HISTORY

1920s - where it all

1930s - the birth of television

A black and white photograph of Winston Churchill sitting at a desk. He is wearing a dark, heavy jacket over a collared shirt. In front of him is a large, vintage microphone with a prominent 'BBC' logo on its side. The background is dark and indistinct, suggesting an office or broadcast studio setting. The lighting is dramatic, highlighting his face and the microphone.
