

# My favourite costume

# KIMONO

I would like to tell  
you about my  
favourite costume.  
It is a kimono.

It is a traditional  
Japanese clothes.

# What does kimono consist of ?

It consists of kimono itself – a robe with very wide sleeves,

Obi- a very wide and long waist-belt, its length can be up to five metres.

# What material is kimono made of?

- \* It is made of a high-quality silk.

# GETA

- \* The traditional shoes are geta. They are made of wood and fabric or leather belts.

# Where do people wear it nowadays ?

- \* The kimono is worn on special occasions today :
- \* A birthday, a wedding, national festivals, some ceremonies.

# Interesting facts

- \* People usually save up money for many years to buy a kimono, because it is too expensive.

For geta Japanese use special white cotton socks with a big toe.

*I like kimono. My opinion is that Japanese costume is a magic.*

Thank you for your attention!
