A black and white photograph of a street in a residential area. The street is paved and runs diagonally from the bottom left towards the top right. On the right side of the street, there are several wooden houses with gabled roofs. Some of the houses appear to be in poor condition, with some roofs missing or damaged. There are utility poles and wires along the street. The ground on the right side of the street is overgrown with grass and weeds. The overall scene suggests a neighborhood that has been largely abandoned or is in a state of decay.
