Where is the bus station?

The bus station is next to the newsagent's.

Read the text

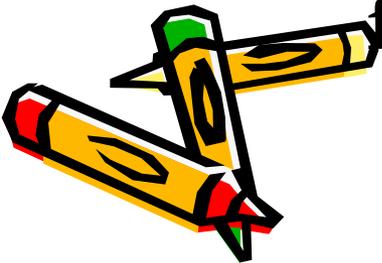

I live in a beautiful neighbourhood. There are a lot of shops and cafes around here.

There is a post office next to the bank.

Opposite the bank, there is the newsagent's. There is also a supermarket opposite the post office and a bus station behind the supermarket. Next to it there is the chemist's. Behind it, there is a library.

Opposite the chemist's, there is my favourite coffee shop! I like my neighbourhood a lot.

Tony Smith

Answer the questions

- 1) Where does Tony live?
- 2) What does he have around there?
- 3) What is situated right next to the bank?
- 4) Where is the newsagent 's?
- 5) What is opposite the post office?
