

A world map is shown in the background, rendered in a light blue and white color scheme. Overlaid on the map are four vertical bars of different colors: orange, purple, green, and blue. The text "Young employees for aviation enterprises" is written in a large, bold, orange font across the center of the map.

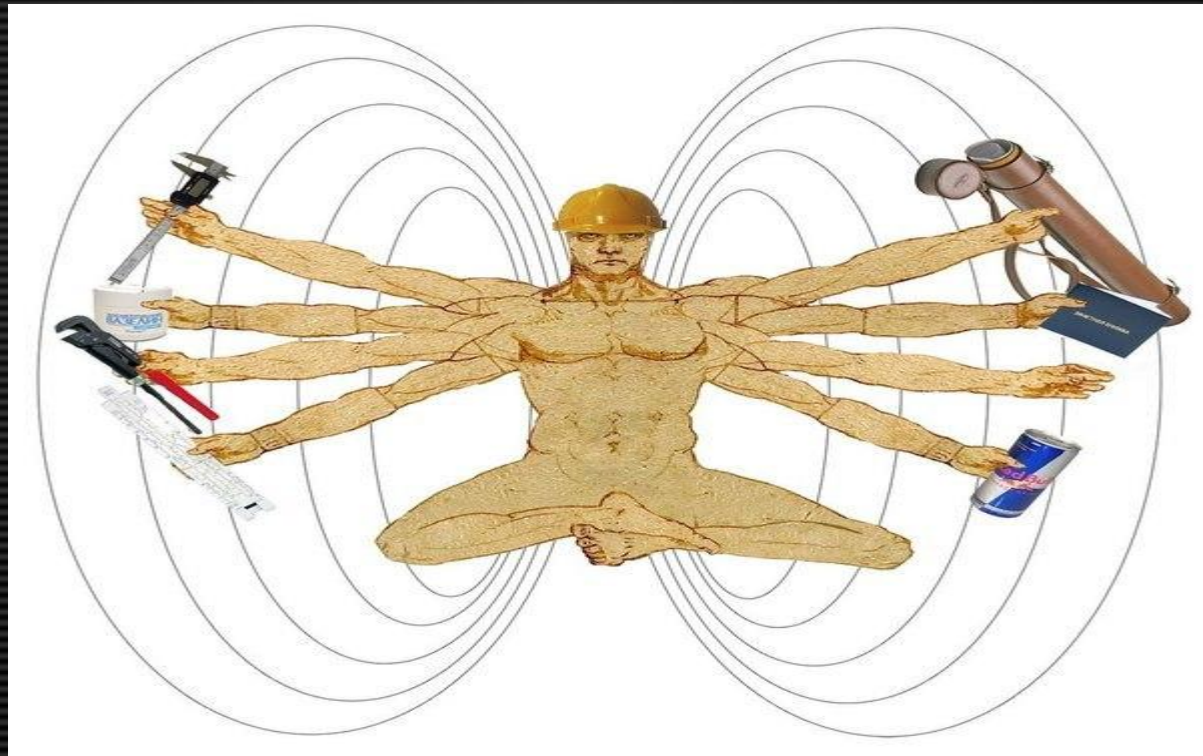

Young employees for aviation enterprises

Group's project

Goals

- Granting workplaces for young graduates of technical universities in the aviation enterprise

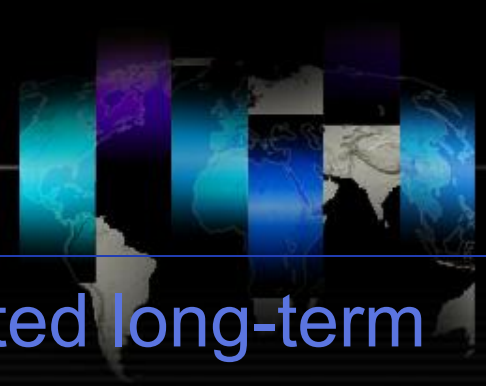

Objects

- The guaranteed work for graduates of technical universities

Results expected

- Expected short-term results
- The guaranteed work for graduates with the highest marks on graduating from technical university

- Expected long-term results
- Employment of graduates with excellent grades on graduating from technical university

Target group

- Students and graduates

Content of the project

- ***The main goal*** of the Center is to combine efforts of higher educational establishments and the enterprises to form personnel reserve in aviation industry of the region.
- In our center we discuss questions about employment of graduates with the Heads of HR departments of the aviation enterprises and organizations.
- **Our center:**
 - consult the youth about their future work,
 - carries out career fairs for the youth,
 - runs special courses,
 - monitors the need for professionals for aviation industry in the region,
 - signs contracts for training and retraining of specialists with higher aviation education,
 - holds meetings of enterprise representatives with senior students.

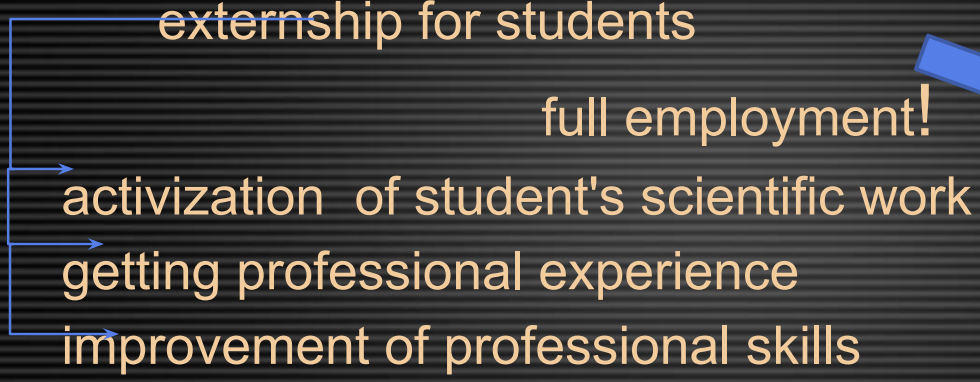

- One of the main tasks is to reveal professional standard of young specialists and problems of their adaptation in new team.

- The expected result

externship for students

full employment!

Project locations

- **Main office address:**
Kharkiv, Sumska St. 3, 2nd floor,
office 2
