

Advertising media

Student: E. Gerasimova

GMU 2-4

Teacher: E. Mikhailova

Content

Introduction

- TV advertising
- Radio advertising
- Printed publications
- Internet advertising
- Outside the house

Conclusion

Reference

Introduction

How to choose the right media? How to present information?

Types of advertising media

TV advertising

for all people

not for all products

Radio advertising

old school

transport

Printed publications

for professionals

for specialization

Internet advertising

cheap and fast

accurately and effectively

Outside the house

visual trash

city decoration

Conclusion

it all depends on your product
