

Happy Halloween

True or false?

Halloween is the second highest grossing commercial holiday after Christmas in the United States.

(*highest grossing = makes the most money)

True or false?

There is a tradition that says that, if a person wears his clothes inside out and walks backwards on Halloween, he will see a witch at midnight.

True or false?

Black and orange are the typical colours associated with Halloween: black symbolises death and darkness, orange stands for the harvest of autumn and its falling leaves.

True or false?

Halloween has been around for 6000 years.

(*to be around = to exist)

True or false?

The first mention of trick or treating in print was in 1927 in the United States.
