

The London Eye

The London Eye has become the most popular paid tourist attraction in the United Kingdom, visited by over three million people in one year. The big wheel was built in 2000 for the millennium

The London Eye
is a giant
135-metre tall
observation
wheel.

An experience on the London Eye will lift you high enough to see up 40 kilometers on a clear day and keep you close enough to see the spectacular details of the city unfolding beneath you.

The EDF Energy London Eye is centrally located in the heart of the capital gracefully rotating over the River Thames opposite the Houses of Parliament and Big Ben. At 135 metres, the London Eye is the world's tallest cantilevered observation wheel, offering breathtaking 360 degree views of the capital and it's famous landmarks.

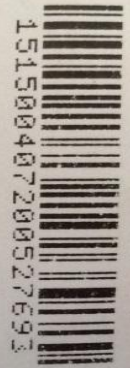

This ticket includes entry into our 4D Experience - a four minute show.
Boarding commences from the boarding gate 30 minutes before your experience.
