Dear friend,

I'd like to tell you about conflicts in my family. Conflict is a natural thing in our life. I have conflicts with my elder brother. He doesn't clean the room, doesn't throw away rubbish, doesn't walk with a dog. He plays the computer games only. I can't understand his action. We constantly argue because I don't want to do it along.

Have you got brother or sister? Have you got conflicts with your family?

I don't know how I can live with him. Give me advice, please.

Best wishes,

Your pen friend.
