How many days are there on
a traditional advent's calendar?

a) 45

c) 24

1,000,000,000

The image features a vibrant blue background filled with various sizes of white snowflakes and bright, multi-pointed starburst lights. In the center, the number '1,000,000,000' is rendered in a bold, golden, three-dimensional font. Each digit has a glowing blue light emanating from its center, giving it a shimmering appearance. The overall aesthetic is festive and celebratory, typical of a holiday-themed graphic.
