A scenic landscape of a New Zealand farm. In the foreground, a lush green field is filled with numerous sheep grazing and resting. A line of trees with autumn-colored foliage separates the field from the background. In the distance, rolling green hills lead up to a range of majestic, snow-capped mountains under a blue sky with scattered clouds. The text "New Zealand" is overlaid in the center of the image.

New Zealand

Wellington is the capital of New Zealand

It is located on two large and about
700 small Islands and has
no land borders with any country

The main economic sector is agriculture, *sheep* and dairy farming. New *Zealand* is one of the world's largest exporters of agricultural products: meat and dairy products, fruit, in particular *kiwi*.

New Zealand ("Aotearoa") is translated from the Maori language as "*country of the long white cloud*". According to legend, long white clouds often form on the horizon, hence the name.

In New Zealand, kiwis are primarily new Zealanders themselves. They love to be called that. *Kiwis* have three official languages: *Maori, English and new Zealand sign language*

There are also *hatteria* and *ueta*. Also found listed in the Red book of the carnivorous snail *Powelliphanta*.

The smallest Dolphin species, *Hector's Dolphin*. An adult individual reaches 1.4 m in length, which is less than the average adult.

In New Zealand, a small hill has the longest name in the world

- *Taumatawhakatangihangakoauauotamateaturipukakapikimaungahoronukupokaiwhenuakitanatahu*. Translated something like: "the Top of the hill where Tamatea, a man with big knees who rolled down, climbed and swallowed mountains, known as the earth eater, played his flute for his beloved".

It is not recommended to stay in direct sunlight for more than *five minutes*

A third of the territory is occupied by national parks. They are protected by the state. In front of the entrance are sprays, which are recommended to process shoes in order to kill all foreign microbes.

Dunedin is home to the world's steepest street, *Baldwin*.
It is notable for the fact that it descends at an angle of *38 degrees*.

Everyone knows that from here the films *"the Lord of the rings"* and *"the Hobbit"* came out into the world and became popular.

This brought the country a lot of money, because tourists just go in droves along the movie paths.

The state even established the post of Minister

A scenic landscape featuring a calm lake in the foreground, a lone tree in the middle ground, and majestic mountains in the background. The sky is a deep purple, and the mountains are illuminated with a golden glow, suggesting the time is either dawn or dusk. The text "Thanks for attention" is written in a white, cursive font across the center of the image.
