# Plot

- New York City teenager Miles Morales struggles to live up to the expectations of his father, police officer Jefferson Davis, who sees Spider-Man as a menace. Miles adjusts to prep school, and visits his uncle Aaron, who takes him to an abandoned subway station to paint graffiti. Miles is bitten by a radioactive spider and gains spider-like abilities similar to Spider-Man. And everything in his life has changed....

# Cast

- Shameik Moore - as Miles Morales
- Brian Tyree Henry as Jefferson Davis

# How the idea was born

- Following the November 2014 hacking of Sony's computers, emails between then-Sony Pictures Entertainment co-chairman Amy Pascal and president Doug Belgrad were released, saying that Sony was planning to "rejuvenate" the Spider-Man franchise by developing an animated comedy film with Phil Lord and Christopher Miller
- They adapted Dan Slott's 2014 "Spider-Verse" comic book storyline and star Miles Morales as the protagonist.

SONY

# Release

- **Spider-Man: Into the Spider-Verse** was released by “Sony Pictures Releasing” under its “Columbia Pictures label” on December 14th, 2018. And in April 2015, Sony had made its first official announcement that an animated Spider-Man film was in development, with a release date scheduled for July 20, 2018. It is the first animated Spider-Man feature film, and is independent of the timelines of other Spider-Man universe films. At the end of 2015, the release date was changed to December 21, 2018, and was moved up by one week two years later. Sony premiered the film at the Regency Village Theater in Los Angeles on December 1st in 2018, and included tributes to Stan Lee and Steve Ditko.

# Future Pt. 1 (Sequels)

• Sony was announced The “Spider man: into the spider-vers 2” that the sequel would be released on April 8th, 2022, but the release date was later delayed by six months to October 7th, 2022 due to the “COVID-19 pandemic”. In December 2021, Lord and Miller revealed that the film was being split into two parts after they had written down the story they wanted to tell for the sequel and realized that it was too much for a single film. So the “Spider-Man: Across the Spider-Verse (Part One)” will release on the 7<sup>th</sup> of October 2022. The Part Two expected to be released in 2023.
