

# The safari park

**There are a lot of national parks on the planet Earth.**

**There are no cars, houses,  
dirty air or dirty water there.**

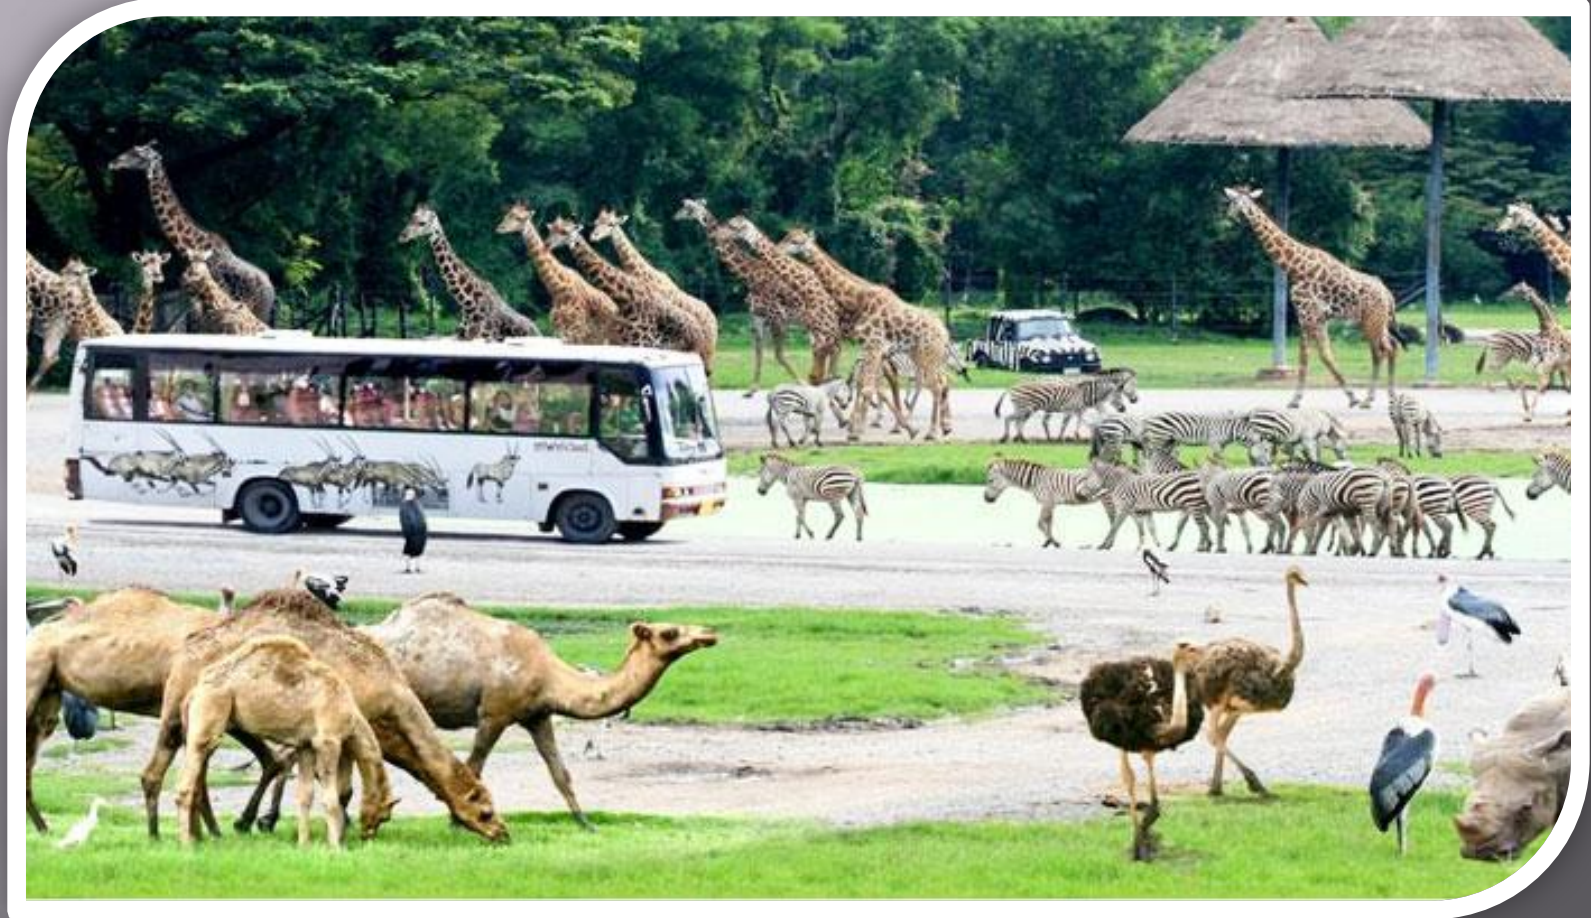

**The water is clean,**

**and the air is healthy there.**

**Safari park is a special park where animals are free to walk in the open.**

# Visitors come to the park in cars

**and can see the animals  
through the car window.**

**It is forbidden to open the doors and the windows of the car because the animals are wild and can be dangerous.**

**Let's go to the safari park! You can see a sleeping panda,**

**funny birds,**

**a grizzly bear,**

# flamingoes,

**elephants,**

peacocks,

**hungry crocodiles,**

**cuddly monkeys,**

**angry tigers,**

**and other big and small  
animals,**

**tall trees,**

**fantastic fish,**

**and beautiful flowers.**

**Welcome to the safari park!**
