

Анотация

Далеко не всегда можно приобрести развивающую игру «Геокоонт» для каждого воспитанника группы, но достаточно просто изготовить их своими руками. Но в таком случае возникают проблемы со схемами для игры. Поэтому предлагаю готовые схемы, которые можно использовать как раздаточный материал, так и как демонстрационный материал.

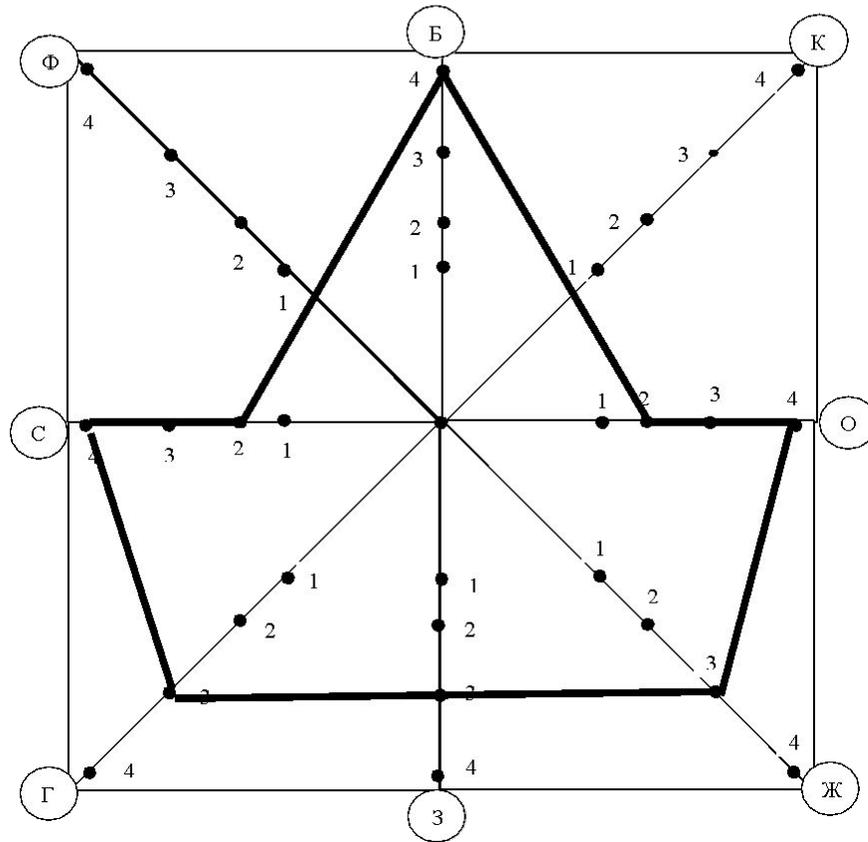

Флажок

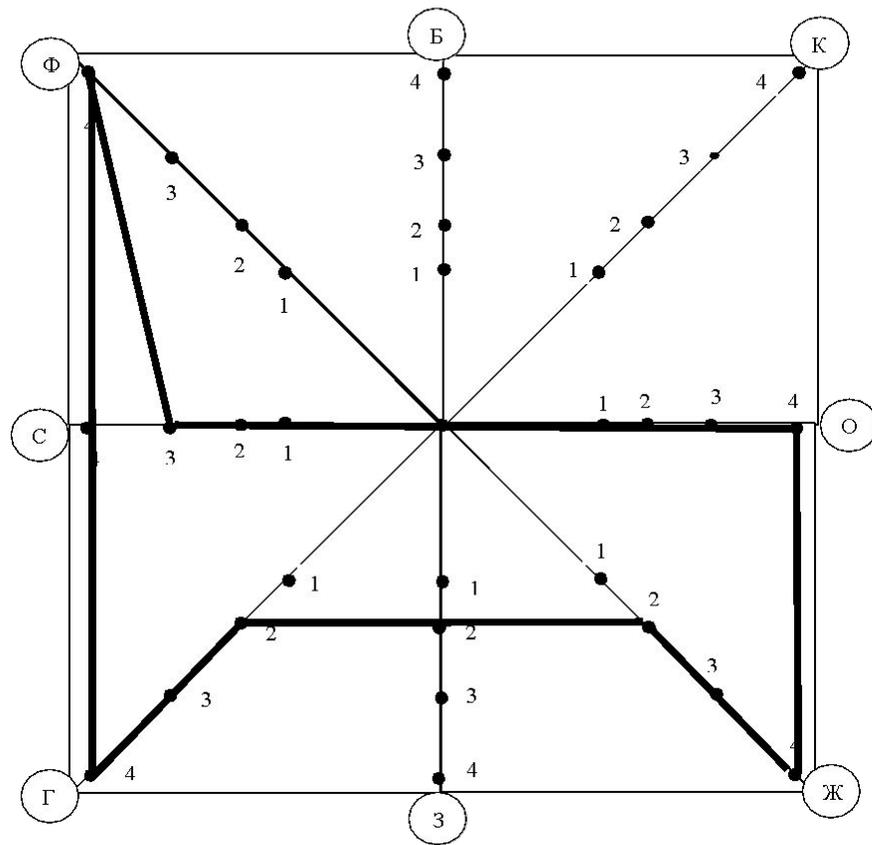

Колокол

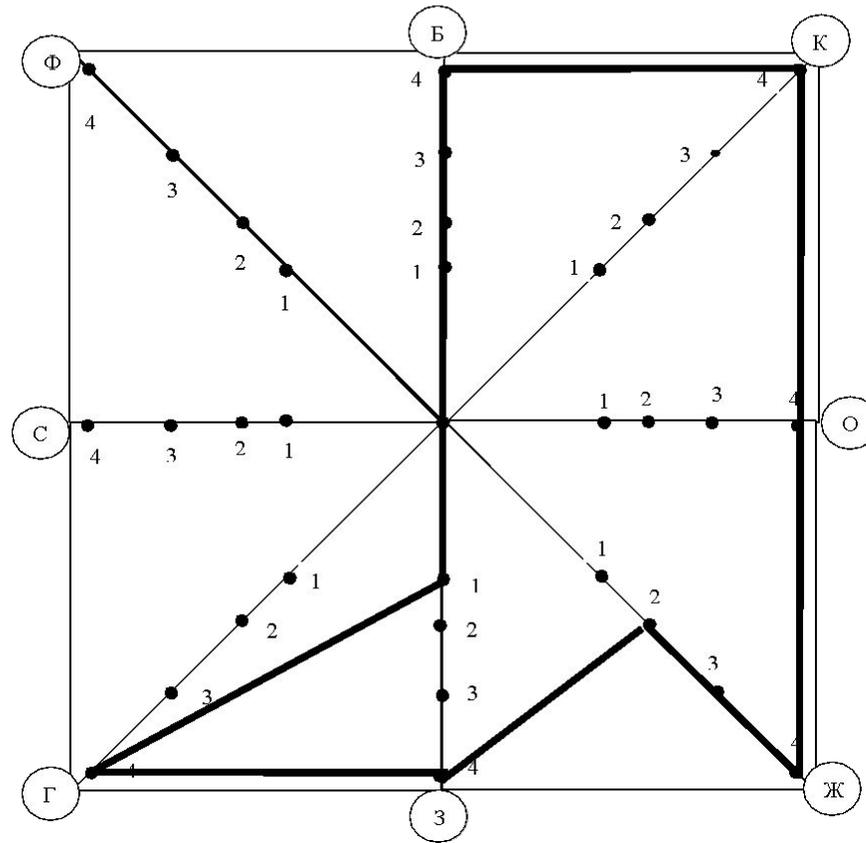

Кораблик

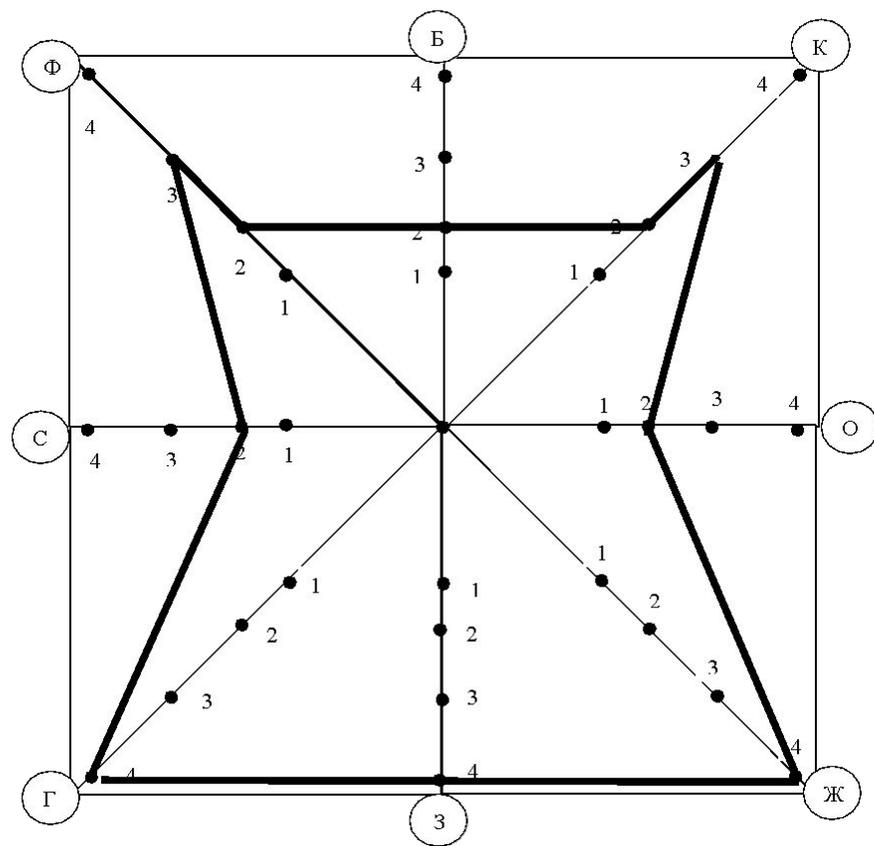

Кресло

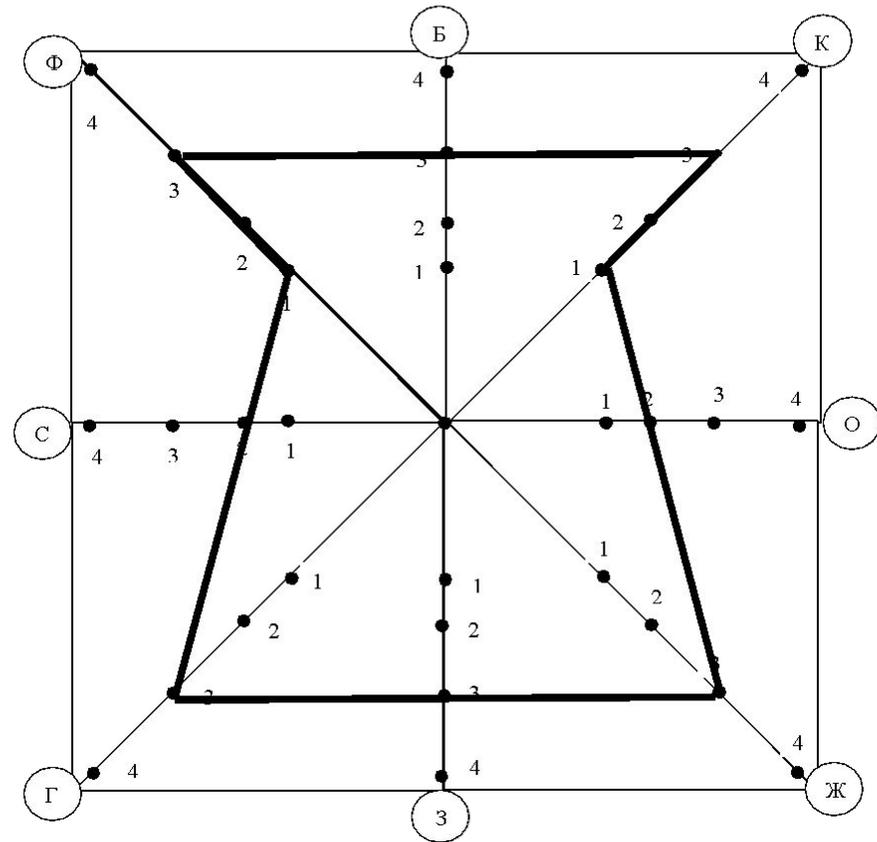

Сапожок

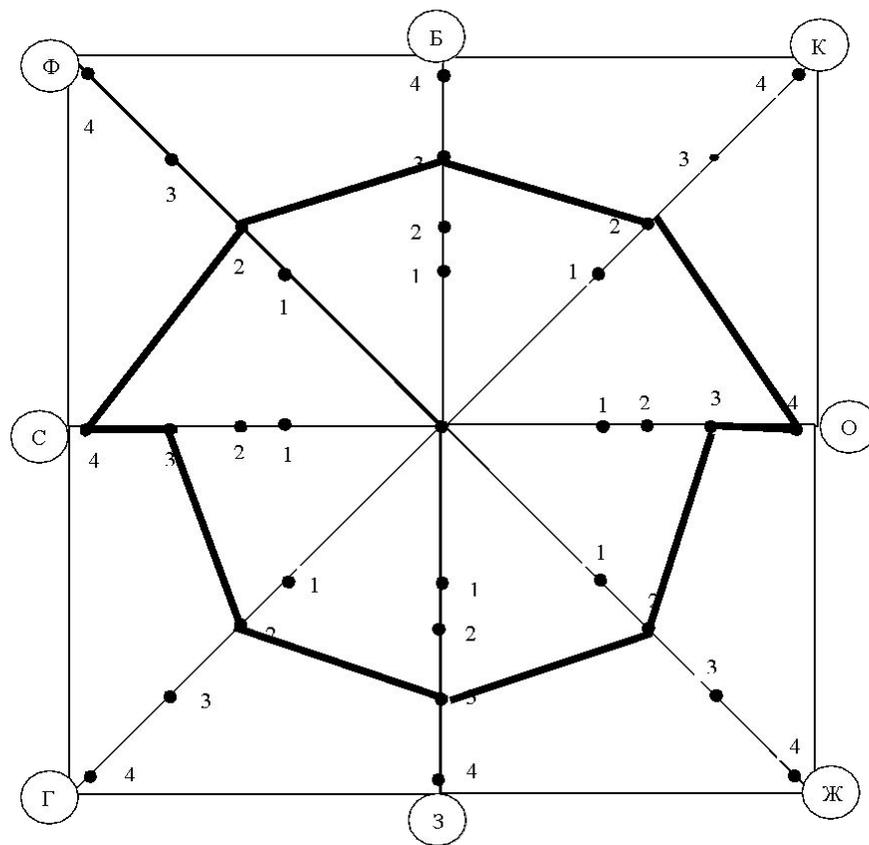

Сарафан

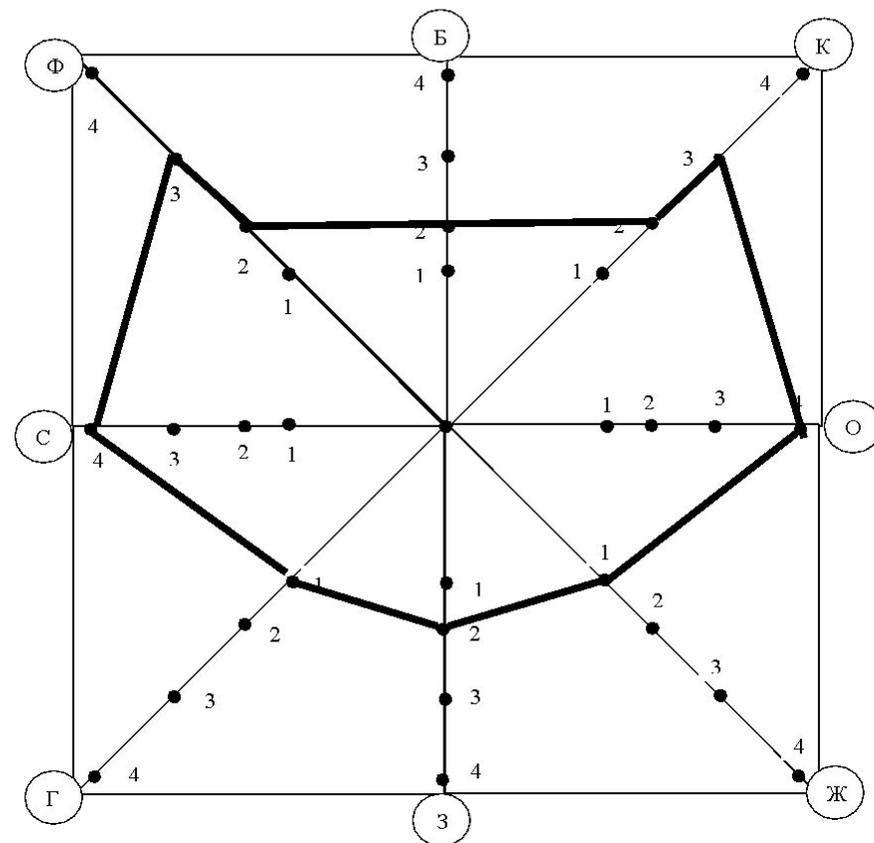

База

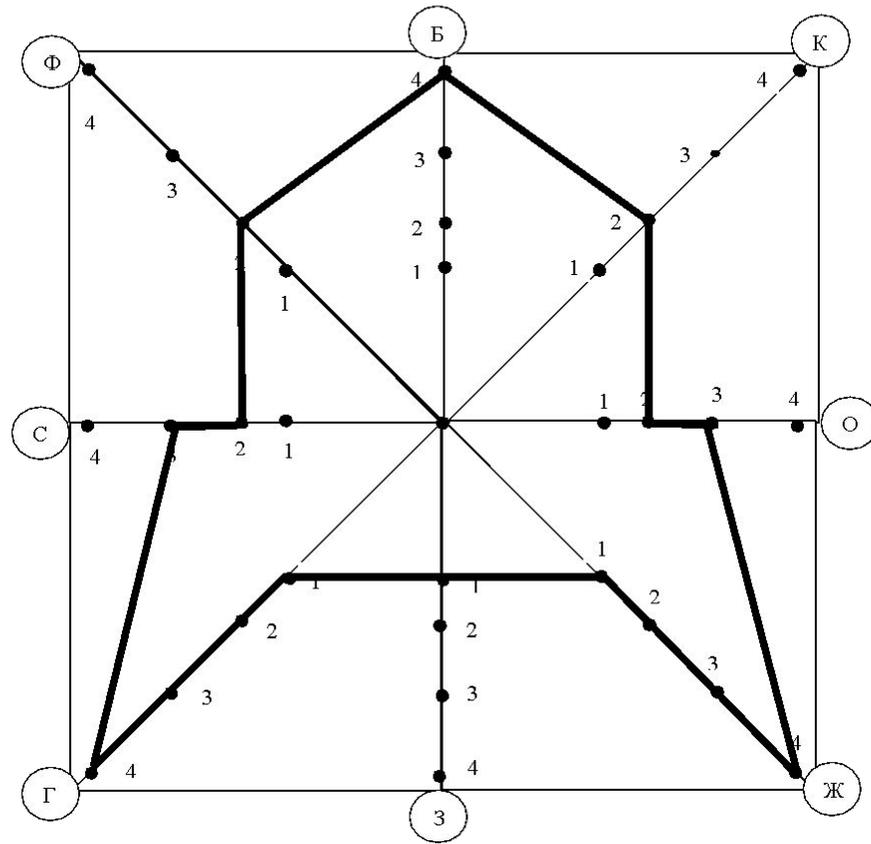

Девочка

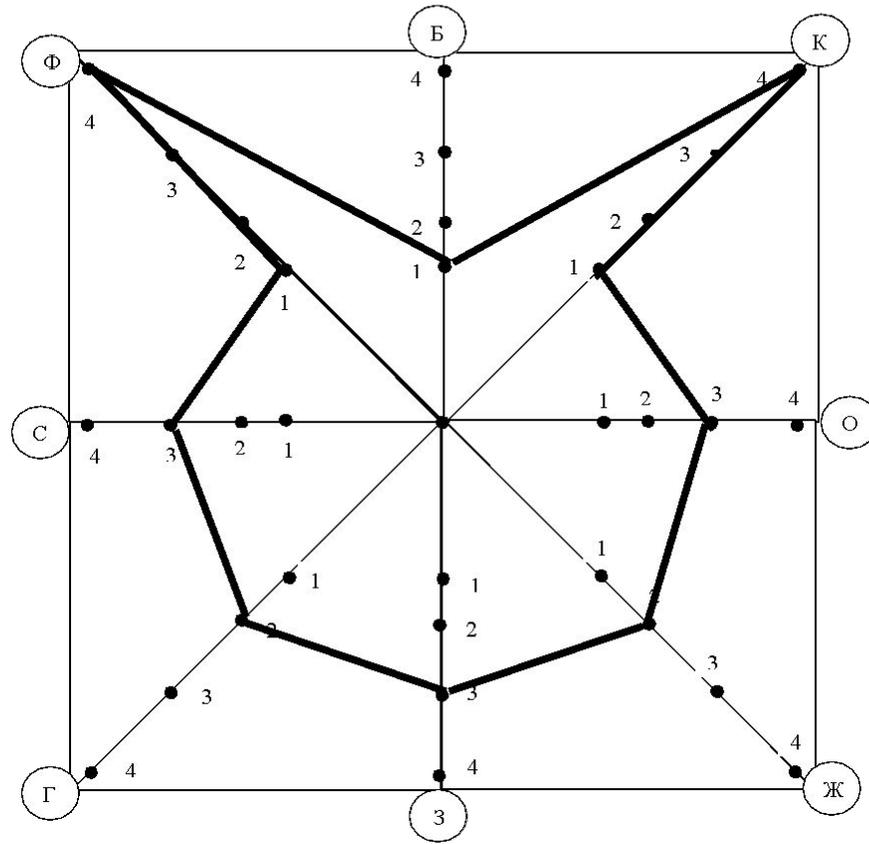

Котенок

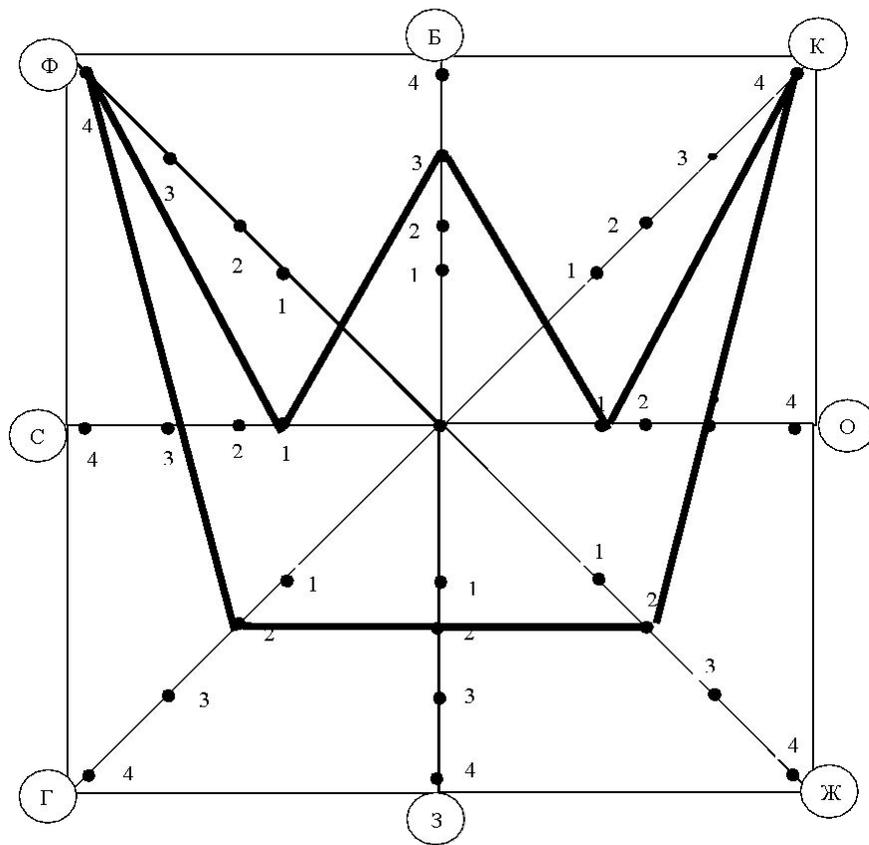

Лягушка

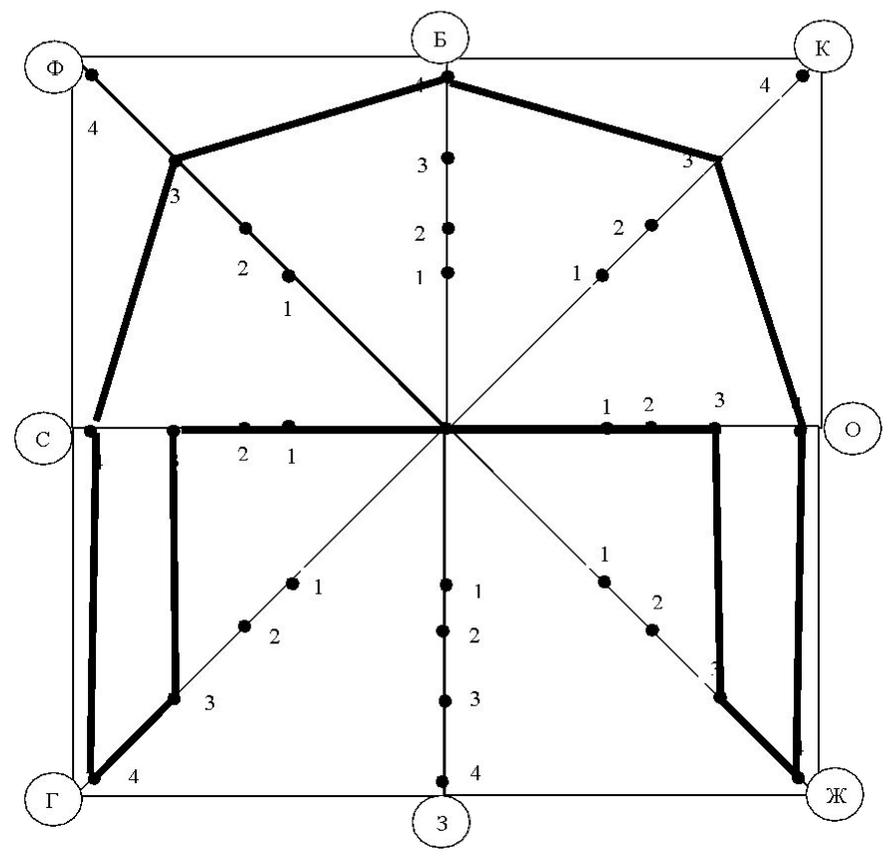

Заяц

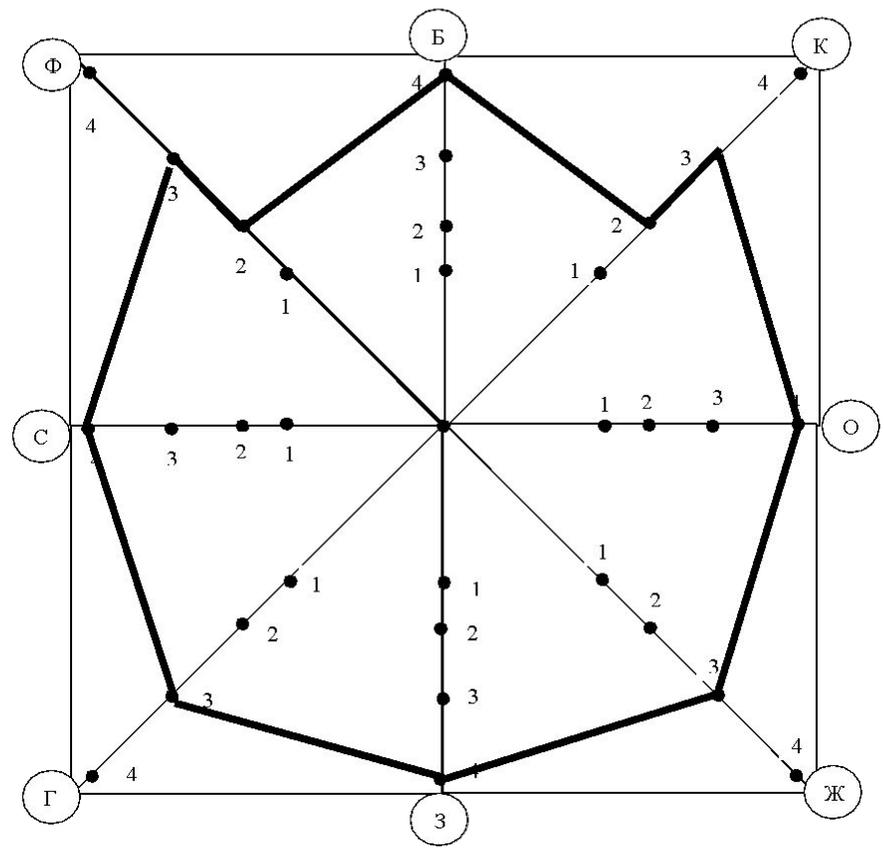

Корона

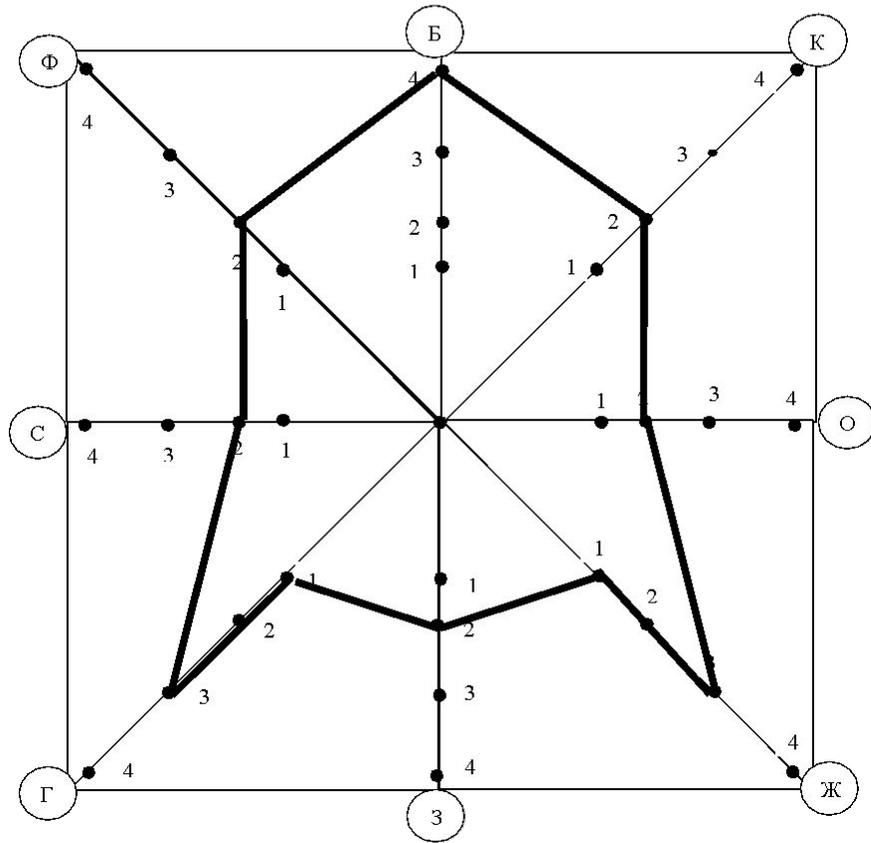

Шлем

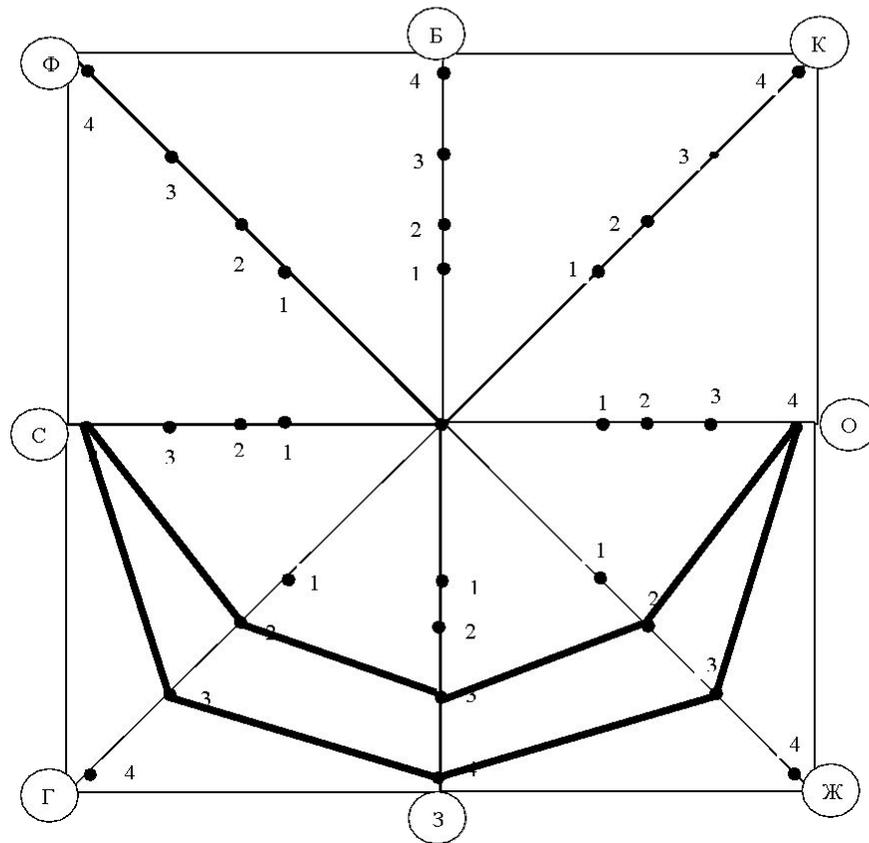

Кувшинка

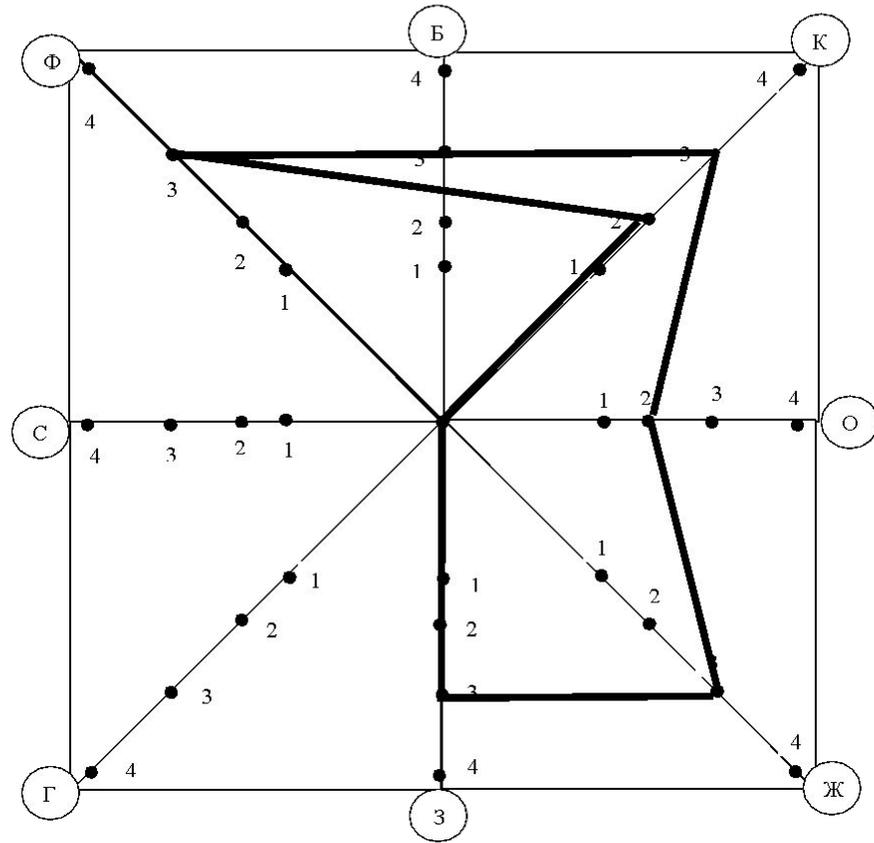

Ракета
