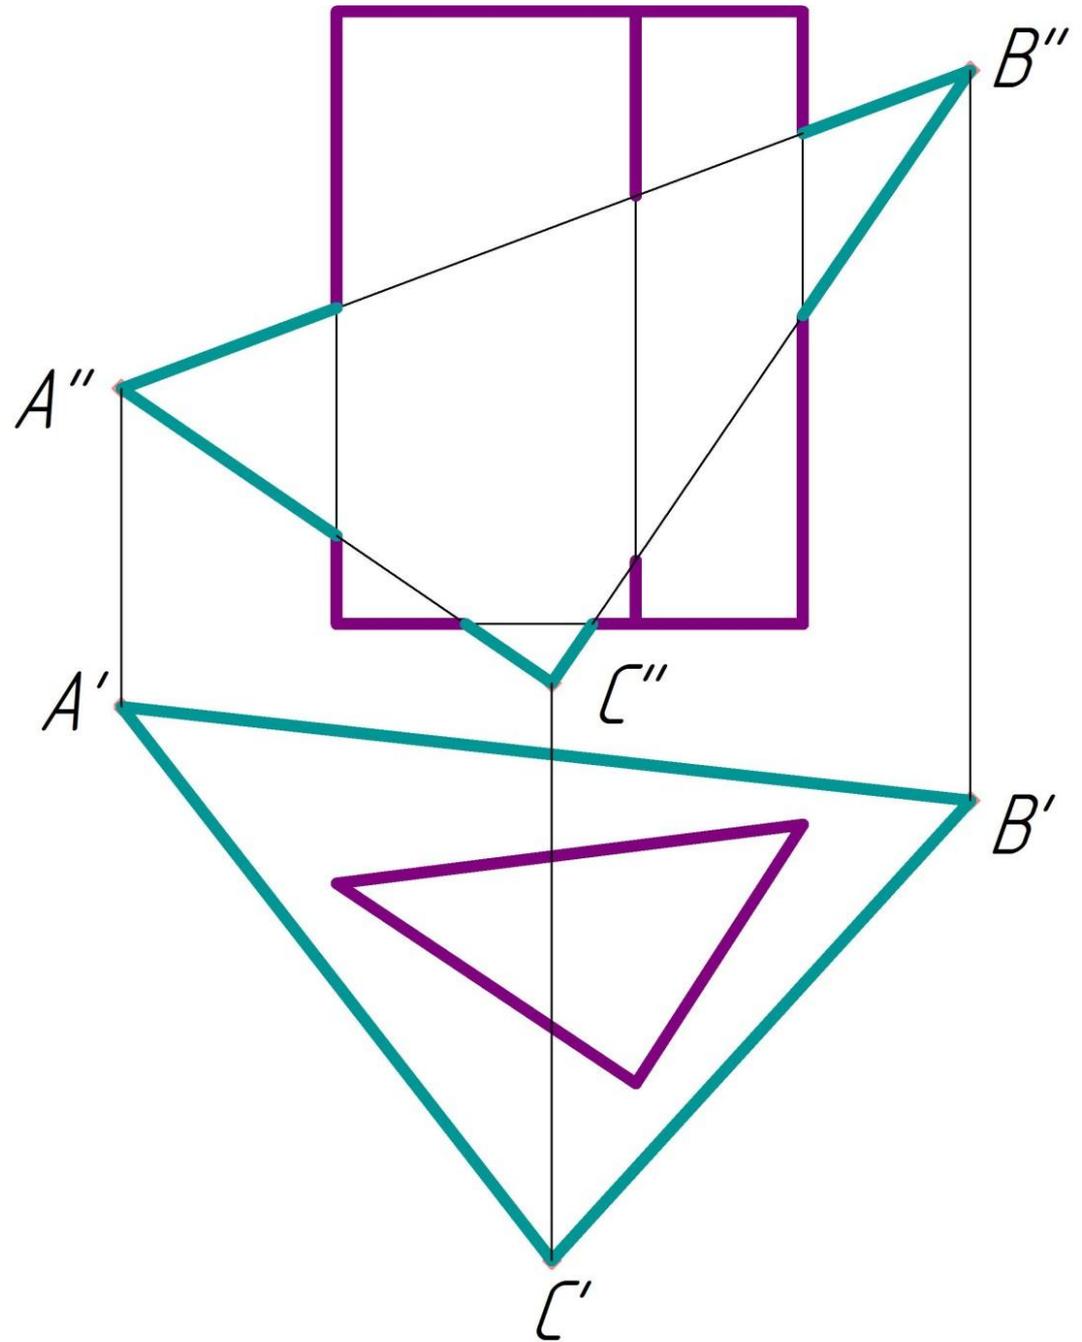

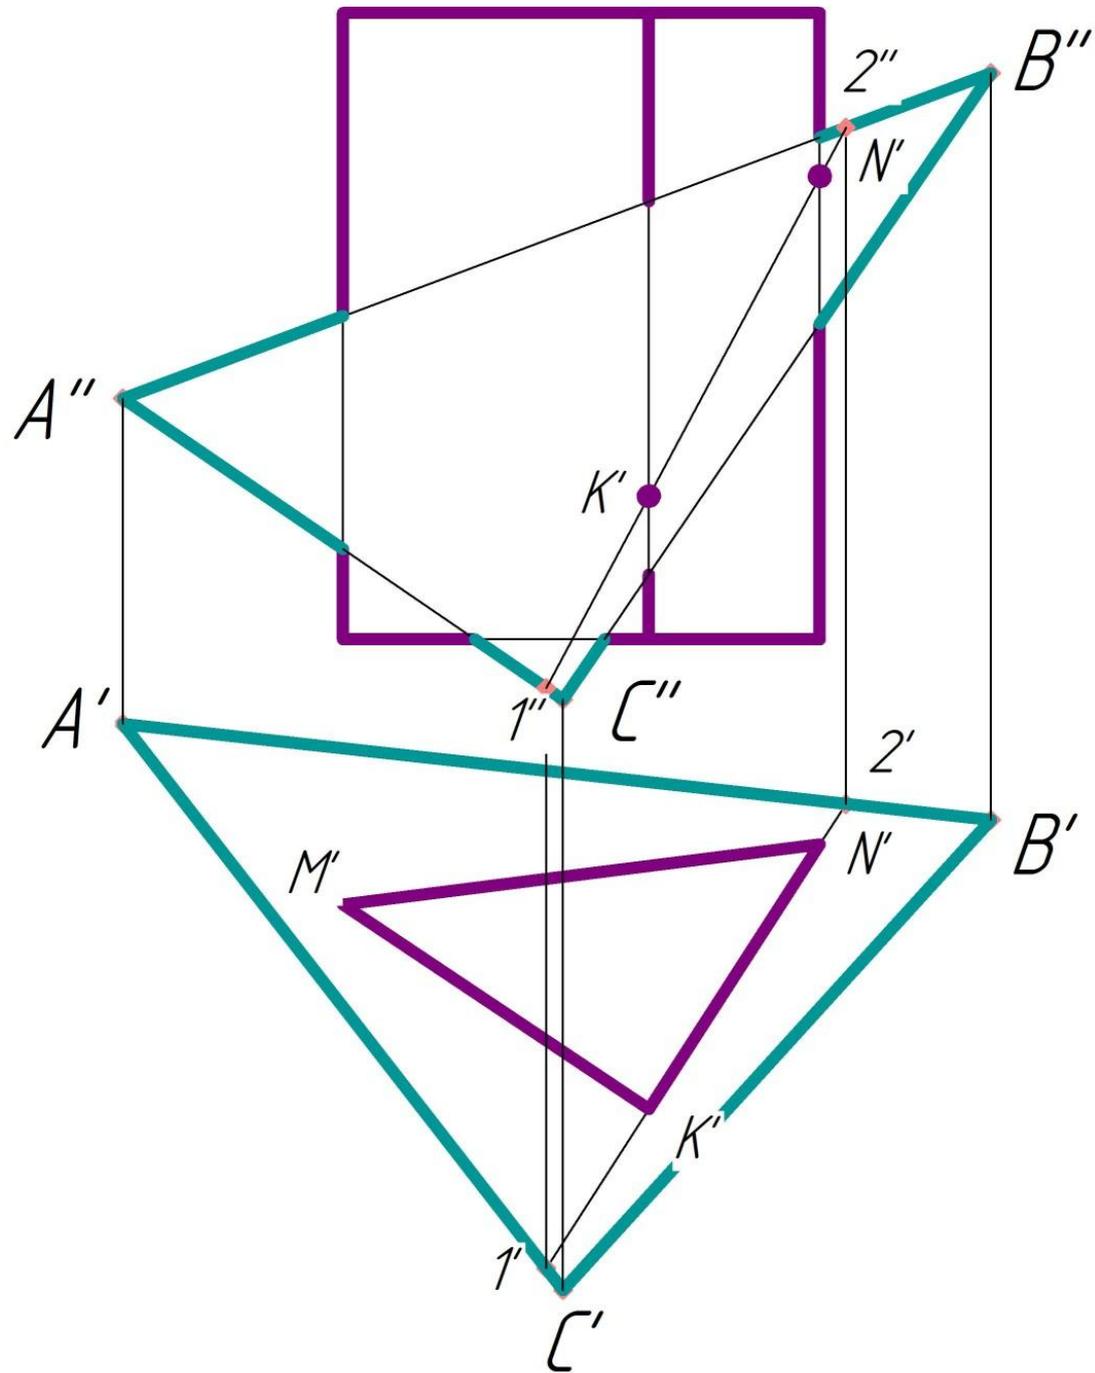

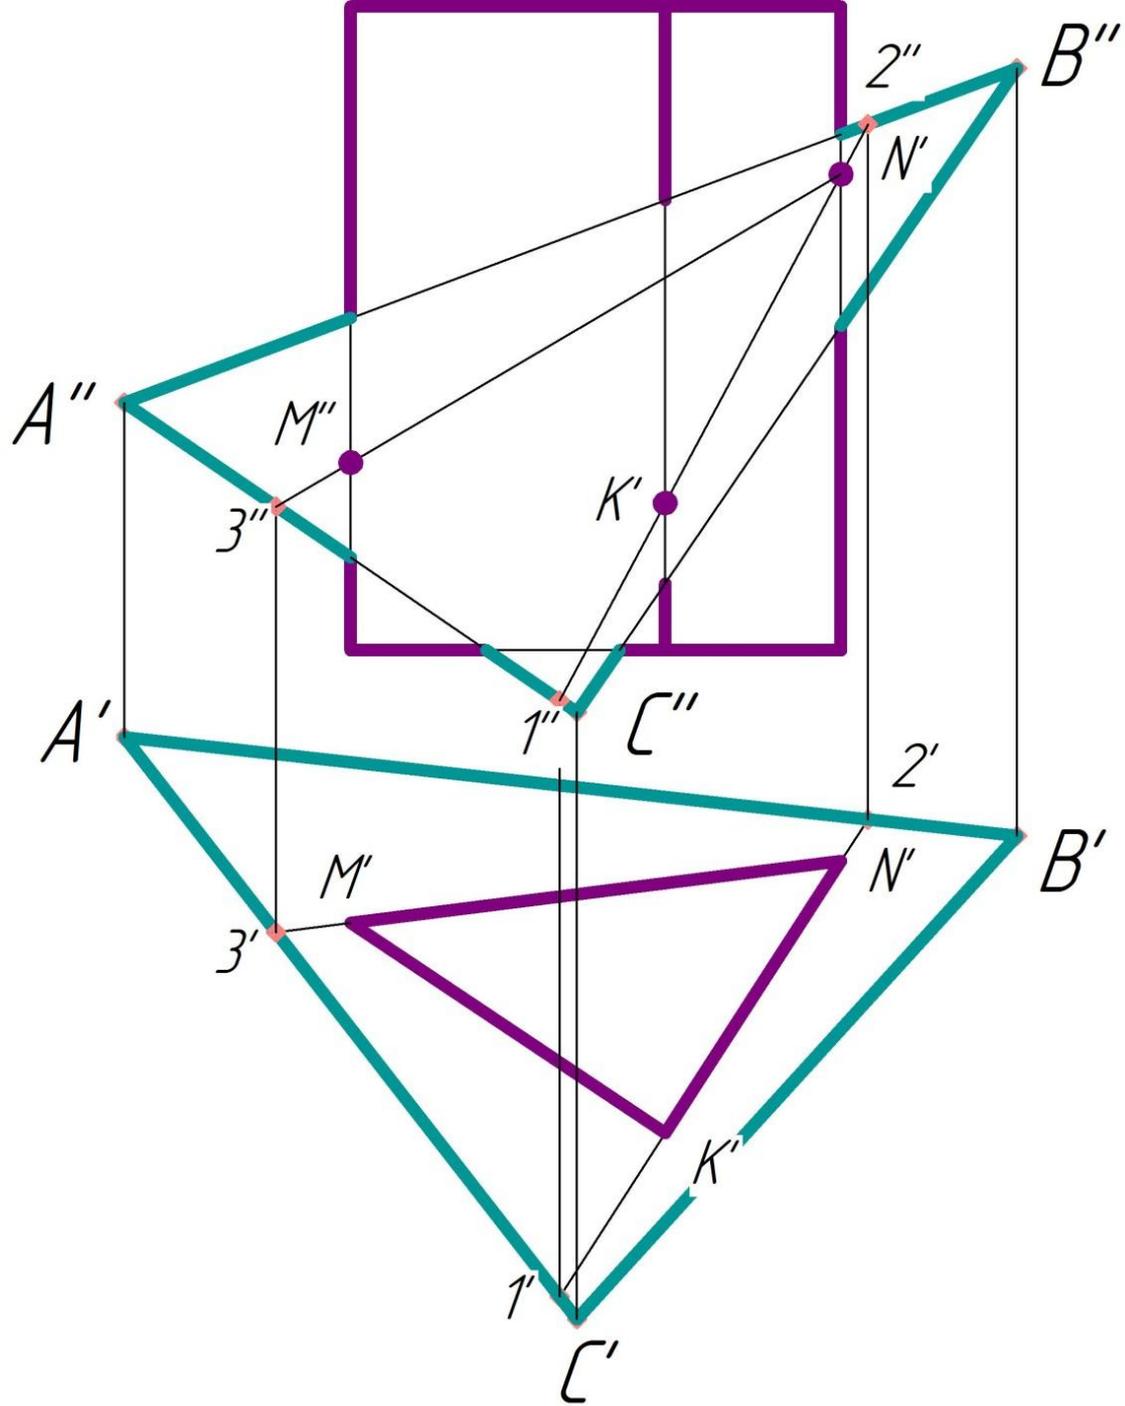

**Построить проекции линии
пересечения поверхности с
плоскостью общего положения**

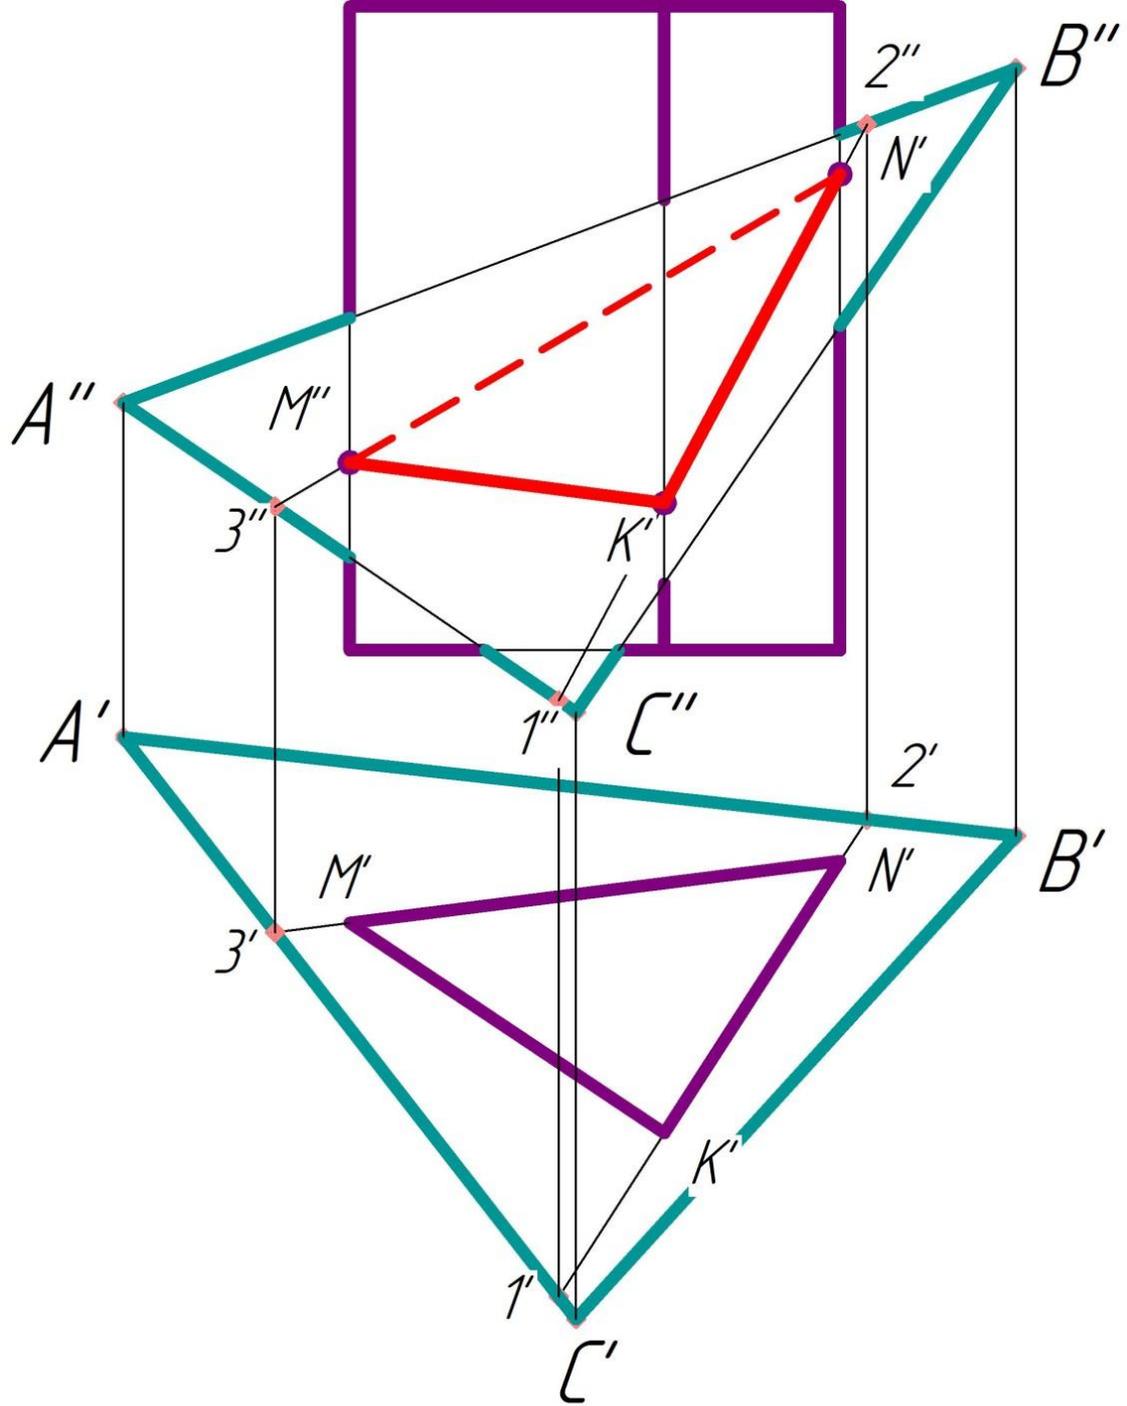

**Решить задачи
на рисунках 39 и 40 тетради-клише,
отдельно выполнить построение развертки
призмы и пирамиды**

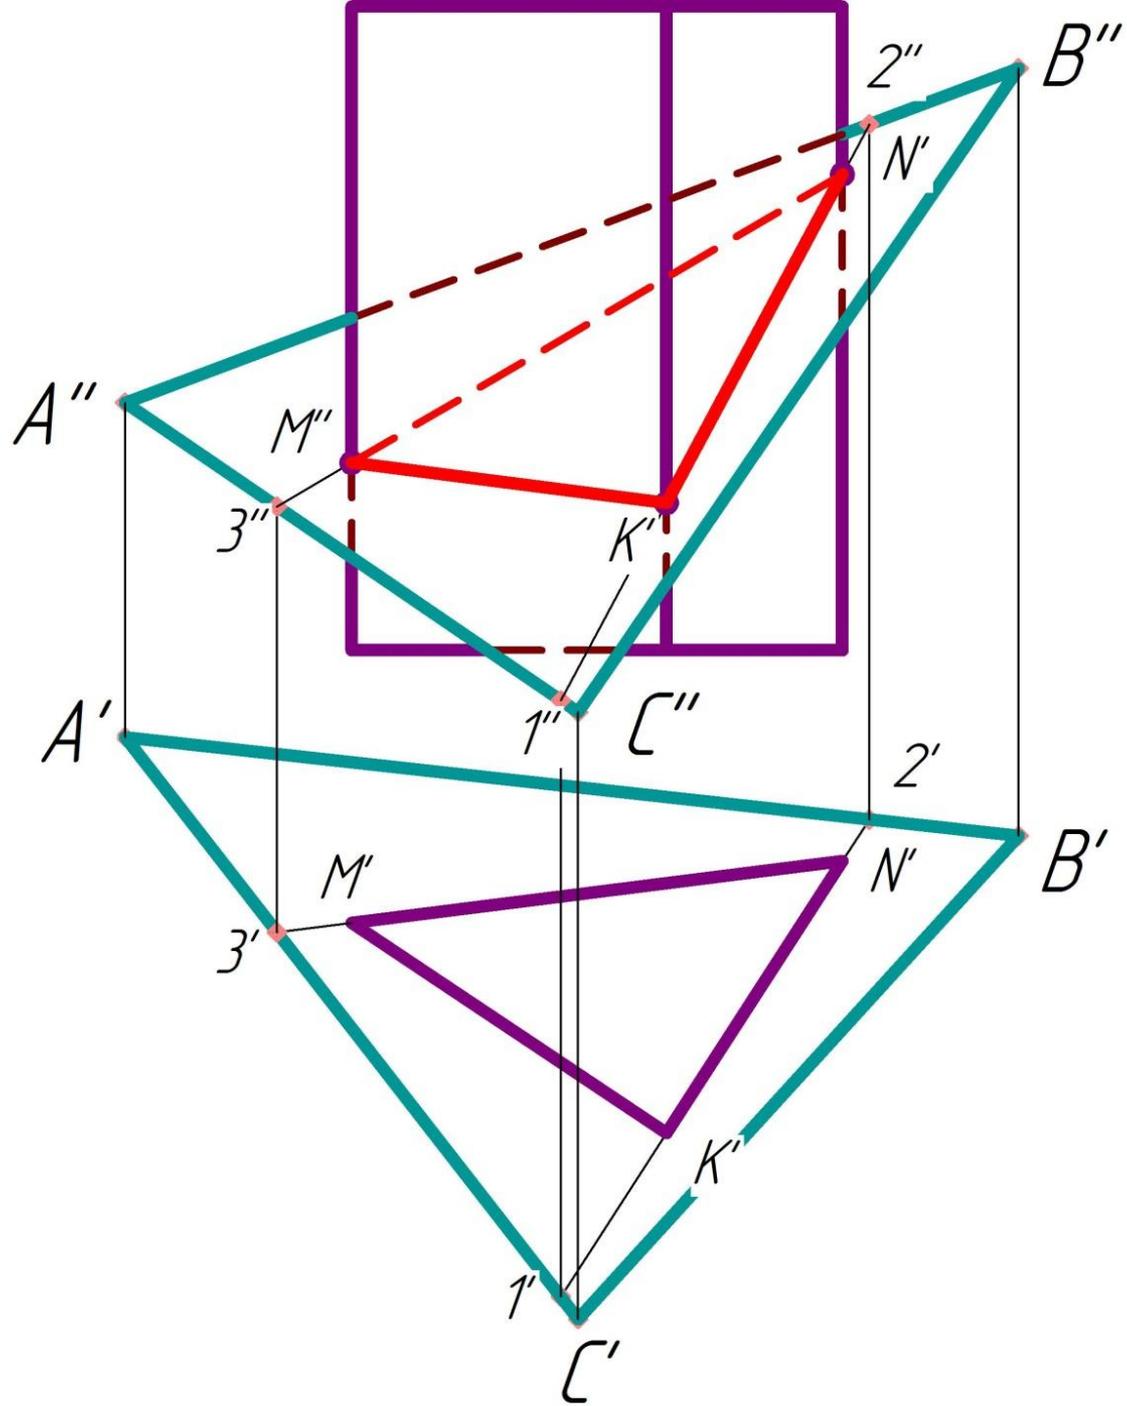

Построение разверток вложить в тетрадь-клише

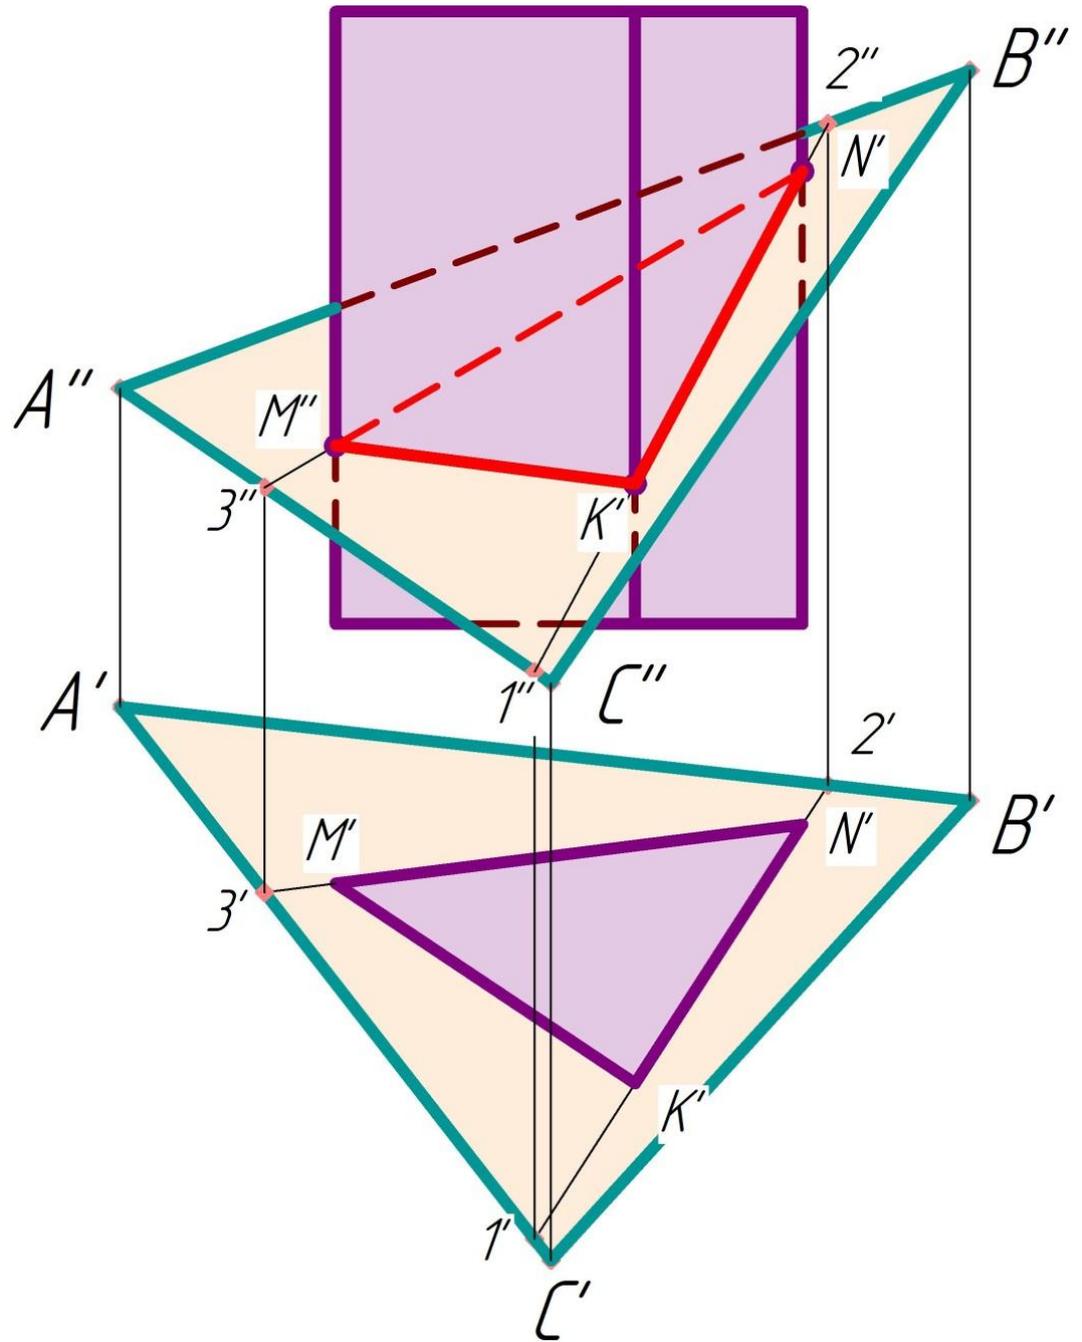

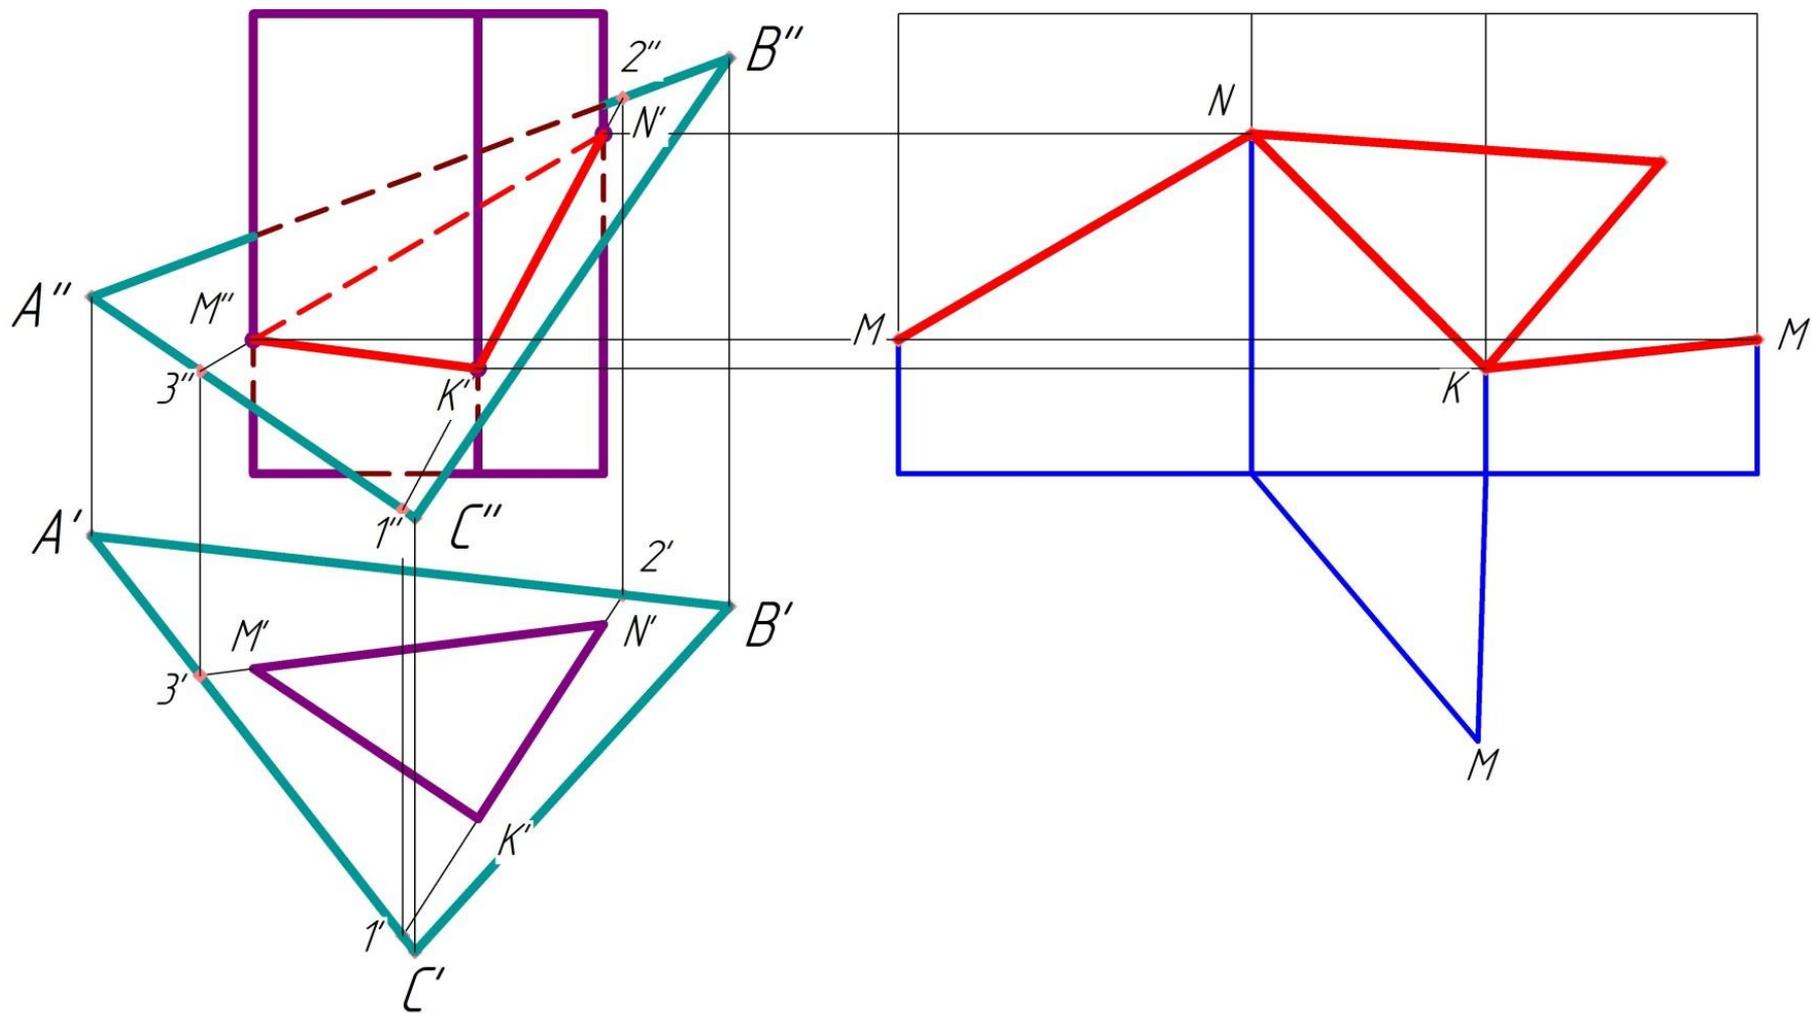

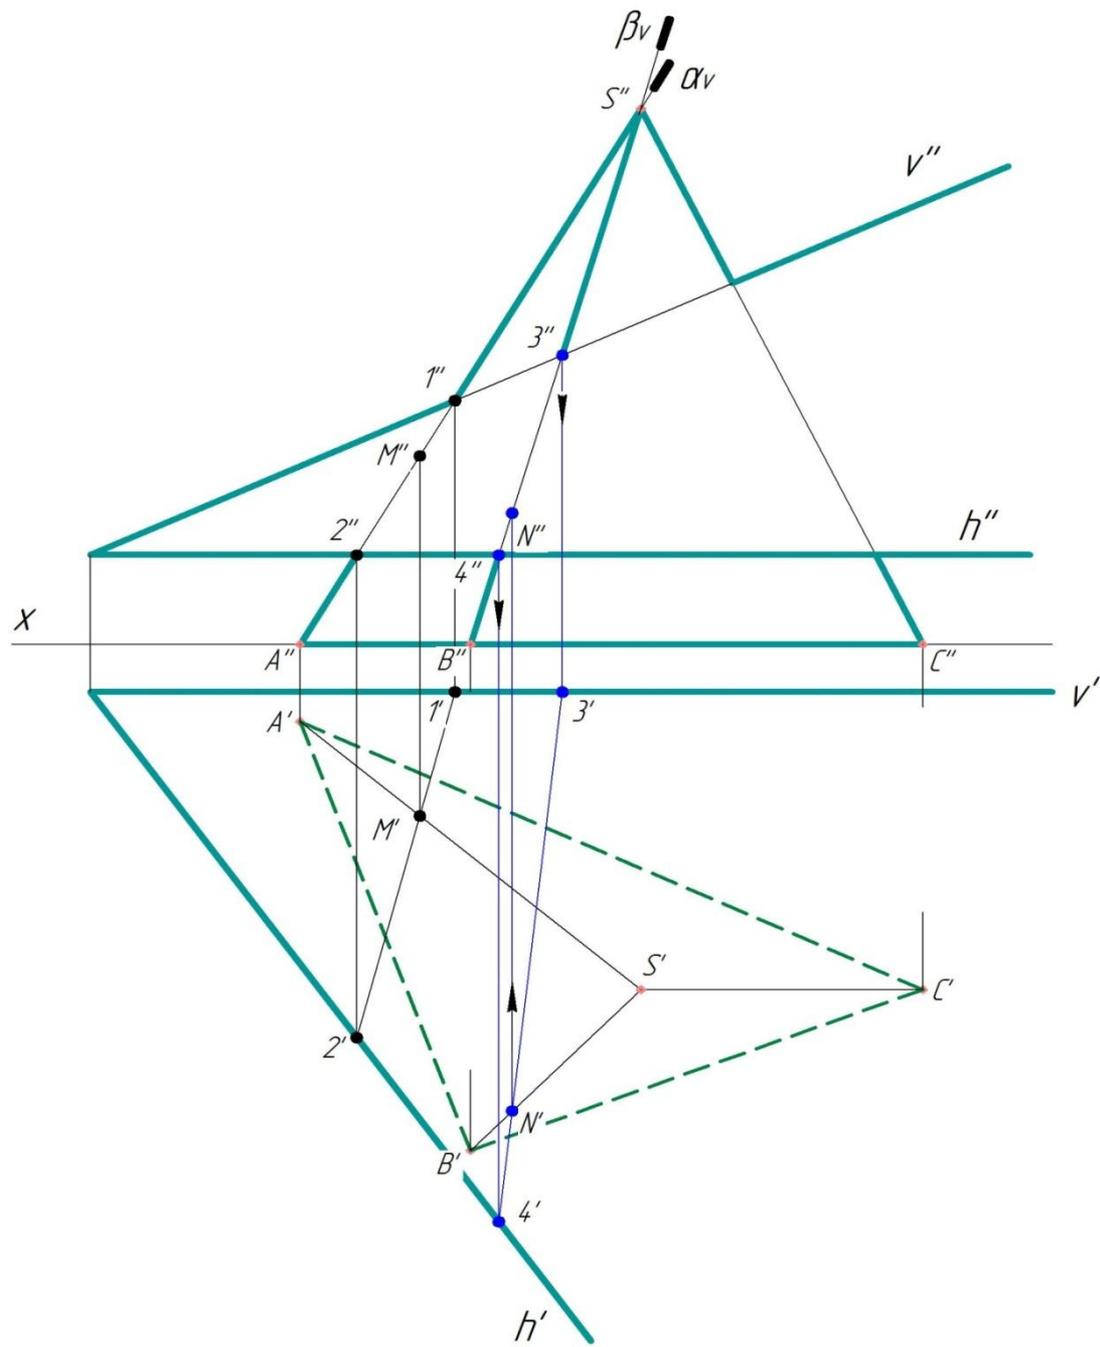

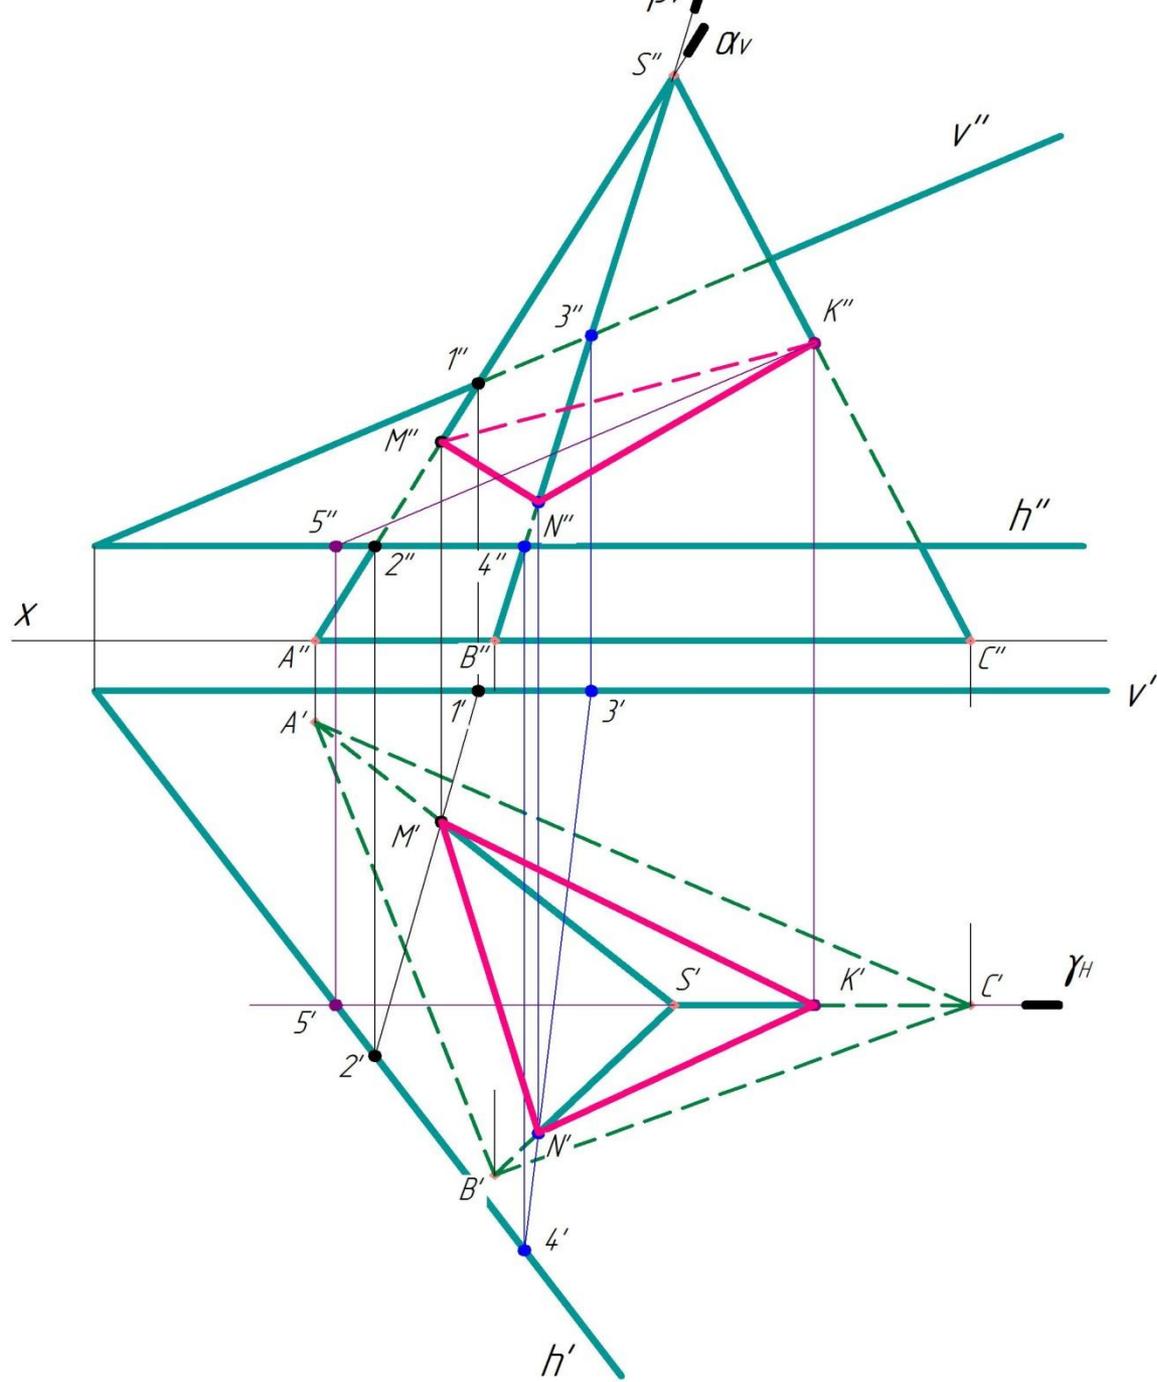

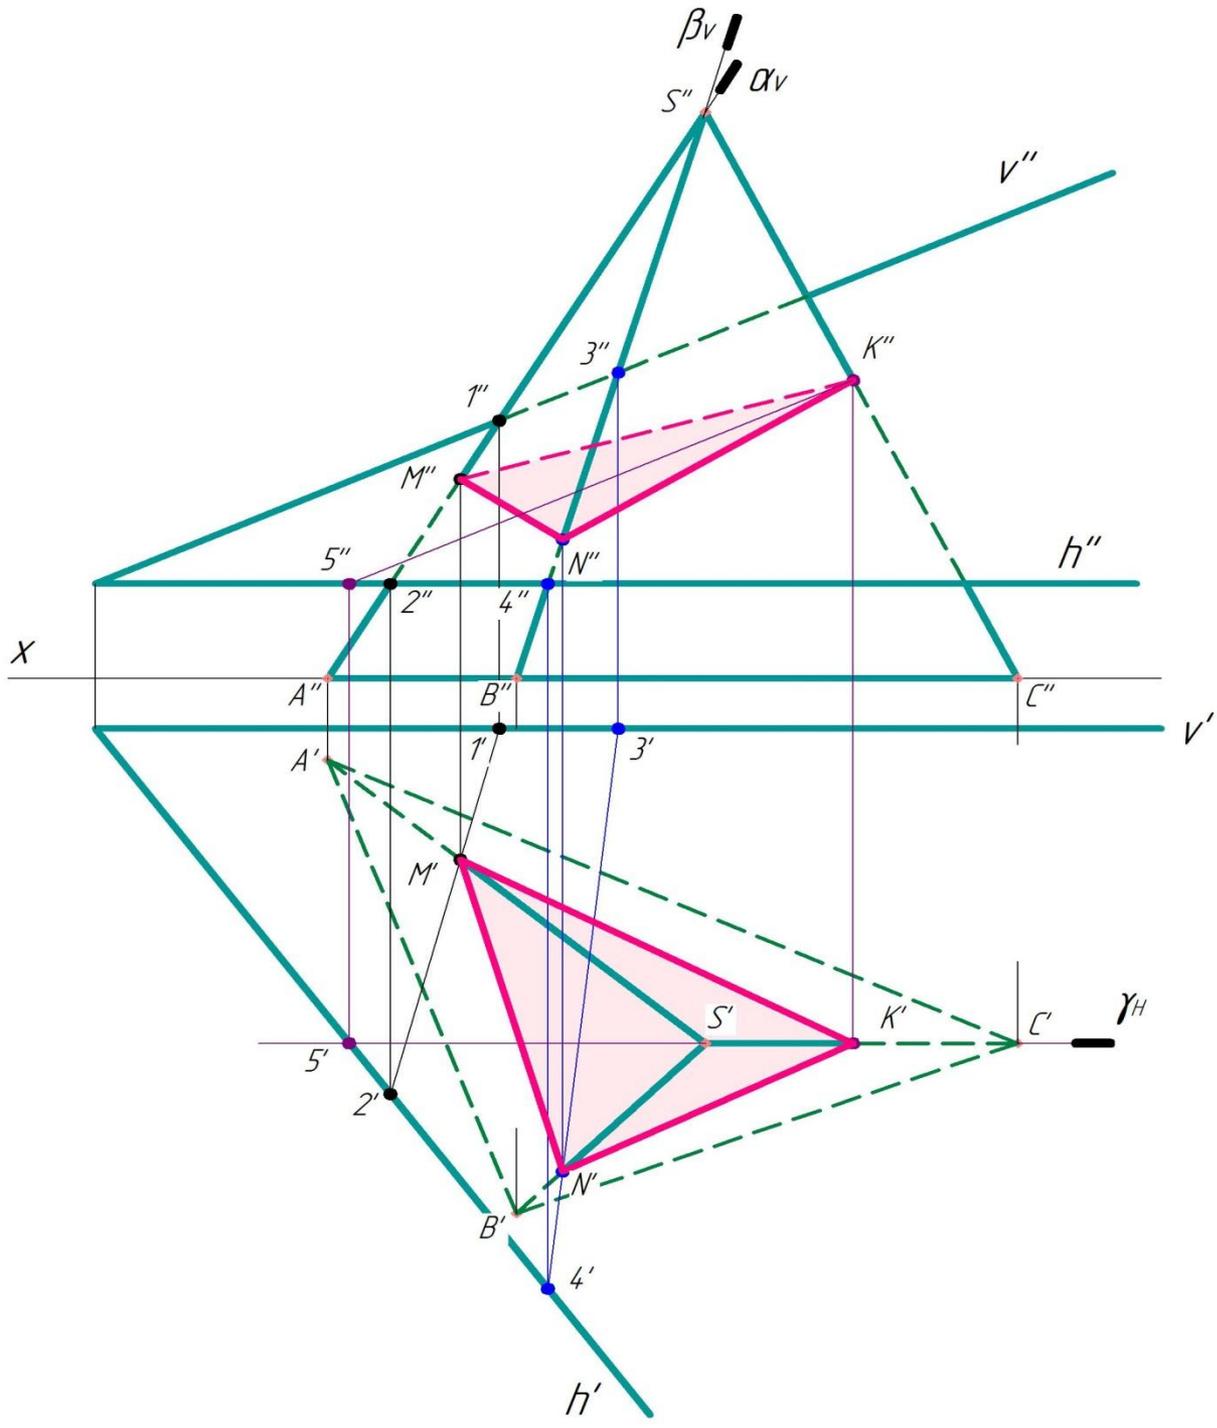

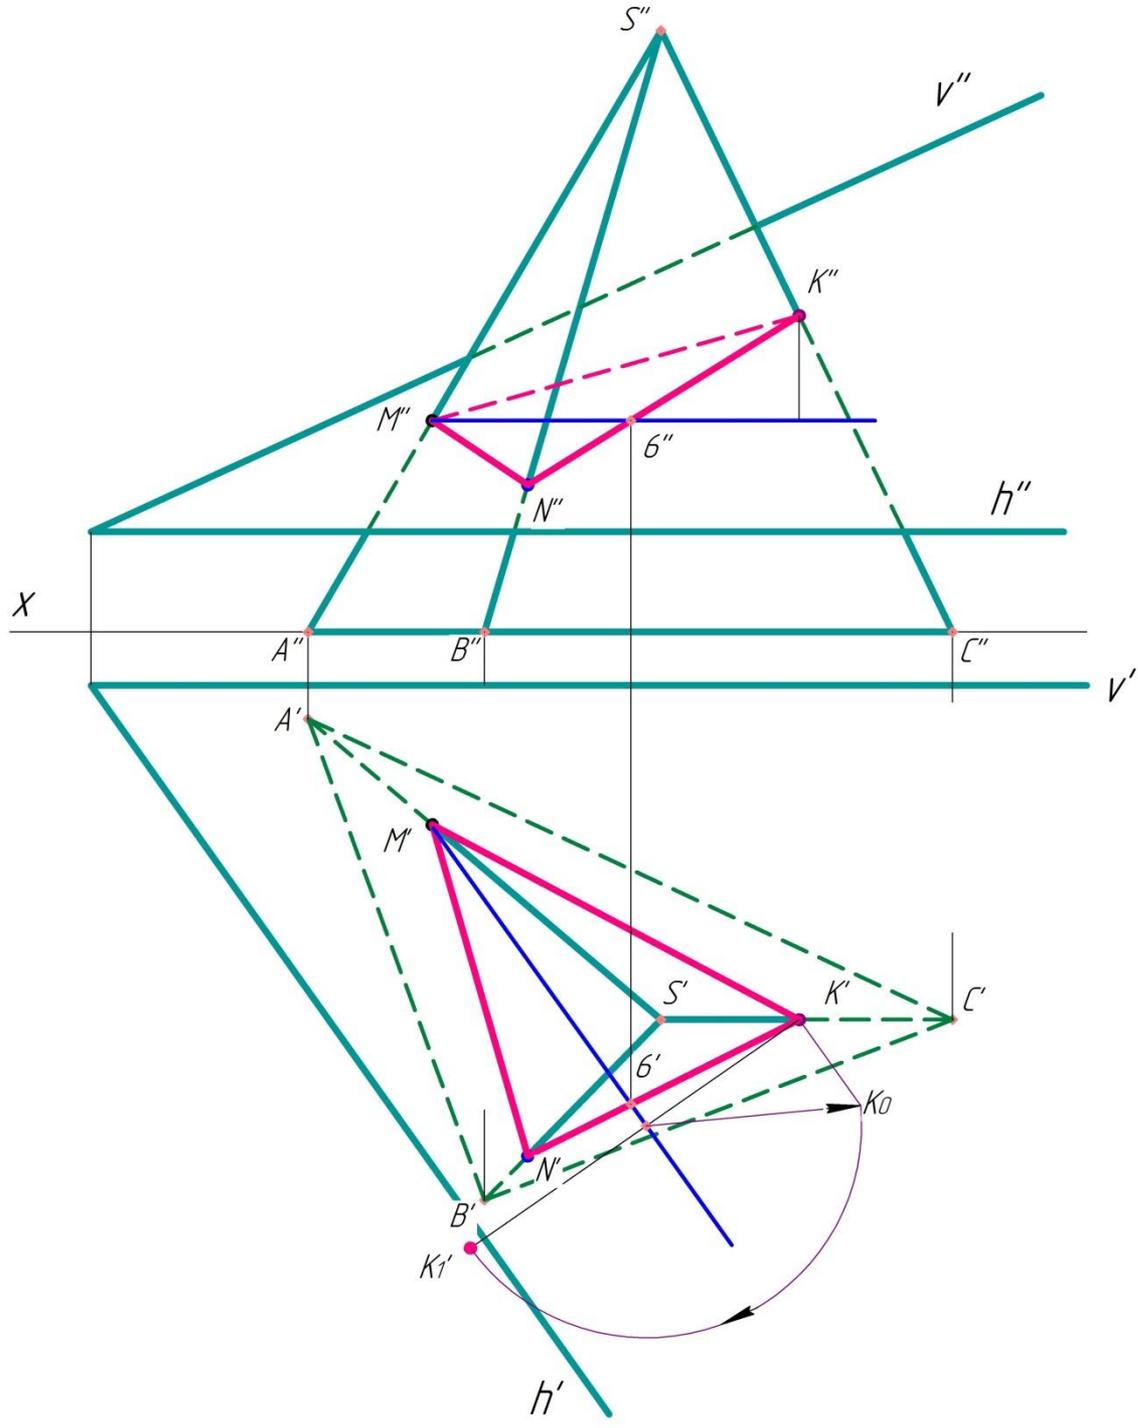

Построение развёртки.
