A scenic view of the Eiffel Tower in Paris, France, viewed from the Seine river. The tower is the central focus, with its intricate iron lattice structure clearly visible. The sky is a clear, bright blue with a few wispy clouds. In the foreground, the calm water of the river reflects the tower and the sky. Several boats, including a large white and red tour boat, are docked along the riverbank. Lush green trees frame the scene on both sides, and a bridge is visible in the background to the right.
