

Project 1st semester

Touchstone 4

Touchstone 4: My university

Work format: **Video Documentary**

Concept:

***NUST 'MISIS' participation in the international program
5/100***

NUST MISiS is taking part in the 5-100 project, whose goal is to maximize the competitive position of leading Russian universities in the global research and educational market among technical universities worldwide. You have been selected to present NUST MISiS at an education conference. Find evidence for and evaluate our university's chances of entering the final stage of the competition in a video documentary.

Organization

Stages: 1 Group formations and brainstorming
2 Preliminary feedback session
3 Delivering presentations and peer feedback
4 Posting references and self-evaluation blog on the LMS.

Groups: 3-4 people
