- She is a psychopathic experienced hitman who becomes obsessed with MI5 tracking her down.

MAIN CHARACTERS

- Eva Polastri or Sandra Oh (in a real life)
- She is an agent with MI5, who becomes obsessed with a well-known killer and, on an informal basis, starts working for the MI6 foreign intelligence agency.

FILMING

- Filming for the first series began on 17 July 2017 in Tuscany, extending to further locations in Paris, Berlin, Bucharest, Cheshunt, Turville, London and West London Film Studios. Filming also took place at the Radcliffe Camera in Oxford.

WHY SHOULD YOU WATCH IT

1. First of all the picture of the serial is really perfect! They filmed it in different beautiful places: old Paris flats, cathedrals and others
2. I like the costumes and the image of Villanele, here dresses and all of her looks are really wonderful.
3. Plot. It so impressive to look at how detective is trying to unravel the motives of killer. To understand her world and her style of killing.
