Emo

Emo - an emotional person. They are not depressed all the time and some are actually very happy at times. They do smile, they don't sit in a corner crying all day. Some are actually quite popular and laugh and joke around lots

A style. Quite similar from emo to emo but they try to make it quite unique. Some common features of emo's are:

- wristbands/bracelets
- long hair that covers their eyes
- jackets/hoodies
- skate shoes
- skinny fit jeans
- dyed hair

A genre of music. Some people find it depressing, but generally emo's listen to it because it describes something that has happened/happening to them perfectly. It's like the band has taken their memories and found the perfect way to describe it.
