tam in domū aminadab in gabaa.
Eleazarū autē filiū eius sanctificaverūt:
ut custodiret archam dñi. Et factū est
ex qua die mansit archa dñi in caria
thiarim: multiplicati sunt dies. Erat
quippe iā annus vicesimus. Et requievit
omnis domus isrl' post dñm. Ait autē
samuel ad universam domū isrl' dicens.
Si in toto corde vestro revertimini ad dñm
auferte deos alienos de medio vestrī
baalim et astaroth: et preparate corda
vrā dño et servite ei soli: et eruet vos
de manu philistijm. Abstulerūt ergo
filii isrl' baalim et astaroth et servierūt
dño soli. Dixit autē samuel. Congre-
gate universū isrl' in masphat: ut orem
pro vobis dñm. Et cōvenerūt ī mas-
phat. Hauseruntq; aquā et effuderunt
in conspectu dñi: et ieiunaverūt in die
illa et dixerūt. Tibi peccavimus dñe. Iu-
dicavitq; samuel filios isrl' ī masphat.
Et audierunt philistijm q' cōgregati
essēt filii isrl' in masphat: et ascenderūt
satrape philistinorum ad isrl'. Quod cū
audissēt filii isrl': timuerūt a facie phi-
listinorum. Dixeruntq; ad samuelem. Ne
cesses p nobis clamare ad dñm deū
nrm: ut salvet nos de manu philisti-
norum. Tulit autē samuel agnū lactentē
unū: et obtulit illū holocaustū integrū
dño. Et clamavit samuel ad dñm p
isrl': et exaudivit eū dominus. Factū est
autem cū samuel offerret holocaustū
philisteos inire bellū cōtra isrl'. Into-
nuit autē dñs fragore magno in die
illa sup philistijm et exterruit eos: et cesi
sunt a filiis isrl'. Egressiq; viri isrl' de
masphat persecuti sunt philisteos: et
percusserūt eos usq; ad locū q erat subter
bethchar. Tulit autem samuel lapidē
unū et posuit eū inter masphat et inter
sen: et vocavit nomē loci illius lapis
adiutorii. Dixitq;. Hucusq; auxiliatus
est nobis dñs. Et humiliati sunt phi-
listijm: nec apposuerunt ultra ut veni-
rent in terminos isrl'. Facta ē itaq; ma-
nus dñi super philisteos cūctis diebus
samuelis: et reddite sunt urbes quas
tulerāt philistijm ab isrl' isrl': ab accha-
ron usq; geth: et terminos suos. Libera-
vitq; isrl' de manu philistinorum: eratq;
pax inter isrl' et amorreū. Iudicabat q3
samuel isrl' cūctis diebus vite sue: et ibat
p singulos ānos circuiens bethel et gal-
gala et masphat: et iudicabat israhelē
in supradictis locis. Revertebaturq; in
ramatha: ibi enim erat domus eius:
et ibi iudicabat israhelem. Edificavit
etiam ibi altare domino. VIII

Factū ē autē cū senuisset samuel:
posuit filios suos iudices isrl'.
Fuitq; nomen filii eius primogeniti
iohel: et nomen secundi abya: iudicū
in bersabee. Et nō ambulaverūt filii illi'
in viis eius: sed declinaverūt post ava-
riciā: acceperuntq; munera: et perverterūt
iudiciū. Cōgregati ergo universi ma-
iores natu isrl' venerūt ad samuelē in
ramatha: dixeruntq; ei. Ecce tu senuisti:
et filii tui non ambulant in viis tuis.
Constitue nobis regē ut iudicet nos:
sicut et universe habēt nationes. Displi-
cuitq; sermo in oculis samuelis: eo q'
dixissēt. Da nobis regē ut iudicet nos.
Et oravit samuel ad dñm. Dixit autē
dñs ad samuelē. Audi vocē ppli
ī omnib' q loquūt tibi. Nō enī te abiecerūt
sed me: ne regnē sup eos. Iuxta oīa
opera sua q fecerunt a die q eduxi eos
de egipto usq; ad diem hanc: sicut dere-
liquerūt me et servierūt diis alienis: sic
faciūt etiam tibi. Nunc ergo vocē eorū
audi. Verūtamen contestare eos: et p̄dic
eis ius regis qui regnaturus est sup eos.
