

Скляпка

The image features the Cyrillic word "Скляпка" (Sklyapka) rendered in a highly decorative, 3D-style font. The letters are primarily a vibrant red with a glossy finish and a soft purple glow. The initial 'С' is particularly large and stylized, with a yellow-to-orange gradient on its inner curve. The 'к' is also large and features a diamond-shaped cutout. The remaining letters 'л', 'я', 'п', 'к', and 'а' are smaller and more traditional in style. The text is embellished with several butterflies: a multi-colored one near the top of the 'к', a purple one near the bottom of the 'С', a yellow one near the bottom of the 'п', and a pink one near the top of the final 'а'. Delicate, golden-brown floral and leaf-like flourishes are scattered around the letters, adding to the ornate aesthetic.
