A PICTURE WORTH A THOUSAND

To be successful, marketers should understand the life cycle of a product, and business executives should have a plan for dealing with products at every stage of their life cycles.

Some fifty years ago there was a curious case of whale-trover litigated in England, wherein the plaintiffs set forth that after a hard chase of a whale in the Northern seas; and when indeed they (the plaintiffs) had succeeded in harpooning.

To be successful, marketers should understand the life cycle of a product, and business executives should have a plan for dealing with products at every stage of their life cycles.
