

The background features a light gray grid pattern overlaid on a white background with scattered black speckles. Various colorful watercolor-style shapes, including circles and semi-circles in shades of yellow, orange, red, blue, and brown, are scattered across the grid. Some shapes have patterns like stripes or polka dots.

Klee's summer

When my holidays came, I was very excited! The weather was fine so my friends and I went for a walk every day. It was fun! Then I spent a month in the countryside where my grandfather and grandmother lived. I took many pictures. I also ate a lot of tasty food which my granny cooked for me. I have many friends in this village because I go there every summer. We played football and tennis every day! There is a small river near the forest and we swam and sunbathed when the weather was warm. It was great! I had a very good time.
