

# NGO "AGAPE"

Khmelnytskyi, Ukraine

**“Let all that you do be done  
in love.”** 1

**Corinth.16:14**

# Our Philosophy

- We strongly believe that *only parents* can help their children to achieve the best progress due to the daily work following the advice of specialists. And we hope that God and parents' hard work will perform a miracle.

# Our Mission

- to give qualified help to children with special needs
- to help them to become socialized
- to train parents how they can develop their children on their own and also support other parents

# Our Reality

We work with children with cerebral palsy (CP), Down Syndrome (DS) and autism (ASD) and train their parents how to continue this work at home.

During 4 years about 100 children and their parents attended us:

- 36 children with CP,
- 12 children with DS,
- 21 children with ASD
- 28 – with other disorders

# Our Work Directions:

## 1. Daily activities and holidays

## 2. Parents support group

## 3. Summer 5-day camp for families
