A cartoon illustration of a dining room. In the center, a square table is covered with a light green tablecloth that has two thin orange wavy lines near the bottom edge. Four simple wooden stools are tucked under the table. To the left, a framed picture of a tropical island with palm trees and a blue sky hangs from the wall. A white bone lies on the wooden floor in the bottom left corner. In the background, a window with pink curtains looks out onto a lush green landscape. The text 'Молодцы!' is written in large white letters across the window, with two exclamation marks below it.
