

Welcome to our town

Tula

- Tula is the largest town. It is one of the biggest and most beautiful town in the country. Tula is a modern town now. The population of the town is about 500031 people.

Tula

- Tula was founded in 1146. The total area of Tula is about 145 square kilometers. Our town is a highly developed industrial center with highly development machine-building and metallurgy.
- 

Places of interest

- Tula is a cultural center. There are many things to see in Tula, for example museums, theatres and monuments.

Places of interest

- In Tula you can visit the museum of samovars, the museum of Leo Tolstoy in Yasnaya Polyana, the arm museum and others.

Places of interest

- ▣ My favourite museum is in Yasnaya Polyana. I enjoy spending my time there walking and listening the birds.

Tolstoy Museum

- ▣ Yasnaya Polyana is the place where famous Russian writer Leo Tolstoy lived; a unique house of the 19th century with a beautiful park around it.

Tolstoy Museum

- ▣ In L.Tolstoy Museum you can find an exposition of different things that belonged to the writer and his family.

Places of interest

- The people of our town are proud of the Tula Kremlin.

Places of interest

- ▣ There are many buildings, wide streets, green parks, large squares and monuments in Tula.

History and people

- It is necessary to mention such famous monuments as monuments to the great Russian writers L. Tolstoy and V. Veresaev.

Customs and traditions

- Tula is famous for its matreshka dolls, samovars, pancakes and spice-cakes.

Welcome to our town!
