

BERLIN

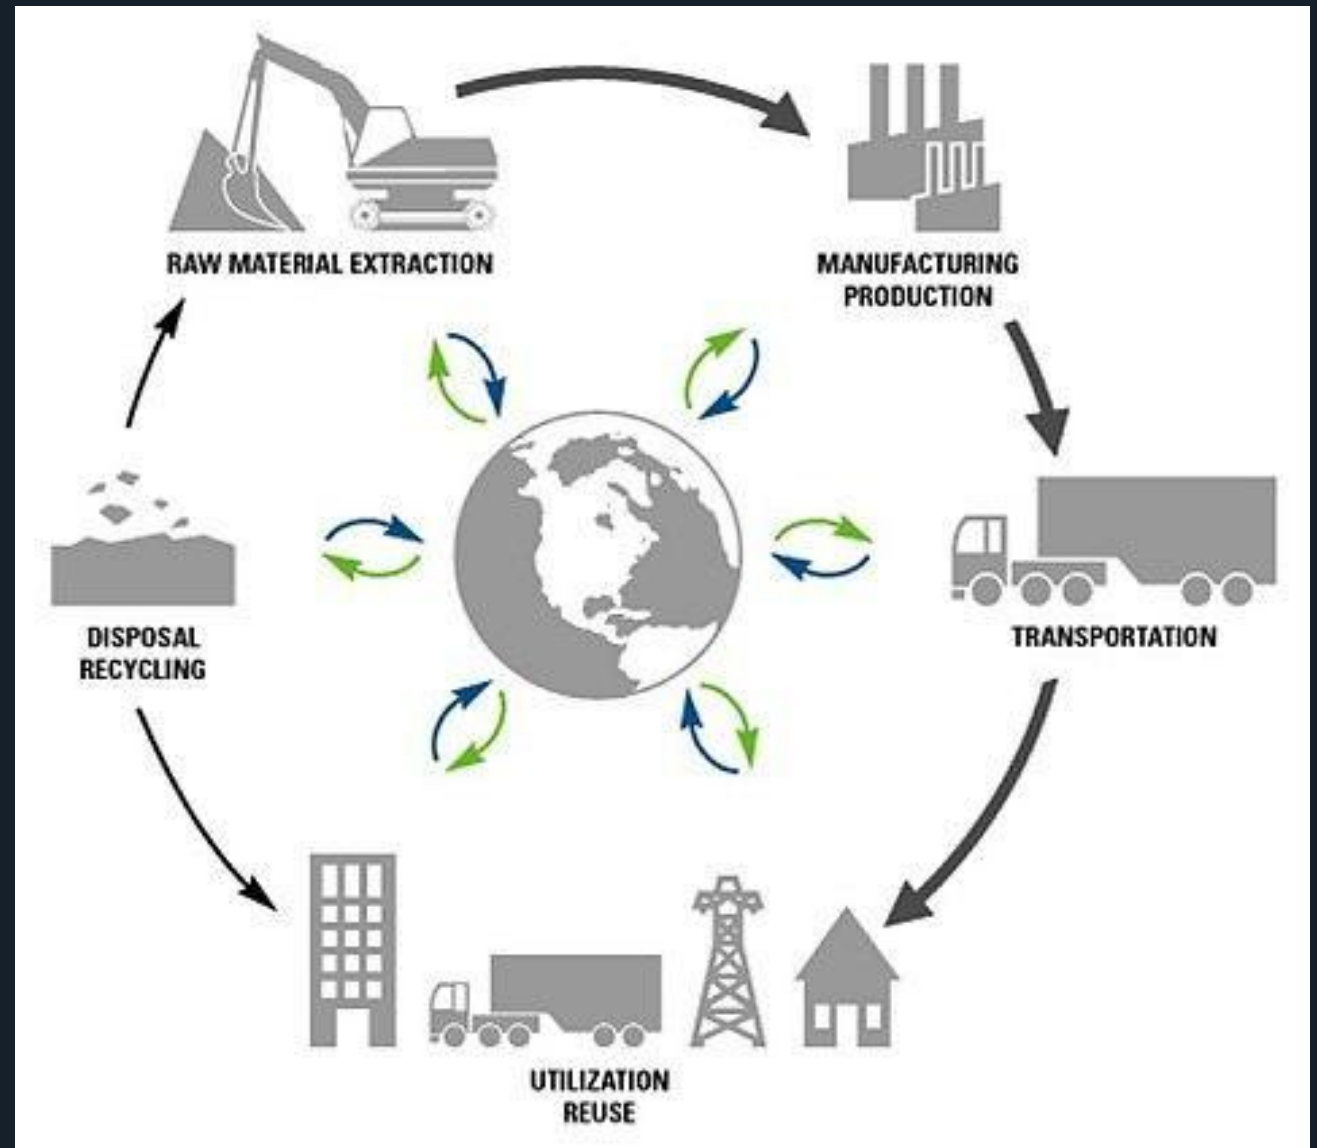

Berlin is the capital and largest city of Germany by both area and population.

**Berlin is
a world city of
culture,
politics, media
and science**

Its economy is based on high-tech firms and the service sector, encompassing a diverse range of creative industries, research facilities, media corporations and convention venues

Millions of tourists travel to Berlin every year to see this unusual multicultural city with a rich history. What makes Berlin different from other world capitals? There are several things that you can only do here.
