

**Мир вокруг нас**

A globe of the Earth with a blue grid of latitude and longitude lines. The continents are shown in a golden-yellow color. The text is overlaid on the globe.

**Мир вокруг нас,  
Земля-  
это наш  
*Зелёный дом!*  
Как много всего в  
этом замечательном  
доме!**

A circular fisheye photograph of a park scene. In the center, a bright blue sky with a sunburst effect is visible. Surrounding this central point, a lush green lawn is populated by several people engaged in various activities: some are playing soccer, others are sitting on the grass, and a few are with bicycles. The image is oriented vertically, with the ground at the bottom and the sky at the top.
