What Do People Do

The April 22 Earth Day is usually celebrated with outdoor performances, where individuals or groups perform acts of service to earth. Typical ways of observing Earth Day include planting trees, picking up roadside trash, conducting various programs for recycling and conservation, using recyclable containers for snacks and lunches. Some people are encouraged to sign petitions to governments, calling for stronger or immediate action to stop global warming and to reverse environmental destruction. Television stations frequently air programs dealing with environmental issues.

Earth Day

Our Earth is special, there is just one.

It gives us water, soil, and sun.

People and animals share the land,

Let's all lend a helping hand!

You can save water, and plant a tree

Make a better home for you and me.

Recycle things, don't throw away.

Make every day an Earth Day!

thanks for watching
