Plot

- New York City teenager Miles Morales struggles to live up to the expectations of his father, police officer Jefferson Davis, who sees Spider-Man as a menace. Miles adjusts to prep school, and visits his uncle Aaron, who takes him to an abandoned subway station to paint graffiti. Miles is bitten by a radioactive spider and gains spider-like abilities similar to Spider-Man. And everything in his life has changed....

How the idea was born

- Following the November 2014 hacking of Sony's computers, emails between then-Sony Pictures Entertainment co-chairman Amy Pascal and president Doug Belgrad were released, saying that Sony was planning to "rejuvenate" the Spider-Man franchise by developing an animated comedy film with Phil Lord and Christopher Miller
- They adapted Dan Slott's 2014 "Spider-Verse" comic book storyline and star Miles Morales as the protagonist.

SONY

Release

- Spider-Man: Into the Spider-Verse was released by “Sony Pictures Releasing” under its “Columbia Pictures label” on December 14th, 2018. And in April 2015, Sony had made its first official announcement that an animated Spider-Man film was in development, with a release date scheduled for July 20, 2018. It is the first animated Spider-Man feature film, and is independent of the timelines of other Spider-Man universe films. At the end of 2015, the release date was changed to December 21, 2018, and was moved up by one week two years later. Sony premiered the film at the Regency Village Theater in Los Angeles on December 1th in 2018, and included tributes to Stan Lee and Steve Ditko.

Future (Sequels)

•Sony was announced The “Spider man: into the spider-vers 2” that the sequel would be released on April 8th, 2022, but the release date was later delayed by six months to October 7th, 2022 due to the “COVID-19 pandemic”.

So, due to this the “Spider-Man: Across the Spider-Verse (Part One)” will release on the 7th of October 2022. The Part Two expected to be released in 2023.

SPIDER-MAN
ACROSS THE SPIDER-VERSE
PART ONE

Future (Spin-offs)

• And they announced one more Spin-offs one of which about Spider-Women. It will include Spider-Gwen and feature Jessica Drew/Spider-Woman and Cindy Moon/Silk.

John Mulaney also expressed interest in a potential spin-off film starring Spider-Ham, suggesting its plot as a "Watergate-like story" along the lines of The Post or All the President's Men while focusing on his character's career as a reporter

Opinions

- I liked this cartoon, because it shows how hard is it to be superhero and a teenager temporarily and that Miles is still a child. And 3 years ago I seed myself in this character. (R)
- Spiderman is a very cool cartoon, I like it and the characters are very beautiful and cool. This animated film has a very good storyline (S)
- This movie really makes you think about the consequences of your actions. (A)

Quiz

- Which character is this voice? 
- What is the name of future film Sequel?
- What is most popular soundtrack of this film?
- Did XXXTENTACION made Soundtrack for this Film?
- Why the sound producer chose exactly these artists ?
- Do the our Poster is different to American viewers ?
