

Gadgets

There are a lot of different gadgets in our life. They make everything easier.

Easier - легче

You can find any information or location very quickly.

They also have different applications.

Location – место нахождения
Quickly – быстро
Different - разные

We can shop, take photos and be in touch with everybody all the time.

Now it is very difficult to imagine our life without cell phones and computers.

Take photos – фотографировать
Be in touch – быть на связи
Difficult to imagine – трудно представить

However, there are some drawbacks.
Children become lazier because they don't
have to think much.

Everything is done and can be found in
the internet.

However – тем не менее
Drawbacks – недостатки
Lazier – ленивее

Besides that their health is becoming worse, because they spend much time playing games.

That is very bad for their eyes.

Besides – кроме того
Is becoming worse – становится хуже

As for me, I think everybody should have
a cell phone.
It can help in different situations.

For example parents can know where their children are.

They can be used in emergency situations also, when people need help.

Emergency situations – экстренные ситуации

That is why I have this gadget with me all the time.

All the time – все время
