

Choose any statement you like and prove that it is true.

Summer is the best season of a year.

You can have a lot of fun in winter.

Autumn is a dull season.

Autumn is a colorful season.

In spring nature awakens from its long winter sleep.

I enjoy when it's rainy because...

to go camping

to have a picnic

to ride a bike

to play games outside

to play snowballs

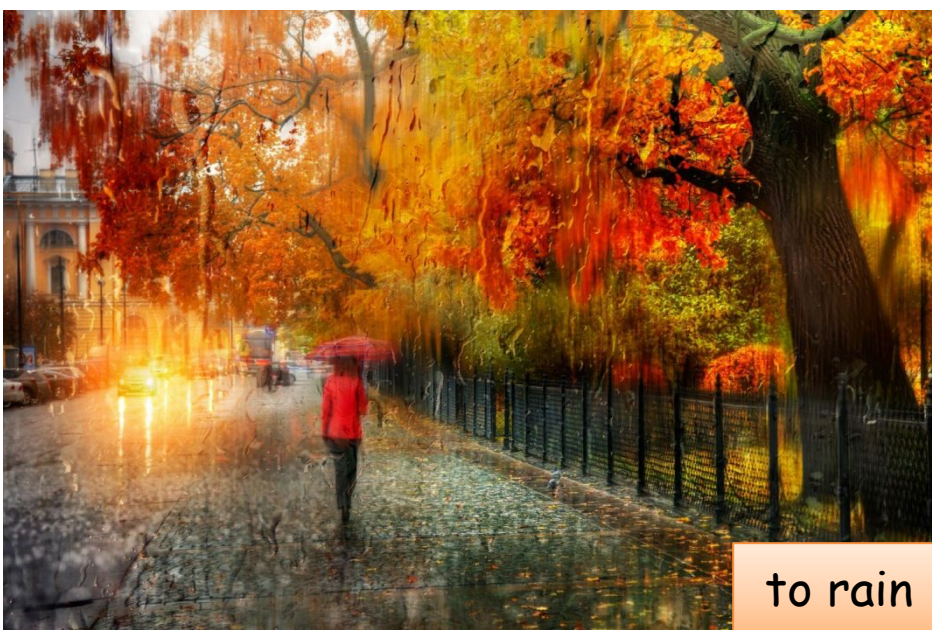

to go skiing and snowboarding

to go skating

to go fishing

to rain

to have a runny nose

to be in a bad mood

to have dirty shoes

to take wonderful pictures

to pick berries and mushrooms

to read a book

the harvest season

to get warmer

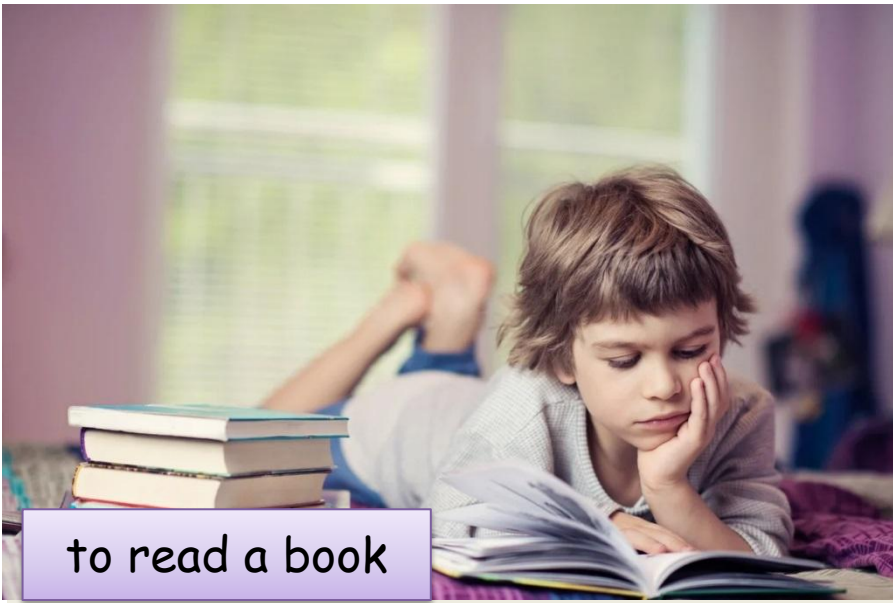

to sing songs

to wear light clothes

to be in a good mood

to read a book

to watch a film

to phone your
grandma

to make cookies
