Presentation purpose: to show listeners my enterprise, to interest future visitors.

So, I present to your attention my enterprise - «FITNESS» sports hall.

This company is based on the provision of sports services to customers. The main distinguishing feature of the gym is the power of a qualified nutritionist.

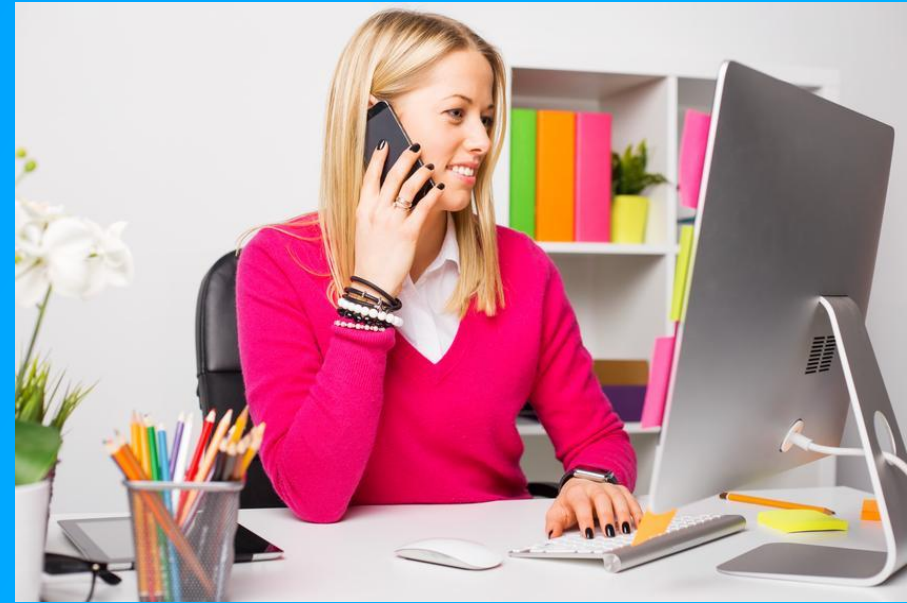

The mission of the «FITNESS» gym is to provide quality sports and nutritional services to visitors to the gym. We want to create comfortable conditions for consumers to bring themselves into shape.

Each of you can come to the «FITNESS» gym and get out from there with a completely different person. You will not only tighten your body, but will also be in a good mood thanks to our fun and responsive team.

At the entrance, the administrator immediately meets, to whom the visitor must provide his card (subscription). After the reception desk, a person is greeted with two doors. One leads to the women's locker room, the other to the men's.

After immediately there is an exit to the hall. In one part of the hall, treadmills, exercise bikes, as well as a nutritionist's office, near the office there is an inventory with sports equipment. In another part of the hall are power simulators, equipment with sports equipment, as well as areas for fitness and other work.

We are waiting for you!
Opening hours are from 8:30 to 23:30. The price for gym services varies from 200 rubles to 500 rubles per lesson. A subscription costs from 3,500 rubles to 6,999 rubles per month (visit is unlimited). An annual subscription will cost 10,000 rubles.
