Time Structure
- Yearly Data
- Quarterly Data
Output Format
- PDF
(- Excel)

The screenshot shows a web interface titled "SHARE YOUR LEAN-CASE" with three tabs: "Invite user", "Define your Storybook", and "Define your PDF report". The "Define your PDF report" tab is active. Below the tabs is a table titled "Pages of PDF report to be created". The table has two columns: "Page" and "Report items". Each row lists a page name and the types of report items it contains, with checkboxes for each item type.

Page	Report items
Profit & Loss Summary	<input type="checkbox"/> Key metric <input type="checkbox"/> Chart <input type="checkbox"/> Table
Cash-Flow Scenarios	<input type="checkbox"/> Key metric <input type="checkbox"/> Chart <input type="checkbox"/> Table
Single Unit Lifecycle - Summary	<input type="checkbox"/> Key metric <input type="checkbox"/> Chart <input type="checkbox"/> Table
Single Unit Lifecycle - Analysis	<input type="checkbox"/> Key metric <input type="checkbox"/> Chart
Add Units	<input type="checkbox"/> Chart
All Units - Summary	<input type="checkbox"/> Key metric <input type="checkbox"/> Chart <input type="checkbox"/> Table
All Units - Analysis	<input type="checkbox"/> Key metric <input type="checkbox"/> Chart
Add Existing Business	<input type="checkbox"/> Chart <input type="checkbox"/> Table
View Opex and HC Chart	<input type="checkbox"/> Chart <input type="checkbox"/> Table
